CHICAGO, ILLINOIS

AUGUST 30, 1945

ASCENDED MASTER YOUTH CONCLAVE

PHILADELPHIA PRESENTATION

AFTERNOON

BELoved PRECIOUS ONES OF PHILADELPHIA, all the Beloved "I AM" Students throughout America and the World who have poured their love so faithfully to Me and to the "I AM" Activities for the guarding of the Freedom which Life commands for America, I wish to enfold you this afternoon in the Mighty Cosmic Love of My Freedom and My Encouragement to you all.

Beloved "I AM" Ascended Master Youth, one day in the not so far distant future, will you be grateful to remember that you have been a part of the early Activity of expanding the "I AM" Instruction which I have brought to America and the World! You seem a small group and yet, in this Conclave you have done mighty things! From the Inner Level, you have set the Divine Pattern of those Mighty Activities for which you have called, to become Living Realities in full manifestation in the outer world. That shall become, one after another, the Mighty Radiating Power of those Activities for which you have called.

I wish you to know, you have My Love, My Blessings, My Gratitude; and you shall have My Protection in everything you desire to attain as it expands the Light, sets your fellow man free, purifies and raises all you contact. Limitless can be the assistance to you through these Ceremonies that you have performed in this Conclave! Mighty is the Power and Great are the Legions of Light Who stand ready to assist you to bring forth, just as rapidly as possible in outer manifestation, the Fulfillment of your every Heart's desire, when that is part of the Ascended Masters' Divine Plan for the Freedom of your Nation, the release of the entire Younger Generation from all that has been of the shadows, and the expanding throughout the Earth

of the Eternal Freedom of Life which can only come through My Ascended Master Instruction of the "I AM."

Mankind has not one thing in the outer world today by which the Earth and its mankind can be free except this Conscious Knowledge of the "I AM." That is not just because "I AM" the Open Door through which It came. It has come to mankind three times before, and yet they turned toward the shadows from the Light. Now this time It releases through the Violet Consuming Flame, the Eternal Freedom of all centuries to come; because the World itself has entered into that cycle wherein the Purifying Power of the Violet Consuming Flame becomes the Authority of all in the future.

Only because that is true can mankind, at this time, be drawn up and out of the clutches of their own unfortunate destructive human creation. You, who have been a part of this Activity from the beginning, have been passing through the crucible of the Fire to burn away the human creation that has been your limitation of the centuries. Now as you are being released from that more and more, Beloved Ones of the Light, you will become the Joy and the Sun of My Liberty Bell to the Earth! You will become the Vanguard of Joy, the Manifestation of Freedom, the Victory of the Light and the Cosmic Protection of the Cosmic Christ for your Nation and all humanity.

Little do you dream the part you are playing in the Cosmic Drama of Life's Freedom, whose Radiating Center in America has been the Original Flame which was placed here in the beginning of mankind's journey upon this Planet. IT IS NOT BY ACCIDENT THAT AMERICA IS THE HEART OF THE WORLD; THAT CHICAGO IS THE PERMANENT ATOM IN THE HEART; AND THAT PHILADELPHIA, THE CITY OF BROTHERLY LOVE, WAS CHOSEN BY ME TO BRING INTO OUTER MANIFESTATION THAT WHICH IS THE FLAME OF FREEDOM FROM MY HEART! That is not by accident, I assure you, because there is no such thing under the Action of the Cosmic Law. There are certain places upon the Earth wherein there have been established from the beginning, certain Activities of the Fire Element which have been charged with

certain Qualities to be kept alive there until the Earth becomes wholly Ascended as a Dazzling Sun in space; and those who have journeyed this way have arisen into the Ascended Masters' Octave of Light and become the Creators of Systems of Worlds.

Just as there are certain centers within the human body which are the focus of more intense Light from your own "Mighty I AM Presence" than other parts of the body, so are there parts of the body of the Earth wherein We have drawn forth intense Activities of the Light Rays and of the Sacred Fire, to radiate to each locality the Quality that is necessary there to hold the balance to fulfill the Divine Plan – and Philadelphia is such a Center of the Flame of Freedom!

Since the Violet Consuming Flame, the Power to purify, is the Freedom of all energy and Life that has been imprisoned in human discord, then it was necessary in those early days that That Flame be focused in Philadelphia; and not until mankind has used the Violet Consuming Flame of Pure Love can they ever be free! Never is mankind free from the human until the Brotherly Love of the Divine, through the use of the Violet Consuming Flame in Its Forgiving, Purifying Power, can go forth at your Conscious Command to set all Life, wherever you contact it, free from all that is not the Purity and Perfection of God's Divine Plan Fulfilled.

