

BELOVED MIGHTY VICTORY'S DISCOURSE

SHASTA SPRINGS, CALIFORNIA

AUGUST 12, 1954

RECORD – CD 179

BELOVED ONES OF MY HEART, if you will enter tonight with Me into the release which I have prepared for you, I trust you will feel the Power of the Silence as you have never know It before; and It will be for you a RENEWING ACTIVITY within you of which you will be very conscious, as you use Its Power in outer conditions to more quickly attain your Victory and bring the Victory of the Light everywhere.

That which I wish to speak of tonight is your Call for the Release from your own "Blessed I AM Presence" and the Ascended Host, of an INNER ESSENCE into your outer selves from your Higher Mental Bodies, that will more quickly bring about the Perfection you desire, and release to you the Greater Power to set your fellow man Free and to manifest that Freedom yourselves.

This INNER ESSENCE of which I speak, is the Victory and Power of Light, that when once released into and through the outer form of the physical body, gives you the Use of the greater Powers of your Higher Mental Bodies in such wonderful co-operation, and so much greater Power, that It will enable you to accomplish a great deal more in a very much shorter time than you have ever been able to do in any of the embodiments of the past. This becomes for you a strengthening power from the Great Central Sun, and with Conscious Recognition and Use of It in a very short time, you will become clearly aware of your ability to draw forth into outer conditions the Perfection of your Higher Mental Body, and use that Perfection to more quickly bring the Victory of God everywhere.

Now this INNER ESSENCE of which I speak, IS AN ACTUAL RELEASE OF THE LIQUID LIGHT FROM THE HEART FLAME OF YOUR HIGHER MENTAL BODY INTO

THE NERVOUS SYSTEM OF THE PHYSICAL FORM! This will be for you a Powerful Sustaining Energy. It will give you much greater Strength, and you will become aware of an ability to do many things well, that heretofore have seemed to be a struggle and a battling through, so to speak, of human resistance.

This Essence, from time to time, has been released through various Activities of the Sacred Fire in ages past; but those of you who under This Law may now, by Conscious Call, Conscious Command, and by your determined Obedience and intense Love for the use of this Greater Perfection of Life, draw It quickly into outer physical conditions for your Greater Freedom, your Greater Protection to that which is entrusted to your care, and for the Greater Victorious Accomplishment that lies ahead of you in your "I AM COME" Pageant and Film, in the moving picture activities, and many of the other activities that must come now into use in the physical octave to release the added Power needed to lay the foundation of the new civilization, and release Its operation into the world about you.

This will bring you very great Joy, and almost an overwhelming exhilaration of the certainty of your ability to accomplish anything constructive to which you place your hand; and therefore, "I AM," because of This, the Bearer of Great Joy. A Joy that brings Victory without limit everywhere at your Command.

You have been calling for Miracles; you have been calling for your God-Victory; you have been calling your God-Power; now this INNER ESSENCE contains them all, and is the Release into your outer use of the Great God-Powers of your own Life Stream — some of which have been stored in your Causal Bodies, and some of which you have never yet drawn forth into outer physical action. Certain Powers of your Higher Mental Bodies that are awaiting your use in the coming civilization must come forth by Conscious Command; and since these Powers must use Greater Energy in your physical activities, the Release of this INNER ESSENCE from the Heart Flame of your own Higher Mental Bodies, will bring into outer conditions around

you the Perfection that is to be made Eternal to the Earth, and is the Perfection from the Ascended Masters' Octave that should long ago have filled the World.

When I issued that Command that the old occult law of human creation must be set aside, and the Victory of Our Octave of Life take its place, it was because the Cosmic Law demands this which I have brought to your attention tonight in order to accomplish that Victory.

If you will begin to hold the picture and love your "Mighty I AM Presence" and Higher Mental Body with an intense Devotion — not tension — but loving contemplation and adoration, asking It to fill the outer self with its INNER ESSENCE that Its Full Perfection may express through you now, you will go forth to Victorious Achievement with every great speed.

This has many Blessings that you cannot understand until you begin to use the Power which will reveal Itself to you, and reveal Its Gifts, as you open the way for Them to come into the physical conditions about you.

Long have We waited for this opportunity! Mighty is the Privilege that is yours, and great will be the responsibility that you face in the Use of This Power. But know It always as Invincible Perfection, that contains Boundless Joy and Mastery over all in this World. This will bring you many opportunities; and if you will follow My Revelation of This Activity tonight with Obedience to the Law of Its Requirement, Its Blessings will be boundless to you, Its Freedom inevitable, and the Joy of Its Use will reveal to mankind that the Law of the Ascended Masters' Octave is now taking Its Dominion in the physical world and the affairs of mankind.

You will find in the Use of this Essence a Greater Strength and Health in the body; and if you continue to use It under My Direction, the Youth and Beauty which you have longed to attain, you will find building into the outer form the Perfection that always comes as you near the Ascension under the Call that you have recently been making. This is a privilege beyond description, a Power that is always

Victorious, for It is the Mastery of the energy in this world by the Light Essence and Sacred Fire of the Higher Mental Body of each Life Stream, and It contains the Authority of the Sacred Fire from Our Octave, because your “Mighty I AM Presence” and Higher Mental Body and Our Octave, Our Presence, is one Presence of the Sacred Fire, and the Essence of Light. If you do not quite understand It, have no concern. It will teach you of Itself, and reveal to you within yourselves the Mighty Power of Its Authority and Command and Perfection of Life.

