

MRS. G. W. BALLARD:

As the Beloved Morya speaks His Heart to us, we ask our “Mighty I AM Presence” to bless Him without limit. We send our Hearts’ Call to Him to draw forth into this nation—for the Assistance to Beloved Saint Germain and Beloved Jesus, and all the Great Ones who are the Authority for America’s Freedom— draw forth into our outer, physical conditions whatever Manifestations will compel mankind’s Obedience that enables the Cosmic Law, the “Mighty I AM Presence,” to set them Free.

### **BELOVED MORYA EL**

Beloved Ones of the Blessed Saint Germain’s Mighty Family of the Sacred Fire, may I be of Assistance tonight in again bringing before your attention the Acknowledgment of the Victory which must come, and come by Conscious Command of those both unascended and Ascended. Tonight it is My Privilege to remind you of the Opportunity you have to call forth the Victorious Manifestations of the various Activities of the Sacred Fire that must come into the physical atmosphere of Earth to accomplish that which has to be done in order to bring God’s Victory and Freedom to the Nation of God’s Heart. Surely you understand that *We love the world, and We do not love the rest of the world*

*less because we are guarding America.* But I tell you frankly, you were told in the beginning of this nation that it is the last surviving hope of mankind. And unless the Heart is protected, the body does not live. So you demand the Invincible, Victorious Manifestations of such Powers of the Sacred Fire in all outer activities of your nation, that it will give Us the Opportunity to bring various things within your land that will surprise the people as much as what they call the Flying Saucers. (*laughter and applause*) Thank you, Precious Ones.

You know, every time there is a Manifestation of some great Flash of Light, or some Activity of the Fire Element, everyone is in a flurry, and it's just reported here and there and everywhere. It does gain the attention of the public, doesn't it? (*laughter*) Well, there are some more things that are going to demand the attention of the public. They won't be able to resist them either! So if you will demand, with great joy, mark you, Our Invincible, Victorious Manifestations of the Sacred Fire in the atmosphere over your land, I assure you, They will be Victorious! And mankind will know more after they're through than they do before. They'll understand, don't worry! We have ways and means of compelling Illumination through the minds of mankind when the human intellect gets to the point where it thinks it's going to prevent Our Authority having control over things that belong to Us, and not to the sinister force. It doesn't quite occur to stubborn minds and stubborn feelings that they are not the authority over that which was here before they came. Strange, isn't it, that they don't get the idea. Well, there are some strange ways and means by which We can compel them to get the idea, and some of those We prefer

the most are the Invincible, Victorious Manifestations of the Sacred Fire in the atmosphere above them. And I guarantee you, they will pay attention to Us! (*applause*) Thank you, Precious Ones. Won't you be seated, please, and just remain so.

You see, for quite some time—the centuries past and present—there has been a great deal of distortion of the Truth We have told, a great deal of misrepresentation, a great deal of deliberate intention to destroy mankind. It's gone on a long time. We can afford to wait, because the Beloved Saint Germain told you long ago, We never know what failure is; for We are Immortal, and the sinister force is not! Therefore it has to come to an end sometime, and it might just as well be this time as a little later! (*applause*) Thank you, Precious Ones.

Now, when the people are through with experimenting with the lies of the sinister force, We are ready to reveal the Truth, and the Truth, being the Sacred Fire, is Its own defense, because no amount of human creation can take the Sacred Fire out of the universe. So the Sacred Fire of Eternal Truth is Its own defense, and it would not be well to oppose It. So the poor, benighted human creation—I'm not sympathetic with it—(*laughter*) must go into the Sacred Fire and cease its existence as We withdraw the electronic force from it, and compel the Purification that fulfills Our Divine Plan. And mankind who will not believe that, or agree with it, or obey that Command, will have to face the same experience as the human creation that must be compelled to cease.

This world and all its Magnificent Blessings from the Heart of the Central Sun existed long before mankind appeared upon it. It existed long before the human creation

of mankind came forth, and may I say, it existed long before communism existed. (*laughter and applause*) Thank you, Precious Ones. When poor, unfortunate individuals brag that they're going to destroy that which does not belong to them, it is time for their Illumination in ways they cannot refuse! And the Sacred Fire is a way that no part of Life can refuse. So when destructive forces begin to brag about what they're going to do to that which is greater than themselves, they are very near their end! (*applause*) Thank you, Precious Ones.

Their braggadocio is like the boy whistling in the forest to keep up his courage. When they begin to see some of their plans not succeeding, they try to run the bluff that they're going to do something bigger. That can't be! So I have appreciated tonight, more than you'll ever know, your fierce determination to stand the guard over this Beloved Land of Our Hearts, and with everything you are and have, demand America released from the claws of destruction forever. These forces that are whirling, Beloved Ones, are wholly, criminally insane. And if you were not in the Cycle of the Violet Consuming Flame, there would again come forth on the Earth conditions that would make certain individuals black magicians again. But this time, because you are in the Violet Flame Cycle, such a thing is impossible—to allow the destructive creations of individuals to be energized or sustained but a short time longer.

