

BELOVED LANTO'S DISCOURSE

Through Mrs. G. W. Ballard

SHASTA SPRINGS, CALIFORNIA SEPTEMBER 24, 1953
Senior Conclave

ELOVED OF MY HEART, We come tonight with great Joy, and hope to make you feel the Fullness of the Power from the Royal Teton, which is constantly flooding to you the Mighty Victory of the Love focused there.

May you feel yourselves at all times within the Radiance of that Retreat! Know that We Who are privileged to focus the Power of God's Love and Almighty Command there, forever stand the Guard over all who know of Its Existence, and all who pour their love to Our Service to Life.

Feel with every atom of your Being the Mighty Blessings that the Great God Presence, the "Mighty I AM," has placed within the borders of your Nation. The Mighty Wisdom of the Great Beings from the Great Central Sun, Who govern this Earth, has placed within the borders of this Nation the Anchorage of Their certain Powers of Command, of Control, and of Protection to all that is constructive within your borders. Since the Greater Power of the Command of Cosmic Beings must continually hold the Guardianship within your borders against the encroaching selfishness of the masses of the World, then those of you who give recognition to the Power at the Royal Teton shall have within yourselves the Individual Focus of Our Love for you. Know with every fiber of your Being, that Power which has been anchored there for centuries, forever floods forth Its ever-expanding Victory and Power of Command!

When you realize that periodically, like the Pulsation of a Great Cosmic Heart, there has come the Release of the Great Cyclopea's Cosmic Light Ray focused within that Retreat — It has sent Its Blessings forth to the Nation and the World. Now, as those Pulsations are coming more frequently and more powerfully, the Outpouring to the Nation from Those Who direct the Sacred Fire and Their Love into that Retreat must surge into outer conditions

and hold command.

The Intensifying Action of the Power of the Sacred Fire to the Earth is coming forth in Cosmic Divine Blessings within the Nation to hold the Greater Intensification, the Purity, and Love within certain outer physical conditions. The outer world does not know this, but We are aware of it. Nevertheless, the Great Inner Pulsation of the Command to purify the Earth is coming regardless of all that is of the shadows! (*Applause — audience rising*) Thank you, Precious Ones, with all My Heart for that love and response. Won't you be seated, please, and just remain so.

Now, under the Action of the Cosmic Law, if those of you who are here tonight will turn your attention to Our Retreat sometime each day, and ask your "Mighty I AM Presence" to pour Its Love and Gratitude there, in preparation for the Outpouring at New Year's Eve, this can be of very great Assistance to you. I assure you, the Power which continues to pulsate there is of a Purity that mankind little understand! Whenever you give your attention to anything that is a definite, regular Outpouring from the Royal Teton, the "Mighty I AM Presence" of yourselves, of the Central Sun, and Physical Sun, establishes a Response to your Love! It is a steady Pulsation of the Expansion of Our Power from the Retreat, from the Physical Sun, and from the Great Central Sun. In this Three-fold Activity, you may build within your Electronic Circle, the Accumulating Power which We wish to gather around you. Then when the Greater Release comes on New Year's Eve, It enables the Outpouring of Beloved Master Jesus into outer conditions, to increase tremendously through His Great Gift to the World each year at Christmas time. All of this, My Dear Ones, will be a Tremendous Raising Power to your Nation and automatically to you, because as the Power affects the Nation, It carries you, as it were, on the crest of the wave. In that will come the much Greater Release to you individually of Our Greater Assistance, through the Greater Love which builds into you and your world.

I want to make clear to you again the difference between your Tube of Light and your Electronic Circle. Your Tube of Light is the Protection to your physical body and your mental and feeling world; but your Electronic Circle forms the Reservoir into

which is drawn the accumulating Power from the various Beings Who are assisting you. In the building of that Momentum, there comes the hour when the surge of Its Power is so great, as you make the Call for the Release of certain Powers from your “Presence” into your outer use, that It surges forward and carries into outer conditions the Fulfillment of your Call with very quick response.

In order to accomplish anything worthwhile, you must have power to do it! Energy becomes power through use! So, as you use the Great Powers of your “I AM Presence” through your Decrees and turn your attention to the Great Beings Who are giving you Assistance, the return energy through your attention brings back into your world the Power from Our World. You *can* build that to any degree whatsoever! If you understood that, you can just as easily reach up and draw this Power each day and charge It into your outer world conditions and into your Electronic Circle, as you can go into a closet and take down whatever you have stored there for future use. Just as easily as you reach up and take what you want and use it down here, can you reach into the Great Storehouse of God’s Great, Magnificent Universe and draw in, through, and around yourselves, Our Cosmic Light-Substance, Our Activities of the Sacred Fire, or Powers of Our Miracle Love and the Miracles of Perfection from Our Octave! We have created these things and they await the opportunity to be lowered into your outer physical conditions to more rapidly perfect the World.

