

“I AM” MY COSMIC CHRIST ASCENSION FLAME!

(Alternate Line)

hat rules forevermore,
Till all God here adore!
That holds me in Its Heart,
And never from me depart!

That holds Supreme Command,
That heals all through my hand!
That Victory here compels,
Now in It here I dwell!

With such Love as none have known,
That brings to me my own!
God's Freedom to all give,
So all like God may live!

That evermore expands,
Then all God understand!
That heals and heals and heals,
Till I all God reveal!

Consumes now every wrong,
Makes me forever strong!
Till all God's Law obey,
Forever here holds sway!

And all else cease to be,
Till all God's Self here see!
Reveals God's Flame "I AM,"
Till all God understand!

Protects all I hold Dear,
That keeps my way God-clear!
Now here and for all time,
That makes all here Divine!
