

The Golden City!

GREAT ONES from the Golden City,
Flood our Earth with Thy Golden Light!
Great Ones from the Golden City,
Release *now*, all of God's Might!

Great Ones from the Golden City,
We stand and knock at Thy Door!
Great Ones from the Golden City,
Let Thy Light thru us, to Earth pour!

Great Ones from the Golden City,
Perfect Earth to Thy Glorious Height!
Great Ones from the Golden City,
Make us all now dazzling bright!

Great Ones from the Golden City,
Proclaim Thy Victory now, today!
Great Ones from the Golden City,
Possess us in Thy Mighty Ray!
