

O, MIGHTY VESTA, SPEAK TO US! (Alternate line)

Now seal us in Thy Heart!
And never from us part!
Come! hold Thy Cosmic Guard!
Thy Love is God's Reward!

Protect us all each day!
And show all here God's Way!
Make all know God, "I AM"!
Thy Flame does hold Command!

Compel God's Victory here!
Protect Our Land so dear!
Come! guard our loved ones, too!
Make Thy Flame blaze clear through!

Stand here with us each day!
And with us ever stay!
Come! make all hear Thy Voice!
In Thy Love all rejoice!

Come! bless our "I AM" Youth!
And make all know Thy Truth!
Thy Flame here shall rule all!
Come! answer This our Call!

Make all behold Thyself!
Give us Thy Cosmic Help!
Through us Thy Miracles pour!
Till all Thyself adore!

Thy Flame to Earth descends!
Our Love Thy Flame defends!
Our outer selves control!
Our Youth in Thy Heart hold!

O, MIGHTY VESTA, SPEAK TO US! (Alternate line)

Thy Fire does all bless!
And through us God express!
Our homes Thy Flame enfolds!
Thy Love all Power holds!

We call Thee from on High!
For Freedom shall NOT die!
Come! walk the Earth again!
Come! raise the race of men!

Speak through us Thy Command!
Redeem our homes – our Land!
The Goddess of Justice, too!
Come NOW! Come here! step through!

Come NOW! in All-Christ Power!
Each instant of each hour!
All here for God we claim!
Come help 'loved Saint Germain!

Thy Voice shall fill the air!
Make all hear everywhere!
“Beloved I AM,” we call!
God here has conquered all!
