BELOVED ONES OF MY HEART, it has been a long time since visits, but I have looked in upon you occasionally and was hoping for an opportunity to call on you soon, and it has arrived! (*Applause*) Now, since one of My predominant Qualities is Happiness, tonight I give you a Secret! I notice you've been using a lot of the Sacred Fire lately, so I am going to ask you to remember Me and the Love of My Heart, which I give to you, as the Sacred Fire's Freeing Happiness!

You remember the Beloved Saint Germain saying to you, that happiness is the great motor of Existence, and that *energy becomes power through use!* Well, if you choose to CALL THE SACRED FIRE'S FREEING HAPPINESS INTO YOURSELVES, AND IN, THROUGH AND AROUND YOU, and you use enough of that Freeing Happiness, I am quite sure the Sacred Fire Power will bring you many, many things that will delight you forever, and also, at the same time, will set you free!

This is a mighty Secret, Beloved Ones, and he who can stand untouched by the discord of the outer world and remember that in the love which each of you pours to your "I AM Presence," there comes back into you the Sacred Fire that is Happiness! Each of you may at all times charge yourselves or your affairs with the Sacred Fire's Freeing Happiness! Now, that is not just sensation. The Freeing Happiness of the Sacred Fire is the Eternal Harmony that contains everything you require to keep your world balanced and pouring forth the Expanding Happiness of the Sacred Fire that you are privileged to give to the rest of the Universe around you.

When, in the use of the Sacred Fire, you draw forth the Power to not only remain happy within yourselves, but to give happiness wherever you go, like the Sun gives Light to this System of Worlds, you will find your happiness ever growing greater, and it brings with it a certain Power of the Sacred Fire which, I assure

you, is a Magic Wand to control conditions in the physical world!

Sometimes people become so serious, and they try so hard to do what's right, that they tie themselves up in knots and God cannot even get through! But the Happiness of the Sacred Fire which you call forth from within your "Mighty I AM Presence," as you stand within a Pillar of Its Activity within you, you will find the weight of problems and struggle and conditions of the past that have distressed you, dropping away as if they had never been.

Now, I want you to believe Me tonight, because you say within yourselves, "Yes, that's true, but I still have to pay bills, and that doesn't make me too happy! At least to get the where-with-all to pay them!" Now, it's going to; if you are going to associate with Me, there's one thing that's absolutely imperative and inescapable! If you want My Company, you'll have to accept My Happiness! (*Applause — audience rising*) Thank you so much, Precious Ones! Won't you be seated, please, and just remain so.

Let Me show you what Happiness is within Freedom, what Happiness is within the Sacred Fire! Suppose you sit quietly, and you are contemplating something in which you have great freedom, and something you want to accomplish, and you know it has to come by the use of the Sacred Fire — for instance, the Violet Consuming Flame — did you ever notice how happy you become when you contemplate the attainment of your freedom? You know, they often say, "the anticipation of the thing is greater happiness than the actual possession of it"! Well, that depends on what the thing is! I know a lot of things people have anticipated would give them happiness, and they only brought problems; and so I am not that kind of a channel of happiness to you!

I want you to realize, when you begin to think of Freedom, the Freedom of the Ascended Masters, the Freedom America ought to have, the Freedom mankind ought to manifest, you cannot begin to think upon the Great Perfection of the Ascended Masters' Octave, which is Eternal Freedom, and the Great Beauty and Perfection and Almighty Power of the various Activities of the Sacred Fire, without feeling happiness immediately within you! For that brings into you the stillness, the peace, the enjoyment, and the contemplation of the Greater Happiness and Perfection to

which you must some day attain!

So, when you begin to charge yourselves, or even just desire the Sacred Fire's Freeing Happiness, you can hold the picture as of a Violet Flame Sun, or the Unfed Flame, or any particular Action of the Sacred Fire that you might desire at the moment. But try to remind the intellect that there is nothing but Happiness within the Sacred Fire!

I am going to touch lightly upon something to show you from Our standpoint of Life, Our Great Realm and Service to Life, what it means to bring Happiness to Life! I shall only touch lightly on this, but one day you must understand it, and one day, I hope, you can assist also, after your Ascension is complete!