Therefore, will each of you in the Philadelphia Group of the "I AM" Ascended Master Youth and your Beloved Sponsor – will you consider yourselves, each one, an Ambassador of the Violet Consuming Flame, a Carrier of the Sacred Fire of Eternal Purity and a Sun of Brotherly Love and Forgiveness to all wherever you pass by?

I want to say for your Encouragement and the Encouragement of both the "I AM" Ascended Master Youth Group and the other larger Groups of the "I AM" everywhere. Remember this, if you will call forth enough Cosmic Love of the Cosmic Christ in and through yourselves to bless each other, to bless conditions around you and your activities that you sometimes consider problems – if you will call forth enough of the Cosmic Love of the Cosmic Christ, you can get along with anybody!

You can make every Group expand! You can compel every problem to dissolve and disappear! You can compel every human circumstance to be transmuted into that which is Divine; but only enough love will ever bring you back to the power you once wielded, the Light that you once knew, and the love you have once been and must again become! Only enough love of the Cosmic Christ can ever dissolve the human that has sought to cast its shadows over the Light of that which is Divine.

Therefore, from this hour, since in Living Flame you have drawn forth the Form of the Liberty Bell, then within the Flame of the Cosmic Freedom of the Cosmic Christ and Its Sacred Fire of Cosmic Love Supreme shall you dwell in the Freedom of My Heart; shall you hear the Song of the Light; shall you BE the Dispensers of all that give Freedom to Life. Please remember your Divine Responsibility is to pour the Cosmic Love of the Cosmic Christ – which I assure you is all Freedom – to everybody and everything, realizing always that within that Sacred Fire is Wisdom and Power to fulfill the Divine Plan.

Beloved Ascended Master Youth, the “I AM” Ascended Master Youth of the World, I say to you each one. Keep up your Decrees for the Ascended Masters’ Divine Plan Fulfilled for the Instantaneous, Eternal, Limitless, Invincible and Overwhelming Expansion of your Groups; and so shall it be established unto you. NOW AND FOR ETERNITY SHALL THE “I AM” ASCENDED MASTER YOUTH ACTIVITY GO FORTH AND CARRY MY FREEDOM TO ALL GENERATIONS. As you stand forth the Happiness and the Freedom of the Song of the Light, will you draw Legions of the Angelic Host to accompany you, to assist you, to help you carry the Light of My Freedom and the Purifying Power of My Love to all Life everywhere you contact it.

Oh, Beloved Ones, there is no Joy so great in all Creation as the FEELING OF YOUR OWN POWER by your Calls to your “I AM Presence” and the Release of that Power to compel the human to become the Divine. Then will you know the

Master Authority of Creation is within the Fire Element and in your own bodies; and the Command of the Love of the Cosmic Christ is the Scepter of all Power. Forgiveness cannot come without the Love of the Christ, the Cosmic Love of the Cosmic Christ; because when you really forgive, then that Flame has burned through your own feeling world and consumed the substance that before had not been the forgiveness.

Divine Love and Mercy must be extended; and Wisdom must govern the outer activities at all times in order to bring the Divine Plan Fulfilled, bring Divine Order and Beauty and Perfection everywhere for Eternity. Then will you know Everlasting Happiness! Then will you feel, in reality, what those Words of the Blessed Master Jesus meant when He said: "AND NOW, OH FATHER, GLORIFY THOU ME WITH THINE OWN SELF, WITH THAT POWER I HAD WITH THEE BEFORE THE WORLD WAS." YOU COULD SAY TO YOUR "PRESENCE" FIRST AND THEN TO ME: "GLORIFY THOU ME WITH THINE OWN SELF, WITH ALL THE FREEDOM WHICH I HAD WITH THEE BEFORE THE WORLD WAS." TRY IT BELOVED ONES! YOU WILL KNOW THEN HOW MUCH MY LOVE MEANS TO YOU.

"I AM" Free because I gave love freely without reservation — Cosmic Love of the Cosmic Christ throughout the centuries, have I poured without limit to all Life; and therefore, all Life must one day receive Me. All Life must one day become the Freedom of the Octave of Light where I abide! All Life must one day thrill at the Freedom and Purity of My Love and go forth fulfilling the Divine Plan! So must you, one day, stand as a Being of the Sacred Fire of Freedom and Love of the Cosmic Christ.