So with every power of your being, you should be grateful to your “Blessed I AM Presence” and the Mighty Saint Germain for His Gigantic Accomplishment in the bringing forth of this Knowledge of the “Mighty I AM Presence” that you have used to the point where you have built the momentum that can now be amplified by Cosmic

Action to bring about the Freedom of the nation, and the Release of the Earth more quickly. Various Ones whose Love was so great through the centuries, and who have drawn Great Power to produce Manifestations, have come in every age, Beloved Ones, to try to awaken mankind from the sleep of their selfishness, because selfishness and human desires of the senses are one. *There is only one thing opposed to the “Mighty I AM Presence,” and that is the selfishness of human feelings.* I am giving you a very great secret, and if you will drive right into the heart of the feeling of selfishness in individual human creation, you will be the Master of it every time.

When you call for Cosmic Christ Judgment and Cosmic Christ Annihilation of the heart of human selfishness in the feeling of mankind, I think you will be greatly delighted with the collapse of some of the forces that have opposed you. So your opportunity is very great to win your Mastery by conquering your so-called enemies. You know, you can use your enemy instead of letting your enemy use you! Instead of fighting your enemy, use him! (*laughter*) It is much greater wisdom, and if you will use Our Cosmic Command for the Invincible, Victorious Manifestations of the Sacred Fire that drive into the heart of all selfishness in the feeling of all that lives, it will strike into the animal creation—and I’m speaking of your physical animals as well as individuals’ human creation—and it will bring about the collapse of a great deal of the focus of destructive activities that must be consumed if mankind is to be saved; because so long as they go on in the vicious cycle or circle of again and again generating those destructive qualities, it would be impossible to remove the animal creation of this world. But when you strike into the heart of the selfishness in

human feelings and demand its annihilation everywhere, of the animal selfishness, you will have some very satisfactory results, and the destructive forces will have some very severe surprises.

You see, We've watched for this opportunity a long while, Beloved Ones, and mankind has gone on in the whirlwind of their own defiance. And now there must come the Manifestations of those Powers of the Sacred Fire, that when They enter into the atmosphere of Earth, mankind begin to breathe Them in, and they can't avoid it. And when they breathe in that Sacred Fire, It will consume that which is of human creation. You see, this is not exactly a contest, but it's an experience. The destructive forces want to poison your water, don't they? And so We can fill your atmosphere, through your Calls, with the Invincible, Victorious Manifestations of the Sacred Fire that mankind have to breathe in! (*applause*) Thank you, Precious Ones. And when they breathe It in, It will burn up their human creation! And if I were you, I would *call forth the Great Central Sun's Illumining, Revealing Presence, Power and Intelligence, and Activity without limit of those Manifestations of the Sacred Fire everywhere in the atmosphere of Earth that will force mankind's human selfishness to be annihilated.* And I am sure you will be very greatly gratified by the results.

So I just come tonight to visit you for a little while because it's been a long while between visits—of My Real Self. You know, the Beloved Saint Germain has had a pseudo-Saint Germain through the centuries until the black magicians were seized, and they tried to bring forth a pseudo-Me! (*laughter*) So when I say I come, My Real Self is with you. And I promise you only My Real Self

will ever come to you! Why We will just do some more *cleaning—house cleaning!* You know, it's coming *springtime, (laughter)* and we might just as well get in trim for a little more Purification!

So if you will use this Decree to *drive into the heart of the selfishness in human feelings in your government, in your people, everywhere in your land, everywhere in the world,* you will shatter one plan after another that holds the energy focused into destructive activities, and this will crack apart many of their plans, and much of their destructive intent will die before it lives. (*applause*) Thank you, Precious Ones.

Beloved Ones, tonight, thank you for your Blessed Presence here. Thank you for your Love to Us and to the Messenger. Thank you for your Love to your nation. Thank you for your Love of the Light. And every bit of Love you send forth to that “Mighty I AM Presence” and to Us will be amplified back to you without limit, and all that is of the Light will come back to love you and bless you, and flood you with everything that the Heart of the Light contains. And so as We go into action to demand these Manifestations, just be patient, but persistent, and use the Authority of your own Conscious Command to compel that which is of the shadows to face the Sacred Fire that consumes them.

So Beloved Ones, just know that Our Heart's Flame of Eternal Love ever enfolds you to bless you, to protect you, to illumine you, and give you every good thing. And when you call forth from the Heart of the Central Sun Its Illumining, Revealing, Fiery Presence, Power, Intelligence and Activity into the heart of all selfishness in the feeling of mankind, you will find mighty changes taking place,

and your pathway will be very much easier to tread. So just feel yourselves enfolded in Our Invincible, Victorious, Fiery Manifestations of the Sacred Fire into the atmosphere about you, and just draw It in, and remember that the Great Fire Breath of the “Almighty Presence of the Mighty I AM” is that which makes Perfection live; and you may go forward and command It manifest swiftly.

I commend you to an experiment that I trust will bring you Great Joy and Mastery and Freedom, and every time that Sacred Fire blazes, doubt and fear dissolve, and selfishness must cease to be. I commend you to your Victory, and may My Power of the Sacred Fire help you in every way, and know that the Victory of My Heart’s Flame stands your Guard as you go forward to your Freedom. May every Being and Power of the Sacred Fire from tonight envelop you and become visible about you as you demand Its Manifestations take Their Dominion on the Earth for the Freedom of the nation and the world. Thank you with all My Love tonight.

MRS. G. W. BALLARD:

Thank You, “Beloved Mighty I AM Presence” and Beloved Precious Morya, for Your constant Love and Care of us all. May we render every assistance possible now, and go forward to the Victory that sets America Free.
