## DOMINION!

Tonight, I wear my Robe of Light, My Crown of Love and Sunshine hair! I wield my Scepter of God's Might And all obeys me everywhere!

I wear God's Jewel, His Diamond Heart; And through It pours Love's Own Bright Ray! I lift my wings unfurled to Heav'n And human clouds are cleared away!

I live within my Realm of Light, Its Citadel is Love's Great Tower! I know all things and bless all things; The "I AM" is my Mighty Power!