When those that are taken to the compound are bound in the darkness of their own hate and their own viciousness, and because of stubbornness they do not send forth the cry, "Oh, God have Mercy," the pain and the suffering continues until that Call goes forth! When the stubbornness is consumed to the point where the outer self asks God for Mercy, asks the Source, that the outer self has condemned and refused, when the outer self turns to that Source of All, the "Mighty I AM Presence," and says, "Oh, God have Mercy," that instant one or more of the Ascended Host answers the Call by a Light Ray of Love that enfolds that Life Stream, and taking it out of the compound, and taking it to the Octave of Light, lets it rest; and when you see the expression of love and gratitude for freedom from that suffering, My Dear Ones, you will know what real Power is. You will know what real Happiness is, and you will know that you want to serve, until all Life is free from that which is not the Sacred Fire's Love and Freeing Happiness!

It is a very wonderful thing to use the Powers of Life, the Powers of the Sacred Fire to force the annihilation of the stubbornness in any part of Life that has defied the Love and the Perfection of the "Mighty I AM Presence" or the Ascended Host!

So, if you become, by your Application, a Sun Presence of the Freeing Happiness of the Sacred Fire, you will have many experiences that will bring you greater and greater happiness in everything you do in the Service of the Light, till you will not know

anything but happiness as you use the Power of the Sacred Fire more and more! You will not know anything but happiness as you call these Greater Powers of Life, which the Sacred Fire releases for your use, into outer world conditions, to set one Life Stream after another free, to move wherever you choose, and know no limitation of any kind.

The Sacred Fire Freeing Happiness is a Love to Life so great that It cannot contain anything else! You must understand that We are sealed within the Action of the Sacred Fire's Love in Tremendous Cosmic Power when We have to render that Service to those in the compound! Otherwise We could not stand it, if We did not know that We had the Power to send the Sacred Fire into and around an individual, to consume the last fragment of the stubbornness, the selfishness that has defied the Love of the "Mighty I AM Presence" and the Ascended Host! If We did not know that We had that Power, We could not force Ourselves to gaze upon the frightful conditions individuals have created in and around themselves by their own misuse of energy.

Since the world is under so much confusion in the outer activities, those of you who are holding to the Inner with this Knowledge of the "Mighty I AM Presence," can, each of you, become a powerhouse of such Sacred Fire Happiness in your love to your "Mighty I AM Presence," in your desire to render your Service to the Light, that, I tell you, you will be a benediction to the World! You will be a blessing to Life wherever you go, and Life around you will be so much raised into the greater Perfection that your love offers, that wherever you go, you are a raising presence to all Life; and you raise that Life out of its distress and into the Happiness of your Sacred Fire's Love!

I tell you, Beloved Ones, the Blessings that that Service brings back to you are Infinite and Eternal! You cannot realize just what the Magnificent, Expanding Power of the Sacred Fire Love is within you, until you see one Life Stream after another cut free from distress, purified and raised and placed upon the Pathway of Light, to go forward to the Victory of the Ascension!

My Dear Ones, there is no Joy equal to It anywhere in the Universe! So, if I may be the Reminder of that Happiness to you, I

shall have more Happiness within Me! So, let us be the Happiness Family of the Beloved Saint Germain! Everywhere We go, let us honor Him by bringing the Sacred Fire's Happiness of His Freedom to Life, that has for so long been imprisoned in the shadows of self-created distress. Then you will know that you are a Sun Presence, whose ever-expanding Radiance becomes greater and greater Power wherever you move throughout the Universe.

It's a wonderful feeling, My Dear Ones, to use the Powers of Life, the Sacred Fire, to force human stubbornness and selfishness and hate to be dissolved and consumed in front of you by your own Command! You will never know what Happiness is till you feel that Power, which you have a right to wield, enter into human creation and force the Purification that returns one Life Stream after another to the great God-way of Life, to know Freedom, and to become Freedom by that Love of the Sacred Fire! There is nothing equal to it anywhere in the Universe! And whether It be the Violet Consuming Flame, or the Unfed Flame, the Flame of the Seven Mighty Elohim, matters not! The moment you touch into the use of the Love of the Sacred Fire, you cannot feel anything but happiness within yourselves! So, if you are seeking happiness, there is a very definite place and a very definite way of accomplishing the attainment that brings to you Eternal Happiness!

If you will love to set Life free, your very happiness in the use of those Powers will automatically free you! Now, many people say, "Well, if I just get my things and everything in my world in Divine Order, then I will be able to be free to serve the Light!" Well, that's the cart before the horse! If you're going to be free to serve the Light, you must give freedom before you have freedom; and if you do not give freedom to the rest of Life by the Love of the Sacred Fire, then to some degree you are bound within the attitude that prevents you giving it!