You are privileged, Beloved "I AM" Ascended Master Youth, to be a Part of the Vanguard of Light; because as mankind in great quantity come into this "I AM" Activity, will every one of you have the opportunity of pouring without limit the Cosmic Love of your own Life Streams to set others free who are looking to your Light. Then will you know what it means to be a Part of the Love which has freed all Life from

distress.

Are you not happy when after the body has been in pain, someone releases you from that pain and the harmony is re-established? Are you not grateful to be released from that? Then, My Dear Ones, can you realize the Joy which is in store for you as you draw forth My Flame of Love, Forgiveness and Freedom and at your Conscious Command, instantly be able to release mankind from distress. Can you realize what the love and gratitude of the rest of Life will be to you when you are a Being, Who by your Conscious Command, can compel the human dissolved at your approach and the Divine Life within set free to fulfill Its Great Divine Plan?

Then as you give Life's Freedom to one person after another, there will flow back to you so much greater power from each one's Life Stream, in addition to the Expansion of your own, that you will move forward enjoying the Fulfillment of Life's Divine Plan, pouring Its Ever-Expanding Cosmic Love of the Cosmic Christ until everything obeys you — I mean your command for Perfection. Wherever you move, all becomes your Friend of the Light; all becomes the Freedom of Our Octave. All becomes the Eternal Divine Memory of That which you have been, of the powers you have wielded; and the Mastery which now lies ahead of you becomes the Eternal Victory of the Fullness of the Release of Power from your own Life Stream.

So go forward, My Brave Ones, Beloved Precious Ones of Philadelphia; be of good cheer! Command the Divine Plan of your own Perfect Temple brought forth, and It shall be yours! Call to your side Legions of Ascended Master Friends to bring into outer manifestation that which is to be Philadelphia's Cup or Temple of My Love and Freedom of the Cosmic Christ! Your love, your Freedom which you are calling forth, is hourly growing greater. Remember it all depends on the amount of Cosmic Love of the Cosmic Christ which you can pour into every condition as you contact it day after day, until the momentum is complete of the quantity of energy We require. If you will give Us one-third of that which is necessary, We will

provide the other two-thirds.

Your Music Temple shall come forth in which you have Unlimited Freedom to ever expand your Service to Life; and in that Service, as you give greater love, so shall Greater Love come to you! As you give greater freedom, so shall you feel Greater Freedom yourselves as you move among the rest of mankind. Oh, do not be concerned about anybody's opinions. Do the best you can. Be sincere and determined, which you have been in the past, and you shall have everything for which you call, in your sincere desire to expand the Freedom which your City represents to the Nation.

BE the fulfillment of the motto of your City, that of Brotherly Love. That is the Love of the Cosmic Christ which forgives all mistakes, pours forth constant blessings and does not concern itself about anybody's opinions. Each City has, as its individual Focus of the Sacred Fire, the particular Qualities which were placed there by Life, the Great Cosmic Law of this Nation. The various Life Streams who have come forth as Group Leaders and offered their Services to the Light as Guardians of the Power of Light of that City have been divinely selected by Life; and Life loves every part of Itself, and every other part loves Life also. So will each one be a continual Blessing to the others?

Be not concerned with human mistakes! The world has been a mass of them for centuries. A few more or less does not make Us stop loving you any more, Precious Ones. Oh, if every one of you did everything absolutely perfect every instant until your Ascension, We would be so surprised. "I AM" sure I would not know quite what to do. So if someone else – no matter where the Group Leader is throughout the country, if a few mistakes are made yet, Oh, don't be hard on each other! Just call on the Law of Forgiveness and still command the Fulfillment of the Ascended Masters' Divine Plan. I assure you, I will come to the rescue of whoever seems to be most in the need of assistance; and I shall not forget the rest, because I know within your Hearts each one is learning more and more obedience to the "Presence." You are all pouring out more and more

forgiveness; and your love is expanding.