So, as you turn your attention to the Royal Teton sometime each day, just reach up to your “Presence” and ask It and Those Who direct the Power from the Royal Teton to charge Its Invincible, Victorious Outpouring in and around your Being and world and into your Electronic Circle, and gather here as much of that Power as possible until New Year’s Eve. Then, in your love to the Master Jesus, in preparation for His coming Outpouring, do the same thing sometime each day. Through His Luminous Presence, ask Him to charge everything in your Being and world with the Substance, the Miracles, and the Victories of His Love into all physical conditions wherever you go.

Just do this — it only takes a moment to just reach up and call this forth; and whenever your “I AM Presence” and We see that

you do it regularly sometime each day, then at the Inner Level, We set a Pulsation to answer your Call and let as much come each day as can be built into you and your outer world conditions! You will find this a tremendous help both in your health, in your finances, in your business affairs, in your Mastery! You will just find more and more of the most wonderful manifestations taking place to bless you and to clothe you with their power, that you may give assistance to others and that assistance come forth instantly and be sustained.

You see, the Great Law of the Universe is a constant giving, giving, giving of that which is Greater, to that which is lesser! So the moment you reach up to your “I AM Presence” or any of the Beings Who are greater than the mankind of this World, the natural action of Life is to pour forth more of Their Life, more of Their Love, more of Their Purity and Power, by blazing more of Their Miracles into your outer use to flood this World with the Power and the things which one day will make it as Beautiful and Perfect as Our Octave of Life, which is the Ascended Masters’ Realm of Existence.

Mankind do not have these Greater Blessings in their outer use, because their attention is so tied to the things and the conditions of the outer world and to the things other people are doing, that you draw the conditions around other people into your own affairs. One of the magnificent Blessings of minding your own business is that it draws your Perfection of your “Presence” into you. Did you ever know that *your business* is God’s Business? Your business is to place God first, because there is your boundless supply. It matters not how much is in the outer world — it is less than that which is in Our Octave. So when you realize how Infinite can be the Outpouring from your “Mighty I AM Presence” and from Us, when you place your attention upon Us and cooperate with Us in what We want to do in the outer world, it brings you Boundless Blessings you know not of.

If mankind understood what a Retreat really is, they could turn their attention to any Retreat with love and gratitude to the “Mighty I AM Presence,” and receive Help. It has established those Retreats as a steady Outpouring of God’s Help to the Nation

and the World, and there is no limit to the Help that could come to change outer conditions into what they ought to be. Don't let anyone under This Radiation refer to any place they know of in the outer world as a Retreat. In the first place, the Retreats of the Ascended Masters have been established for thousands of years, and have been in existence since the beginning of this World! They are places of Power into which has been drawn the Great Activity of the Sacred Fire and the Cosmic Light-Substance from those Great Realms of Life, from the Physical Sun, and the Great Central Sun, which have created and sustained the System and are ruling with the Power of Perfection.

There is not a human being on the Earth, unascended, who can take any other human being to any Retreat of the Ascended Masters. So if they advertise that they can, they are not telling the Truth! There is no one comes to the Ascended Masters' Retreats in this World, except under escort of an Ascended Being! We do not want you to be fooled by all the reports and all the psychic nonsense which is advertised in magazines or elsewhere.

In the frightful misuse of the things of this World, mankind through selfishness have degraded and degenerated into conditions that are frightful to behold; but those who maintain Purity and want Purity, who will give obedience to the Law, who love God and want to place God first, will give this attention! Those Retreats which have been called to your attention will pour forth the daily supply of the Power of each Retreat into your outer use, to sustain you and bless you and help you — and if I were you, I would not talk about it to the outer world. If you do, you will shut off the Pulsation and Release of that Power. Just the moment you tell these things to the outer world or brag about them, that instant you close the door. If you remember what I say tonight and feel the Sacred Trust We give you and give obedience to guard It, there are many Blessings that can come to you to lift you quickly out of the limitations of the outer world; but if you flaunt It before those who do not understand the Law, or just to exploit your own selves, you will not have the Blessing.