Happiness is the great motor of existence! You cannot live without it! The wild sensation which the outer world calls happiness is not happiness! That is but the cause of great distress, most of the time!

Now, the Sacred Fire Freeing Happiness is absolutely Invincible! It's yours for Eternity! It's as free as the air you breathe. It's

all-powerful! Is there any reason you shouldn't want It? I've never found one yet! I just want you to be a Sun Presence of Its Victory, and if you want It enough, I will be with you when you receive It, and that's not a conundrum! (*Applause*) Thank you so much!

I am going to reveal a Secret to you tonight! It just happens to be My Privilege to be one of the Guardians of Beloved Saint Germain's Family; and if I have the Privilege of guarding your happiness, I am going to see that you are happy! (*Applause*) Thank you so much!

So, no matter where you move in the outer world, *feel the responsibility of carrying the Sacred Fire Happiness Freedom of Beloved Saint Germain's Mighty Knowledge of the "I AM Presence" wherever anyone is receptive to It, but never intrude It!*

You know, there is a peculiar kink in the human mind and feeling world. Just as certain as you try to make someone accept something that is good for that one, there is a peculiar contrariness in the feeling world; just as certain as you bring any pressure onto the feelings that you want to make somebody accept something good, you will find immediately a barrier arises that repels your good.

Don't let the human know that you're going to give it anything good, but in the meantime, by the power of your silence, you *ask for the enfolding Sun Presence of the Sacred Fire's Freeing Happiness, and you just be that Happiness, and let Its Radiation go forth and do for people that which It can do*, and for a certain type of individual, what the individual would never let you do through the spoken word! Just as certain as you speak a word that makes the outer self think that you want it to do something, it will immediately arise and tell you it doesn't want to do it. But if you work through the Radiation, and being unconcerned as to when the other person accepts the feeling, it will get into them in spite of everything, and they will think they want it of their own Free Will, which they will; but the Radiation is absorbed by the emotional body, and the whirls of resistance and irritation and fight have been stood aside while the Sacred Fire enters in and holds control of the feeling world, and yet you're not intruding ever upon the Free Will of the individual!

You see, through long centuries of the misuse of energy, the emotional body has been heavily charged with stubbornness and selfishness, which are in reality the same thing. That becomes like a shell around the individual, to repel what ought to be inside the individual to produce Perfection!

So, when by the Radiation of the Sacred Fire, the Violet Flame begins to flood Its Purifying Love, It enters in, consumes the shell, and the human hasn't a thing to do about it — just cannot help it! Even after that humanly qualified energy is purified and freed from the destructive qualities, the Life within it will be grateful to you! This is a powerful Secret, but everything must be done by the Sacred Fire's Dissolving, Purifying Love that brings the Happiness that is Freedom!

What would your world be like without happiness? Can you contemplate what would be the condition in this World, if happiness were not part of the Great Law of your experience here? Do you not see how necessary it is? Do you not remember in childhood, before you created so much discord, in childhood there is a carefree happiness about the Life in a child; and only when discord comes, is that happiness interfered with!

So, if you care to accept My Assistance tonight in your use of a Cosmic Sun Presence of the Freeing Happiness of the Sacred Fire's Love, you'll never have cause to regret it; and as you use It, It will teach you about Itself! You will become Its Powerhouse within you, and that gives you freedom to help Life wherever you abide to arise and go unto the Father, the "Beloved I AM Presence," and receive the Purifying Action of the Violet Consuming Flame that lets the outer self live in Happiness in the future and forget the shadows of unhappiness of the past!

There is nothing so wonderful in all Creation as that Sacred Fire's Love which sets mankind Free by the Happiness that is the birthright of every Life Stream, and is the condition in which you should have always stayed, because you were happy once for a long time; and just why you chose to experience the unhappiness of the shadows, your own Free Will will tell you, because only your desire by curiosity sought experience in channels that had turned away from the Light; and when you turn away from the

Light, you walk in the shadow of yourself, your own creation; and only when you face the Light, will you leave the shadows behind.