Just go on and keep it up. I have had occasion to watch the Group Leaders in this Nation – particularly have I observed since these Dictations have come forth through this Messenger. Everybody has had their own opinions – so have We, but We don't make any mistakes. Sometimes when the shadows have tried to touch individuals and they temporarily responded to some of their own human creations, why We did not forget they were on Earth. We have watched them struggling; and We have also watched the Students who have sincerely called on the Law of Forgiveness for them, then called forth Our Cosmic Love and Light to assist them. We have watched that Love go in and shut off some of the human mistakes and begin to illumine the consciousness; and help, by that Brotherly Love, to dissolve much of the struggle. We have seen that leave Illumination in the place of personal opinions.

Do you remember how many times We have said: “Don't have any opinions”? I say to you today, if you want to hear the Cosmic Bell of Freedom ring throughout this Nation and the World, and especially for your own Life Streams, replace every slightest desire to express an opinion with the Cosmic Call for all the Love of the Cosmic Christ which is Above this octave, to flood forth into it and shut off all human opinions. If you will replace every opinion or desire to express them, by the Cosmic Love of the Cosmic Christ, and acknowledge My Cosmic Bell of Eternal Freedom, you, yourselves, will be free sooner than you dream; because Love and Forgiveness enough will set everybody and everything on the Planet free from all that has ever been human. Opinions will never free anybody or anything in all Eternity. The more you have, the worse you get; the less you know, the more limited you are. The more you CALL THE COSMIC LOVE AND FREEDOM OF THE COSMIC CHRIST INTO THE PHYSICAL OCTAVE AND ACKNOWLEDGE THAT “I AM” THAT LOVE AND FREEDOM EXPRESSED IN ACTION, then will your Mastery just breathe through you Its Release from human limitations.

Thank you for this Ceremony this afternoon, and I bless

everyone that has come forth at this Conclave. Now begin to gather through your Decrees, the Power for Protection and Perfection in your next year's Conclave. Each Presentation, as It comes forth shall release more Power and always remain the Etheric Light Pattern at the Inner Level, until the outer physical condition has manifested to bless you and the World forever.

I thank you for all these Presentations, because they mean far more than any of you know this hour. I bless all the Precious Ones who have through the months and years past worked so incessantly to bring forth this beautiful Sanctuary and the "I AM" Youth Sanctuary upstairs. How they stood guardian against the forces that did not want this to come about. We bless those Precious Life Streams, and I ask you to bless them as they will bless all, as you will bless all, as We bless all continually.

Just do not be concerned about anything except to call forth the Perfection and Protection of the Cosmic Christ. Pour forth Its Kindliness, and command Its Love to do all things perfectly; and with all the Love and Blessings of My Heart, you, My Beloved Ones of the Light, Oh, be of good cheer! Be of good cheer! Be of good cheer, I say! Call without limit for the Love of the Cosmic Christ to be Its Mightiest Outpouring, and you shall know such Mastery and Accomplishment as you have never dreamed could come through you. Quickly will time and space fade from your world; and you will move forward and do That for your Nation for which We have waited so long.

Now become the Manifestation of My Freedom! The Liberty Bell and Song of the Light shall be heard throughout America and then the World; and My Words of long ago shall become a Living Reality to all Life in America and the Earth: "GOD HAS GIVEN AMERICA TO THE FREE"! None are free until they know the "Mighty I AM Presence," the Ascended Host and the Full Mastery of the Cosmic Love of the Cosmic Christ. Then will you be all free! Then nothing in the Universe can express anything to you but its Perfection. Make yourselves the Mightiest Outpouring of that Blessing to all.

Beloved Ones, remember, no matter where My Body is in

this Universe. "I AM" never any farther away from you than your own Heartbeat and your own love, your own thoughts and your own feelings! You are a Part of My Life, for I drew you into My Aura when you became a real "I AM" Student. I surely know where My Life is in this Universe; therefore, when your thought and feeling come to Me, "I AM" there instantly to release whatever Power you desire to produce Perfection and help Me set My Beloved America Free, and through America, the World!

We live to expand that Cosmic Love of the Cosmic Christ for within It is the most Magnificent Glory, the Mightiest Power, the Limitless Victory and such Joy as mankind cannot understand, until they have become Its Blazing Flame of Freedom for Eternity.

Thank you, Beloved Precious "I AM" Ascended Master Youth of Philadelphia, Chicago, America and the World. Just know, Beloved Ones, you are the Bell of Freedom – the Liberty Bell of Freedom to the entire Younger Generation! BE it in reality, and bring those Blessed Ones into the Freedom and Love of the Cosmic Christ forever.

Thank you so much!
