

BELOVED ARCTURUS' DISCOURSE

THROUGH MRS. G. W. BALLARD
CHICAGO, ILLINOIS — JANUARY 8, 1966
CD 1206

Beloved of My Heart, tonight I trust I may bring you Help in a way that will enable you to feel a Freedom you have never quite felt before in the use of Power. Tonight I wish to make you realize just what Violet Flame Power means to Life. Ordinarily, people of the outer world, and sometimes yourselves, think of power as simply the concentration of energy, and the pressure of that to a point to overwhelm something that is already in existence—something that is some sort of a manifestation. You think of power as the force to move objects and things in the physical world. Tonight I wish you to think deeply on this which I am going to say and to make it your own, because you will feel not only a Freedom, but you will feel a sense of freedom from fear that as yet you have not completely experienced.

When you begin to call forth the Violet Flame Power of the Great Great Silence to purify and correct conditions or to move into action that which controls physical

manifestation, try to remember that Violet Flame Power is Purifying Power, and Violet Flame Power is Harmonizing Power, because at no time when you use the energy that manifests as the Violet Consuming Flame is there ever any discord. So when you call into outer physical conditions the Violet Flame Power of the Seven Mighty Elohim to purify and control those conditions or to hold Protection around that which is constructive, try to stop a moment and realize that the Power of Purifying Love from the Heart Flame of the Great Central Sun, or from your “Beloved I AM Presence” or any Ascended Master or the Cosmic Beings or from the Sevenfold Flame of the Seven Mighty Elohim in your own forehead—when you call forth the Violet Flame Power of the Seven Mighty Elohim to move into conditions the Force, that purifies and harmonizes and controls the existing manifestation!

When you think of this as the control of physical objects, that’s one thing, and you can call It forth without any limit whatsoever, and there’s nothing to fear. You could never have any discordant reaction from It. It couldn’t cause you to fear, and if It causes human creation to fear, you should be unconcerned, because the human creation knows it’s going to cease to be when Violet Flame Power is drawn into the physical octave. But what I am concerned about tonight is the use of Violet Flame Power in the mentality of mankind to force human creation to be purified or be annihilated. This is needed in the brain structure to consume the substance mankind has allowed to accumulate in the brain structure of the outer personal self that is the obstruction to the Perfection that comes forth from the Heart Flame or the Consciousness of the “Mighty I AM Presence” and Higher Mental Body. All psychic forces exist

because that substance is in the brain. So when the brain structure is to be purified, when the Higher Mental Body calls to Us for Assistance, the Violet Flame Power must be used to do that Purifying Service, to render It, and to hold Control of everything in the mind—in the mental faculties—that holds them in Perfect Balance.

When that psychic substance is in the brain structure, it interferes constantly with the reason; it interferes with the balance of the faculties of the mind, and it at all times creates discord in the emotional body. This is one source that constantly disturbs mankind's Peace and keeps the energy of the emotional body in such constant turmoil that the outer self doesn't stay quiet long enough for the Higher Mental Body to blaze Its Blessings into the outer self and hold control. I think when you begin to deeply understand the Violet Flame Power of the Seven Mighty Elohim of Creation, you can charge It in and around yourselves, or into conditions, to do anything and everything you want to do. It is part of the Sacred Fire Mastery of which the Beloved Goddess of Liberty spoke last night. When you want Mastery over the conditions, the energy and the substance and the consciousness of Life in this world, if you are going to have Purity and Harmonized Control of everything that is in manifestation, you are going to have to use Violet Flame Power—which is the Forgiving Love for which you have decreed. You can have It without any limit whatsoever to do what your consciousness cannot do when you have disturbed feeling that is going out against some other part of Life.

When someone has done something to you that is irritating, how many of you immediately feel like forgiving that individual? You know you don't! We know you don't,

too! But when you begin to use the Violet Flame Power of your “Beloved I AM Presence,” the Ascended Host, or the Great Great Silence, and you call that into a condition in the physical world where that condition is wrong, and you ask for that to be sent into the condition with enough Power, release whatever Violet Flame Power with enough Purity and Love to replace the discordant condition by the Control of the Sacred Fire, then the human creation can be consumed harmoniously. You are not connected with it, it does not come into contact with you; therefore you maintain Protection. And it is a God’s Mercy to Life for mankind to learn how to use It and be able to correct conditions without being caught in the radiation of the very discord you are trying to dispose of, by either Decrees or even physical means, when you need to give assistance. This is needed in your modern civilization more than you need food!

When you see what people try to do to give assistance in the outer world to those who need assistance, when you see sometimes what the blessed ones have to experience because they’ve tried to help someone else and some of those creations come back on them, My Dear Ones, if you love Life, you will call Violet Flame Power into these physical conditions to protect everybody and everything who is trying to hold to the constructive way of Life and give the assistance that protects that which is constructive.