In the Silence, My Dear Ones, is God's Greatest Power, and if mankind could understand what the Love in the Great Great

Silence is, do you know what would occur? As you stilled the outer and sent your love to the "I AM Presence," in that Intense Stillness, you would find the Power which would fulfill your Calls instantly. If you got deep into the Silence of that Great Love of your "I AM Presence," the Love of the Great Great Silence, which means the Love from the Great Central Sun, when you enter deep into the feeling of that Intense Stillness, then suddenly send forth your desire through a constructive picture, you would bring it into a physical condition. If you suddenly held your picture with great love in that Silence, it would almost lower instantly into your hands. This is part of the Power of Precipitation.

So, learn to guard the Trust your "Mighty I AM Presence," the Blessed Saint Germain, and Others of the Ascended Host have given you, in guarding the Sacred Gifts which have come forth through this "I AM" Activity. Guard them, cherish them, protect them, and love them with all your Beings. Then Greater and Greater Gifts, Greater and Greater Trusts, Greater and Greater Blessings and Powers to produce Miracles can be entrusted to your care; but if you flaunt the Gifts of God before the unawakened or before the selfishness of mankind, you but cast your pearls before those who being caught in the shadows desecrate the Gifts of God and God's Love. This Great Love to which We call your attention is the Mightiest Power in the Universe to produce Miracles for you. This is why Blessings which have been held within the Retreat of the Royal Teton for thousands and thousands of years, have been held there until the time comes when they are to be released into the service of the outer world to produce Permanent Perfection in this Land which is the Heart of God and the World.

America, the United States of America, is the Heart of God and the World. These things which have been held Sacred in the Retreats of this Nation are to be given to the outer world when the Purification has taken place, and mankind have come into the obedience by which the Cosmic Law can bring these Gifts into your outer use. Those of you who will build the Momentum within your Electronic Circle of Life, by daily charging, daily loving, and daily recognition of the Outpouring from the Retreat of the Royal

Teton, will automatically feel the Mighty Gifts and Powers of the Love from those on Venus. They are the Guardians of the Earth and the Guardians of this Nation and all that is of the Light within Her borders.

The Great Ones from Venus with the Mighty Victory, Who pour Their Blessings, are increasing Their Power, Precious Ones, just like a Heartbeat until that grows to the place where one day Its Momentum will be Self-Luminous to the physical sight of all that lives. (*Applause*) Thank you so much. Its Light must increase in order to help illumine the Earth. Therefore, the Light in you and your world can increase as your love and attention go to the Royal Teton. Ask for the Outpouring of Its Power to be drawn in and around yourselves, to increase Its Light within your Electronic Circle of Life. When that Light reaches a certain point, you may give Greater Light to the world around you. As Christmas time approaches, the Outpouring from Beloved Jesus and Blessed Mary increases to the Earth each year. As you hold your attention upon and send your love to Them, again there comes into you individually the Increasing Outpouring, until the time of Its World Release over the Seven Sacred Weeks.

If you will ask for all the Power of Purification necessary to be concentrated quickly within your Nation, it will also draw an increase of Power within yourselves and within your Electronic Circle of Life. It will build more rapidly into outer conditions the Perfection, the Power, and the Cosmic Light-Substance which We direct and which those Great Ones from Venus are constantly pouring through Their Love to the Earth. Many of Their Blessings throughout the centuries have been anchored at various places on the Earth, and that is continually flowing as a part of the Life from Venus to the Life in this World.

The magnificent Redwoods, the Sequoias, and the Mariposa trees were brought here from Venus, and They have poured Their Life through those Powers of Nature into the structure of Earth. That has gone on through the ages ever since they were brought here and that Outpouring established. It is just like the blood flowing through your veins. That Greater Life from Venus is pouring Its Purity and Love into the Earth, to help hold the Balance

against mankind's misuse of the energy of this World. So you in the same capacity can draw into your outer selves, into your outer activities of the physical world, the Greater Life and Power of Our Perfection focused into Our Retreats, which have poured forth Their Blessings periodically through the centuries. Now, you may have that every day, if you will give Us your attention and make the Call. Then be still, if it is only for one full minute, to receive the return Current, the Substance, and the Love that will as surely come to you as you open the door through your Call and hold your attention upon Us.

Beloved Ones, there is no limit to what God will give, and if you will but let that Outpouring flow to bless the outer world and raise it back to God, each Wave of Blessing to you will be Greater than the One before. Therefore, you will be glorified with Power and release Greater Blessings to the World constantly, as you receive Greater Blessings coming to yourselves. When people are self-centered, selfish and defiant, then what few Blessings they do have in the outer world compared to Ours will one day be shut off. If those Blessings are held just to themselves and not allowed to flow forth to bless the World and other people, the day comes when those Blessings are shut off.

