

“I AM” DECREES BY OUR BELOVED LOTUS

Excerpts and Decrees from Beloved Jesus' Discourse
Santa Fe, New Mexico

December 30, 1950

In the Great Cosmic Law's Demand for a certain Intensity of the Activities of the Sacred Fire to come into the lower atmosphere of Earth, there are converging many streams of Energy and many Activities of the Sacred Fire into the United States of America to steady the Powers of Light here, until more of the destructive forces can be removed from the Earth.

Tomorrow night from the Royal Teton there will go forth every Power that the Great Beings who govern the coming Activity can release throughout the Nation, and there will combine with that the Mighty Outpouring from the Golden City and from Shamballa and the Retreat in Arabia. Every Retreat in the World tomorrow night will also be in action, pouring forth those Powers of the Sacred Fire to more quickly bring Peace into the outer.

Each of you may become a Pillar of that Sacred Fire which We are drawing into the outer, and demand in Its Action of the All-Christ that Its Fiery Essence enter into the structure of the Earth to bless the Powers of Nature and compel the letting go of certain destructive forces that have driven their destructively qualified energy into certain places of the Earth itself, into the very substance of the Earth; for destructive activities sometimes, as it were, fasten all their discordant energy into the Earth in order to hold a focus of activity there. We are reversing that process, and We would therefore like the cooperation of each of you to feel the necessity of calling forth the following:

1

I DEMAND THE VICTORIOUS COSMIC CHRIST FIRE FROM THE ASCENDED MASTERS' OCTAVE INTO MYSELF AND INTO THE GROUND WHEREVER I MOVE!

(This will offset much of that which is planned, if you understand This and have the feeling of Its Action in the outer.)

In the use of the expression, “the All-Christ,” that means the combined Concentrated Activity of the Higher Mental Bodies of all mankind and the Electronic Presence, and from the Ascended Masters’ Octave and the Cosmic Beings, the Great Angelic Host—Those who are Authority of that Sacred Fire to this whole System of Worlds.

Therefore, when you call forth these Activities of the Victorious Cosmic Christ Fire from Our Octave to now become the structure of Earth itself, certain Great Cosmic Beings will intensify that Fire Element into the lower atmosphere of Earth.

Therefore, I would appreciate it if you would acknowledge often:

2

“I AM” THE COSMIC LAW’S FIERY ESSENCE OF THE ALL-CHRIST, SATURATING THE CRUST OF THE EARTH; SATURATING THE MINDS AND BODIES OF MANKIND; SATURATING ALL ACTIVITIES OF OUR GOVERNMENT; AND SATURATING ALL IN OUR NATIONAL DEFENSE, AND I DEMAND THE IMMEDIATE AND VICTORIOUS END OF ALL WAR!

The Essence of the Fiery Essence of the All-Christ is the actual Liquid Light from the Higher Mental Body that is poured forth into the outer form. If you get the right feeling of This and give It attention enough, through your Calls, to keep the

door open for It to flow into the structure of Earth, It would automatically carry Health and Strength into your bodies. You can charge and qualify that with the Eternal Youth and Beauty of your Higher Mental Bodies, because It comes from there and also from Our Octave. That which has to go into the very structure of Earth itself to purify the Powers of Nature comes from Our Octave!

3

Use this exact phrase:

"I AM" THE COSMIC LAW'S FIERY ESSENCE OF THE ALL-CHRIST, CHARGING INTO THE PHYSICAL GROUND AND STRUCTURE OF EARTH, COMPELLING IMMORTAL PURITY HERE!

(This will consume much blight upon Nature and much that is called germs in the atomic structure of mankind and in the air.)

When you call the Fiery Essence of the All-Christ, you are calling the Cosmic Concentrated Liquid Light from the Ascended Masters' Octave and from your own "Mighty I AM Presence" into the outer atomic structure, both in your flesh bodies and the Earth itself. I think you will be deeply grateful to Us for the opportunity of using This.