The Flame which the Electronic Presence of the “Mighty I AM Presence” is, as It lowers, so to speak, or diminishes some of Its Cosmic Intensity, in acting through the Higher Mental Body, brings into that Body a Liquid Light. The Electronic Presence is the Sacred Fire Presence from the Great Central Sun of the “Mighty I AM.” The Higher Mental Body is also the White Fire Presence, but within It flows this stream of Liquid Light. As you draw this Essence into the nervous system of the physical body, and into the veins and arteries of the body, by Conscious Call, by Conscious Command, by Conscious Desire, and by intense Divine Love for that Greater Perfection to come into yourselves, will you find the God Perfection of Life revealing Itself through yourselves many times before you are consciously aware that the mind has drawn It into outer action. You will find the Perfection appearing almost, I will not say without effort, but almost simultaneously with your Call to the “Presence.” This brings more Instantaneous Action in your Decrees. It will bring you Greater Supply. It will carry automatic Protection, and this INNER ESSENCE, no human thing can requalify.

So you are filling yourselves with Eternal Perfection, Eternal Power and the Eternal Authority of that Great Sacred Fire, that through this Inner Essence moves into outer action and controls conditions in a very practical, intelligent, invincible way.

It is the Sustaining, Eternal Perfection from within the Higher Mental Body and is the drawing of the Power of that Higher Mental Body into your outer use to do many wonderful

things that the world calls Miracles. It is this INNER ESSENCE that the Beloved Master Jesus and the Beloved Mighty Saint Germain had to draw into outer use, before either of Them contacted the outer world in Their Service to Life to reveal this Greater Knowledge, and try to release mankind so they might use This same Great Power to help free themselves and their fellow men. This is the Inner Power by which all have brought the Activity of the Cosmic Christ throughout the Ages to raise mankind, and by which They have accomplished and manifested the Miracles that brought their Victory and encouragement to free the rest of the world.

Therefore, tonight it was necessary to bring you to a complete stillness of the physical body, which the Hallelujah Chorus did for you all tonight in a wonderful way; and then, as the melody of "I AM" Angel Bells entered into your feeling world, the Essence began to flow. And therefore, tonight there has come into you some of This, that you may recognize Its Feeling whenever the intense stillness comes in and around you, as you send your Call to your "Blessed I AM Presence" and to Us, FOR THE RELEASE INTO OUTER ACTION OF THE INNER ESSENCE OF THE HIGHER MENTAL BODY OF EACH LIFE STREAM TO NOW DO ITS PERFECT WORK, PRODUCE ITS PERFECT MANIFESTATIONS, FLOOD FORTH ITS MIRACLES, AND DRAW ITS GIFTS INTO YOUR OUTER USE TO BLESS YOUR FELLOW MAN AND TO RAISE ALL TO THE CONSCIOUS AWARENESS OF THE "BLESSED I AM PRESENCE" AND THE FULFILLMENT OF THE DESTINY OF EACH LIFE STREAM.

As you are those who are to face the responsibilities of the Nation in the future, you need This, My Loved Ones, to stand immovable in the midst of any outer condition, and draw This INNER ESSENCE by which the Great Central Sun's Power to the Earth takes Its Dominion and moves forward in Its expansion to dissolve all that is wrong.

I thank you today for your Love and Service to the Light, for the Power that is being drawn through your rehearsals and your activities here; and that which is to come will richly reward

you for any effort you have made, in either obedience or self-control or your Service to the Light. Just in a great, natural, loving way many times a day for just a moment, with love and gratitude to your "Blessed I AM Presence," say to It with all the devotion you can command: "Fill me with your INNER ESSENCE of that Liquid Light that produces Perfection instantly for me and for all." And then go on your way, and just know that your Victory is moving through you to manifest in outer world affairs Its Freedom to Life. And those Who are My Legions of Victory will ever be watching every opportunity to give you Their Blessings to assist you in your outer activities, until there is established enough of This Perfection to arouse mankind to the realization that the end of the distress of this world is approaching, and God is taking dominion upon the Earth through the Hearts of mankind. As you realize the importance of this, it will positively be New Life in the body, blazing illumination to the mind, control of the atmosphere about you and Perfection into your affairs. And when you have drawn enough of This INNER ESSENCE from the Heart of your Mighty Higher Mental Body, the Heart Flame of your Electronic Presence of the "Mighty I AM," you will feel completely at one with Its Glorifying Power and know that It is yours to use without limit; It is yours to give without limit, and the world is starving for It. This will give you conscious control of many conditions that heretofore you have feared or dreaded to face.

So let us go forward knowing the Promise I gave you long ago, that My Victory of Hundreds of Thousands of Centuries of Victory has come now to assist you to your own. (*Applause*) Thank you, Precious Ones, and while you are standing for just a moment, will you feel It flow into the body and through you to the atmosphere about you as a Liquid Light – dazzling, expanding and blessing everywhere you abide. This will make more certain the accomplishment of your Ascension the original, Divine Way, without passing through the change called death. If you do this enough, your Heart's Call for your Ascension that way, will consciously be fulfilled. May you accept the Fullness of this reality, manifest the Truth of Its Law, and blaze the

Victory of Its Power through yourselves to all around you forever; and It will speak for Itself and prove to you what marvels abide within the Life of your own "Precious I AM Presence," that is ever waiting through Its Love to make you the Perfection of Itself.

I clothe you in My Heart's Assistance and the Love that shall always stand between you and everything in this world that is of human distress, until you come to Us forever as Life intends. Thank you with all My Heart, and may This INNER ESSENCE now make you the fullness of Its Perfection forever! Thank you, and won't you be seated.