Mankind have closed the door themselves against the Bounty of God because they have ignored the Source that gives them all Supply. The individual who will place the "Mighty I AM Presence" first and give It love and undivided attention at certain intervals, will find the "Presence" will flood into your outer use, Its ever-increasing Blessings and Outpouring into this World and into the Universe wherever you abide. There is no such thing as a limitation to the Gifts of God if one will just place that "I AM Presence" first, and send the Love to open the door by which the Gifts can be given.

We have constantly, through the years, explained to the "I AM" Students what is necessary to bring them the Unlimited Release of what they require in this World to fulfill the Divine Plan; but when people come into This Activity just to solve their problems or to get things, they only open the door partially to the Light. If they love This Activity because of their love of the Light,

and they want to love the “Presence” first and place It first and give It everything first, well, then there isn’t a thing the “Presence” will withhold from you. We want you to have more things of the right kind. Do you know why? Because We want you to do greater things in the outer world to give Blessing to Life and set mankind free more quickly. Since the Great Cosmic Law is ever seeking an opening whereby It may expand the Light of Itself through the manifestations of the physical world, and since the physical world needs this help, those who will understand this which I have given tonight may have the periodical release from channels that the outer world cannot control.

How secure can you tell me is the world of supply in outer channels this hour? How can anyone be absolutely certain twenty-four hours hence that the outer world’s means of supply are going to be sustained? But when you come back to your “Presence” and know that the “Presence” is part of yourself, and you give It all the Love that opens the door, you have entered into the Channel of Supply that is secure for Eternity, and that is a vastly different thing from leaning upon the world of appearances and expecting it to always be sustained. If you send your love to your “Presence” and place it there first, your “Presence” will sustain your outer supply if you will give your Decree, hold the harmony, use the Violet Flame; but it takes your obedience to your “Mighty I AM Presence” sustained in order for Its Outpouring to be sustained continuously in outer conditions.

If you sustain your attention to your “Presence,” give It your love first, and give It your obedience, you will find It will sustain every Blessing to you and your world — and that’s more than all the channels of the outer world can offer you. If you sustain your attention to the outer world without going back to your “Presence,” you won’t have any condition long, because where that God Presence, the “Mighty I AM,” is not placed first and loved first and obeyed first, there is no Eternal Heart Center to sustain anything you wish to accomplish in the outer world. Therefore, what you do in the outer world cannot be permanently sustained unless the “Mighty I AM Presence” is placed first and loved first and obeyed first, for there is the Life that sustains

Perfection in outer conditions.

My Dear Ones, you don't have to keep your attention on money all the time in order to have the things of this World. That is but the hypnotic suggestion of the outer selfishness of mankind. We have created magnificent conditions in Our Great Octave of Life — We have Our Magnificent Homes and Temples there, filled with magnificent things — and We don't keep Our Attention on money in order to attain that. We placed Our Attention on that Heart Flame and loved It so intensely, We entered in, and in that Heart Flame is the Divine Design, the Love, the Substance, the Power and the Activity that became instantly, as soon as We desired to use it, the thing We wished to use in Our Temples. Our Temples of the Sacred Fire are so beautiful, so magnificent, so enormous in Their Magnitude and Their Decorations of Jewels of Light so magnificent as to make you speechless with adoration. When We have some Special Work to do, We change those from time to time as Our Work requires, or Our Activity, and so should it be with you.

This Messenger has seen two of the Pink Temples — one made of pink mother-of-pearl. The substance is precipitated, but it looks like pink mother-of-pearl with magnificent columns, magnificent substance, Light and Beauty indescribable in words. The other pink pearl Temple is like frosted pink pearls. What do you think those Magnificent Temples are for? Why do you think They exist? Because They are a Focus of the Love and the Power, the Beauty and the Blessing from the Pink Planet, and They are produced in the Universe for a Magnificent Service to Life. The Music that is heard within Them is indescribable in the words of this World.

These are the things, My Dear Ones, that Love designs, that Love gives, that Love sustains, and through which Love's Blessing forever flows, and so it should be with you in this physical world. Someday, sometime, somewhere, We have to begin the establishment in this Octave of the Permanent Buildings and things that are to become Eternal in this World to maintain Perfection here that glorifies the Source of Life, the "Mighty I AM," and glorifies the Life that passes this way with Happiness.

