

## **GOD'S MIRACLES OF LOVE I NOW COMPEL!**

GOD'S MIRACLES OF LOVE I NOW COMPEL !  
(Alternate Line)

By Cosmic Love's Full Power!  
Doubled each instant each hour!  
By my "I AM Presence'" Flame!  
Through the Freedom of Saint Germain!

By my "I AM Presence'" Hand!  
Their Victory here "I AM"!  
Now They come blazing through!  
Protecting all here too!

Perfection does now come!  
Till my Earth's journey's done!  
In Everlasting Light!  
By my "I AM Presence'" Might!

They flood all where I go!  
Their Gifts God does bestow!  
"I AM" God's Great Command!  
In God's Own Heart I stand!

And evermore bestow!  
To blaze! so all may know!  
They heal now through my hands!  
Mankind Love understands!  
And for all time to come!  
Till my Ascension's won!