There has been such contamination of mankind's bodies through this frightful serum, blood transfusions, and the wrong food, that there must come now some Cosmic Assistance that offsets that which the sinister force has attempted to accomplish through their frightful impurity. This will not only strengthen and purify your bodies, but It will purify the substance of the Earth, and as you call This forth with Love and Gratitude to the Beloved Lord the Maha Chohan, it will assist Him in removing from the plant life much of that which the destructive forces use to keep mankind enslaved in destructive conditions.

This which I am offering you tonight is a very Powerful Concentration and Way of quickly offsetting much that the sinister force has taken centuries to build. This is the beginning of the removal of disease from the Earth.

4

Charge yourselves every day and acknowledge:

“I AM” THE COSMIC LAW’S FIERY COURAGE OF THE ALL-CHRIST!

“I AM” THE COSMIC LAW’S FIERY STRENGTH OF THE ALL-CHRIST!

“I AM” THE COSMIC LAW’S FIERY PROTECTION OF THE ALL-CHRIST!

“I AM” THE COSMIC LAW’S FIERY VICTORY OF THE ALL-CHRIST!

“I AM” THE COSMIC LAW’S FIERY ESSENCE AND ELIXIR OF LIFE OF THE ALL-CHRIST, COMPELLING PERFECTION AND IMMORTAL PURITY HERE FOREVER!

You will move, as it were, in a World of the Fiery Essence from Our Octave, and then wherever you move, That will begin to intensify and expand into the structure of Earth.

5

I DEMAND THE COSMIC LAW’S FIERY PROTECTION AND IMMORTAL ESSENCE OF THE ALL-CHRIST IN AND AROUND ALL IN THE NATIONAL DEFENSE AND ALL UNDER THIS RADIATION!

(This is a very powerful statement, My Dear Ones!)

When you acknowledge that you are the Cosmic Law’s Fiery Essence of the All-Christ, it means that you are the Cosmic Beings’ Fiery Essence of the Life Stream, the actual Liquid Light

of the “Mighty I AM Presence” and Higher Mental Body of every human being on the Earth—as well as from Our Octave.

This is the Liquid Light which flows through the nerves as blood flows through your veins, but coming from Our Octave and from your own “Presence” under the Call of the All-Christ, It means that That can never be human, never be qualified with human limitation.

Sometimes when you feel discouraged, or as though you were carrying a load too heavy to bear, fail not to use This and you will find yourselves, in a moment, charged with a Fire that consumes the pressure of limitations or discouragement or human suggestion.

6

For Healing:

“I AM” THE COSMIC LAW’S FIERY HEALING
ESSENCE AND ELIXIR OF THE ALL-CHRIST THAT
COMPELS IMMORTAL PURITY AND PERFECTION
FOR ME (ANYONE)!

We are giving you This to strengthen you individually, and to strengthen and purify the structure of the Earth to more quickly compel destructive forces to take their claws off of the people and out of the things that belong to you.

This is an Activity, Beloved Ones, that Those of Us who gained Our Ascension long ago, under the Law of the former cycle, used to sustain the body over a period of perhaps a thousand or fifteen hundred years.

It is not well that the mass of mankind be given this Understanding until they have purified themselves by the use of the Violet Consuming Flame; but when That has been used and

a certain proportion of the human accumulation removed, then This can be given where individuals have proven that they are *not* going to serve anything except the Light that sets them free.

7

To remember what happens at the Royal Teton, take the Statement:

“I AM” THE COSMIC LAW’S FIERY MEMORY OF THE ALL-CHRIST!

(That will contain the experiences you have tomorrow night.)

This is the great Sustaining Essence that We use in Our own Bodies in the Ascended State to maintain Eternal Perfection, and if We are privileged to bring some of It into your bodies and into the body of the Earth, It will begin Its purifying, Wondrous Blessings to lift the World as It expands Our Perfection into this World.

8

I DEMAND THE FIRE WHICH THE GREAT COSMIC ANGEL DRAWS BE THE FIERY ESSENCE OF THE ALL-CHRIST, UNTIL THERE BE A VERITABLE CLOUDBURST OF THIS FIERY SUBSTANCE INTO THE ATMOSPHERE OF EARTH, AND INTO THE BODIES OF MANKIND, UNTIL THEY CEASE THEIR DISCORD FOREVER!