So, if you will feel very close to Us Who are privileged to direct and guard the Activities at the Royal Teton, just as surely as you turn your attention there and give obedience to the Law, will the Law's Boundless Blessings that are focused there flow into your outer use. Then as the Miracles of Perfection manifest, the outer world in astonishment will wonder what you do, and maybe someday they will learn and you can teach them.

When We have waited centuries for mankind to wake up and then the awakening is coming, sometimes We would just like to flood everything quickly and astonish them, until they love obedience; but the Cosmic Law so well knows if a thing is to be permanent, it must be built strong and perfect and protected each step of the way, until the Great God Presence is the only Commanding Authority and the only Quality and the only Power that is given acknowledgment or used or expanded to bless Life.

Now, as We go forward, We wish to concentrate in and around you all — not only this Group here, but the whole Student Body — these two Outpourings in preparation for the increased Outpouring over the Seven Sacred Weeks. Since the sinister force is planning more viciousness, We plan more Power to counteract it. That means that from every Powerhouse, which a Retreat is, must be drawn Greater Power into outer conditions. We can only draw It through those who are purified and obedient to the point where Love can come and hold command and fulfill the Divine Law as the Great Presence of Life intends.

When those Great Beings from Venus come to render Their Service on New Year's Eve, don't forget each One draws a Light Ray and pours forth the Flame of Love of some Special Activity that is focused within that Audience Chamber. So, when your love goes to those Great Beings, I assure you, all the Blessings of Their Love flood back to you Infinitely more than you can give. It but takes your recognition, your attention, your acceptance, and then your holding of the picture that is the Cup in which the Power comes and is held for your use in outer conditions.

So, just know that the Power and Outpouring of Beloved Mighty Cyclopea through that Retreat, governs, My Dear People, the Power of Sight in all of mankind. (*Applause*) Thank you,

Precious Ones. Therefore, if you will draw that Power in and around yourselves through love to your “Presence” and to the Mighty Cyclopea, that Greater Power of Perfect Sight will enable you to design perfectly the things you wish to do in outer conditions. Then your Power of Sight will see that which God sees! Then will come the Illumination from within the mind! Then will come the Power to hold the picture in the mind that produces only Happiness and Perfection and fulfills the Divine Plan for you.

Remember, your “Beloved I AM Presence” and the Mighty Cyclopea govern the Power of Sight to the people of this World. Oh, if you just knew what the love to your “Mighty I AM Presence,” the love of Its Perfect Sight would do for you in your physical sight and your Inner sight! It would clear the veil; it would remove obstruction; and it would produce for you the Perfect Pictures that will bring Perfection everywhere in your world. Remember, if you want the Perfect Sight of your “Mighty I AM Presence” in outer action and outer use, then when you pour the Heart Flame of your love to the Perfect Sight of your “Presence,” your Heart Flame of Love to the Perfect Sight of Mighty Cyclopea, the Love from your “Presence” and the Love from Mighty Cyclopea would have to pour back the Power of Perfect Sight into you! I think that is very practical both from the outer use of your physical sight and the Inner Use of the Power to hold the vision until the manifestation becomes a physical thing in outer use.

Pour your love to the Power of Perfect Sight and see what It will do for you. I will help you, and I have come to remind you to build a momentum in and around you of the Love and the Power of Perfection that is focused within that Royal Teton to give Its Blessings to Life, and which We want to draw into you and your world that you may give It to others as the Great Presence gives to us all. Then may the Limitless Powers and Blessings of the All-Seeing-Eye of God come into your outer use to bring just Perfection everywhere, that only Love can bestow.

Love that Perfection and It will love everything in you and your world into Perfect Manifestation, and the world around you will become Its World of Love, of Perfection, of My Service to

Life that brings Happiness to all forever. May you enjoy the use of these Greater Powers as you become aware of Their Presence in your outer use as this momentum is built by your attention to Us. May the Fullness of all the Blessings that come into that Royal Teton come and enfold you and bless you and take you forward to the Victory of your Heart's Desire. May that Power be increased this year at Christmas time, until the Outpouring is so terrific that It is the Action that goes forward and stills the destructive forces as quickly as possible.

So, feel you are enfolded in the Heart of Love that forever wants you Free. I hold you forever within that Love until your Freedom is Eternal in the Victory of Its Heart. Thank you so much.

GREAT COSMIC TETON FLAME!

(Alternate Line)