Your blessed policemen and firemen who are handling conditions, and your blessed people in the medical profession or the dental world, or any channel of healing—you take your legal profession: their blessed Life Streams are trying to give service to Life and doing what they think is right to try to help someone else, or try to keep law and order

sustained. These Blessed Ones, My Dear Ones, need the Violet Flame Power from the Ascended Masters' Octave to be drawn in and around them and protect them from the discordant or destructive conditions that they are trying to dispose of in order to help Life live more harmoniously. And tonight I am pleading the cause for them! (*applause*) Thank you so much, Precious Ones. Won't you be seated, please, and just remain so.

Now there are many other channels that need this, and We are hoping you will open the Way and let these Great Rivers of Violet Flame Power flow into conditions that need purifying and controlling and balancing in order to help Life be Free. You take your school teachers, and in their handling of the present conditions of the younger generation, they need Protection. The younger generation itself needs this Violet Flame Power to purify the outer self and release it from the things that have been imposed upon the younger generation by the hordes of evil. This is the Cosmic Mastery that is the Sacred Fire's Control by purifying manifestation in order to reestablish balance and constructive activity. It's a God Mercy, and mankind everywhere should be taught to use It! When you know what's in the atmosphere of Earth, when you know what is put into the bodies of mankind through food and drink and various things that are destructive, it's no wonder this accumulates in the flesh structure. That is the obstruction to the Perfection that otherwise would be automatically flowing from the "Mighty I AM Presence" and Higher Mental Body into the outer self to enable the outer self to do that which is right.

So Blessed Ones, in order to overcome the evil mankind has generated through long misuse of the consciousness of the outer self—and which We call the race consciousness—

those of you who understand the use of the Violet Consuming Flame, We come to you to give you this Explanation to enable you to see how necessary it is to call Violet Flame Power into every condition you contact: into the air you breathe; into every bit of energy and substance with which you have to deal; into every condition you contact in the outer world; into the Powers of Nature and Forces of the Elements; into the consciousness of human beings; and into the feeling world of individuals. When people sometimes are struggling under discord and are sometimes very unpleasant, they certainly need Violet Flame Power to shut off the discord and the impurity!

So from tonight I hope you'll never again be afraid to use power. There has been so much fear taught mankind about the use of power—just accumulation of energy—of course you can misuse it! But you can't misuse energy when you call forth Violet Flame Power into a condition, or Violet Flame Power into substance that ordinarily acts destructively. You can't possibly do any harm! So the Student Body needs to be armored with this. And if you will make the Call, if you will use this in everything you do every day—just your ordinary everyday service or habits of Life—if you will charge and charge and keep on charging your “Beloved I AM Presence” and the Seven Mighty Elohim Violet Flame Power into everything to make it Pure; force it to be Pure by the Violet Flame Power We direct!

This is not a matter of you directing It. You make the Call, but We project It and We are the Source that creates It. So Blessed Ones, I hope from tonight you will sing the Song of Adoration to that Blessed Violet Consuming Flame and call Its Purifying Love, Its Violet Flame Power, into every condition you contact! There isn't a person, place, condition

and thing on this planet today that doesn't need It! So Beloved Ones, please don't forget It! Please don't fail to use It! Become a Powerhouse of Its Victory, and you will know what the Blessed Goddess of Liberty meant last night when She said, *"Use the Sacred Fire Mastery of everything in this world!"* The Violet Consuming Flame's Sacred Fire Mastery is this Power that is needed in the physical world. There isn't a human being in existence who doesn't need It. The Powers of Nature and Forces of the Elements need It! The atmosphere of Earth needs It, and God knows, the animal creation needs It! It's the only Purifying, Harmonious, Purifying Activity that Life provides!

So Blessed Ones, when you call to your "Beloved I AM Presence" for the Fiery Christ Truth concerning anything, call for the Fiery Christ Truth concerning the Violet Flame Power, and you will have all the Illumination you want! You'll have Power to use without limit; therefore, It sets you Free from the feeling of dependence on something in the physical world that you feel you can't control. If you want to call forth the Violet Flame Power and Purifying Protection on your highways, around your automobiles, and in, through and around the people who are driving them, you can render such Service to Life as you've never dreamed you could if you will set this into action tonight. (applause) Thank you so much. And since the Sevenfold Flame of the Seven Mighty Elohim is in the brain structure of every human being, the "Mighty I AM Presence" of each Life Stream, as this is called forth into outer action, will amplify that everywhere, and you can help to purify the conditions of this world harmoniously and permanently. You can be a Blessing to Life wherever you go, and there isn't one discordant thing could ever come back to you

from the use of It! It's the Mightiest Love, Forgiveness, and Mercy of the Cosmic Law, and It's Eternal Purity! So Blessed Ones, It is the Sacred Fire Mastery! **Violet Flame Power! I hope you go to sleep saying It tonight! I hope you awaken saying It, and I hope you say It all night long!** (applause) Thank you so much; and when I hear you say It, I will be expanding It! (*applause*) Thank you so much!

