

BELOVED GODDESS OF LIBERTY,
GREAT GUARDIAN OF THE FLAME!

ANGELS of the Fire! And
Great Guardian of the Flame!
All God's Fiery Legions of
Blessed Saint Germain!

Come to Earth and guard us!
Blaze Thy Powers through!
Come! Possess and rule us!
Make all bow to You!

Charge us with Thy Power!
Clothe us in Thy Flame!
Make all feel Thy Mastery!
Speak God's Cosmic Name!

All here must obey Thee!
This we all demand!
Wrong shall be consumed now!
By Thy Fiery Hand!

Thy Torch of Fire before Thee!
Makes all men do right!
The Earth does now command it!
By Thy Great Fire and Might!

Chanera