If you care to face the Sun Presence of the Sacred Fire's Freeing Happiness, the very Intensity and Expanding Love within you will keep you happy, and when you have happiness, you can give happiness! I am sure that you realize it's much more comfortable to live in happiness within yourselves and have happiness surrounding you, than to live without it! I am sure I don't have to argue that point! But, My Dear Ones, this Happiness of which I speak is as free as the air you breathe! It is a thing that is waiting to surge in, through, and around you from your "Beloved I AM Presence" and from all the Ascended Host! We are waiting to flood the Earth with this Freeing Happiness of the Sacred Fire's Love.

So, when you love It, when your love goes to your "I AM Presence," and you ask It to make the outer self a Sun Presence of Its Freeing Happiness and Its Sacred Fire Love, My Dear Ones, magic is a very weak word to describe what will act in you, and through you, and for you, as you allow this to become your world and make It grow by giving It to others!

When you become the Sun Presence that ever radiates the Freeing Happiness and Sacred Fire Love from the Heart of your "Presence" and the Hearts of the Ascended Host, My Dear Ones, there are no more shadows for you to experience, and those things that have been your problems, you will find have become the solution to your problems! So, after all, the Happiness I offer is very practical! There is nothing so practical in all the World as the Freeing Happiness of the Sacred Fire's Love, and in that great Forgiving, Purifying Love which the Violet Consuming Flame is to Life, surely you must realize that there is nothing but Happiness within It. It cannot produce any sensation except Happiness!

Do you remember My saying to you, that Our Hearing is perfectly good, but there is something in the Call that you need! You need this Happiness! You need the Sacred Fire's Purifying Love to bring the Freeing Happiness that is your birthright; and if you will, draw this in and around yourselves, and command

It to go forth and bless Life everywhere. Don't withhold It from any part of Life! Just flood It forth and ask the "Presence" to do for all Life, wherever you send It, whatever that Life Stream needs the most, and let It bless everything! Let It bless the Powers of Nature and Forces of the Elements! Let It bless individuals! Let It bless conditions! Let It bless everything, for It cannot do anything but bless Life; and you, in pouring out a blessing to Life, must have come back to you, more and more blessings!

So, there isn't one way by which you can fail, and there is the most wonderful success ahead of you that you've ever known, and the misery of your experience and experiment with the hordes of the shadows will have come to an end; and then, if you will help Us consume the shadows that have distressed the people of Earth, I tell you, the Powers of Nature will sing with rejoicing! They will bless you without limit, and they will give you their gifts which only they can bestow! You will make the Powers of Nature your friends, and they will be your protectors because they are happy in your radiance, and it helps to free them from the distress mankind has imposed upon them through outer world discord.

Blessed Ones, if you will do this, you will know what it means to fulfill those Words, "Let the Light shine in the darkness"; and since the darkness comprehendeth It not, as you demand the Sacred Fire's Love annihilate all darkness, so only the Freeing Happiness of the Sacred Fire remains, We will fill the World with "the Light of God that never fails," and the Sacred Fire takes Its Dominion. And when there has been enough of that drawn into your outer world conditions, We will come to you face to face; as you come and associate with each other, so will We associate with you, and the barrier of centuries will have been consumed, and once again we will live as we did in the Golden Ages of the past!

The Golden Crystal Age is entering in, so Our Presence with you is part of that Golden Age's Perfection! So, the Sacred Fire Love which We bear to you, brings Its Freeing Happiness, and as you use this more and more, the Light expands; the night of human distress is dissolved and consumed in the Dawn of everlasting Sacred Fire Sun Presence, whose Love for Eternity pours forth only the Happiness of Its Freedom and ever-expanding Activity of

beautifying the Universe in which you are privileged to live. And as you go forward, you will glorify Life everywhere with the Happiness of Eternity, and this is what I want you to experience as soon as possible! Wherever we abide, let us be the Sun of Everlasting Freedom to Life and give to weary mankind the Sacred Fire's Love and Encouragement and Happiness that lifts one Life Stream after another out of the shadows and onto the Pathway of Light, where only Perfection can be experienced in the future!

I enfold you in the Strength, the Power, and the Victory of the Great Central Sun Magnet's Sacred Fire Love, to draw you into Its great Freeing Happiness, that you may free others as We have been privileged to draw you into the freedom you have experienced thus far, and which We want you to complete by your service to the rest of Life!

I enfold you in the Freeing Happiness and Sacred Fire Love of Our Almighty Dominion, that you may forever be master over conditions in which you abide! Our Love forever calls you to your Freedom!

Thank you forever!