Now, when you call forth Unconquerable, Limitless Legions of the Angels of the Violet Consuming Flame, ask Them to concentrate such Violet Flame Power in and around the various conditions with which you come in contact everyday that They can establish a continual Flow of It. Just like you gather together wood and set it on fire and start a focus of warmth and activity of the physical fire that gives you its blessing, so can these Angels of the Violet Consuming Flame establish for Eternity a Focus of this Violet Flame Power wherever It is needed to consume the destructive etheric records, to purify, to harmonize, to protect, and to heal. It's one of the most marvelous channels of healing you could ask for; in fact, all Permanent Healing has to have some Activity of the Violet Consuming Flame. Even in the hospitals and the channels of healing in the outer world today who render certain physical service to mankind to help heal the bodies or the minds; above every building stand Groups and Legions of the Angels of the Violet Consuming Flame to help those doctors and nurses and people who are trying to give assistance in healing to help those Blessed Life Streams help others. There isn't any greater Help you could have in existence than the Violet Flame Purifying Love that is the Power of Violet Flame Control of manifestation!

So Blessed Ones, It is more valuable than all the wealth on the Earth, because It's the Power that can purify all the wealth on the Earth! And when you call forth Purifying Power into the mind, into the feeling, mankind's destructive impulses will be consumed. When you call Violet Flame Power to annihilate destructive etheric records, the Violet Consuming Flame will be released to do it. And the Seven Mighty Elohim are those who direct It through the consciousness of the individual. And We direct It many other places besides through the individual! Human beings are only a small portion of Our Service to Life.

So Beloved Ones, from tonight, I hope you will make this your Joy to use, and as you enjoy using It and see the Blessings It will bring to you and your world, I am sure the very Happiness which It brings will be a reminder to you not to forget to use It! It is Mastery! (*applause*) Thank you so much! So now the Great Cosmic Beings who wield Indescribable Power think the Violet Consuming Flame's Love and Purity, and think Violet Flame Power is important enough to enfold complete constellations in It! If It holds complete constellations in their Divine Place in the Universe, will It not hold you in your Divine Place? Will It not control you? Constellations in the Heavenly Spheres of Infinity are held in their Divine Design by Violet Flame Power! Now maybe you will understand what I mean when I want you to realize the magnitude of Its Service to Life, the Blessings It can give, the Power It has to change manifestation, and the Harmony and the Happiness and the Beauty and the Perfection which It manifests everywhere in Creation.

And your Blessed, Beloved Saint Germain—when He offered long ago His Violet Flame Miracle Mantle of Love's Mastery—is that Power of Violet Flame Love. Blessed Ones,

wear It with Honor, and honor It by what you do. But use It! Become aware of It! Fill your world with Its Power, and go forward and keep yourselves free from the conditions in the physical world that have tortured mankind long enough. And We are ready to bring the hordes of evil to an end if We may have enough of mankind to use this in the physical octave to prevent the violence and the impurity and the discord and the destruction mankind's human creation has imposed upon Life, and will impose again if it is not consumed.

So Blessed Ones, if We may have your assistance to this tonight, if you care to call into your own consciousness your "Beloved I AM Presence" and Our Sevenfold Violet Consuming Flame's Unconquerable Power of Purifying Love, Forgiveness and Mercy to Life, and Purifying Control of Life—remember, Violet Flame Power is Purifying Protection. That is why the Mighty Saint Germain gave you the Violet Flame Miracle Mantle of His Love and His Protection. He has protected you by that down through the years. So Blessed Ones, tonight call to your assistance into the physical octave the Unconquerable, Limitless Legions of the Angels of the Violet Consuming Flame's Power to overrule everything in this world, and force the Purification that does fulfill the Calls you've been giving! So from tonight I hope you will feel a Freedom in the use of this, a Joy you've never known, and experience Victory without limit—and Protection and success—as you go forward and use It. The more you use It, the more It will remind you of Itself. When you become the Fullness of Its Victorious Power, then you come into Our World for Eternity!

I trust that Our Hearts' Love for you and Our Hearts' Desire for you and Our Hearts' Victory for you will

constantly remind you that the Violet Flame Power is forever yours to use. As you pour It to the outer world and you are willing to use It to set Life Free, automatically your own Freedom is assured! May Our Love assure you of the Violet Flame Power that We are ready to release to help you release others from the distress of the centuries. Mankind's distress can come to an end now as you remember to use this and pour It forth in outer world conditions until We have removed from the Earth for Eternity mankind's miscreation.

So Blessed Ones, it was not idly, I assure you, that the Mighty Saint Germain asked you to call the Violet Flame Heart from the Great Great Silence to come forth and enfold you! That's the Violet Flame Purifying Love. And the Heart Flame is the Power of Life to compel existence to become purified and be the Perfection that is the Divine Plan fulfilled and Master of Creation! So go forward, and use, and become a Blazing Sun Presence of It. Pour It forth without limit, and feel that when you are willing to pour the Violet Flame's Purifying Love into a condition, Power is then One with you, and you are the All-controlling Presence that brings into this world the Release from Our World of what must come here to purify, control, and redesign everything in this world till the Divine Plan fulfilled for Eternity is the Magnificent Harmony, the Happiness, the Beauty, and the Perfection Life intends.

Go forward and be the Powerhouse of the Violet Consuming Flame's Power of Purity and Love and Protection wherever you abide, and use It without limit, and be the Blessing that will forever come back and bless you! Thank you with all My Heart!
