

MIGHTY SAINT GERMAIN'S DISCOURSE

THROUGH MRS. G. W. BALLARD
CHICAGO, ILLINOIS — MAY 14, 1953
CD 1843

Mrs. G. W. Ballard: As the Mighty Saint Germain speaks His Heart to us, again we send Him our Love, our Gratitude, our Devotion, and our unconditional Obedience, and thank Him forever for all that He means to the people of this world.

Mighty Saint Germain

Beloved Ones of My Heart, I want to draw to your attention tonight the use of the Power of the Violet Consuming Flame, and your Demand for Its Miracles and Manifestations to come forth into the physical conditions around you in such Power that It compels mankind's attention away from the human

desires that seek only to engulf them. There must come the Manifestations into the physical world charged with such Magnetic Power from Our Octave as to be an Irresistible Drawing upon the attention of the people of the world. In dealing with any condition of the outer world, demand the Manifestations of the Power of the Violet Consuming Flame made visible before the eyes of mankind, because the moment they see the Miracles and the Power of that Violet Flame in Its Cosmic Action, they'll turn their attention to It!—never mind, with no uncertainty! May I say, the hordes of darkness won't stand any show! (*applause*) Thank you, Precious Ones.

In giving your Decrees, I would appreciate It deeply if you would demand such Miracles and Manifestations of the Power of the Violet Consuming Flame that It becomes an Irresistible Drawing upon the attention of the people of the outer world until the forces of the darkness can no longer hold them. The hordes of evil have had their Roman Holiday! Now with your assistance there can easily come into outer physical conditions the Miracles and Manifestations of the Power of Our Violet Consuming Flame into outer activities that mankind cannot escape.

Therefore when they see the Miracles that that Power produces and they are compelled to feel the Manifestations of Its Almighty Action, they will give It their attention just as sure as they breathe. The powers of evil have gathered energy through the centuries and produced the hypnotic manifestations that hold mankind in their clutches. Now there must come the opposite of that—the Power of such Miracles and Manifestations of the Violet Consuming Flame that it forces the attention away from the hordes of evil until they are seized and bound and consumed.

We have done everything, Precious Ones, that the Cosmic Law permits, to bring to your attention this great volume of Our Knowledge, of Our Love, and the Outpouring of Our Radiation over the years past, that there might be a great quantity of this Assistance come to you so everyone can feel the use of these Magnificent Powers of Our Octave and of Our Understanding—by which you can render the Service to set yourselves free and to free your fellowmen. Never in the history of the world has there been such a volume of material given as has come forth under this Radiation in the last twenty years. It's unknown in the history of the Earth! Therefore there should be something for each one of you that is so All-powerful in your use of It, and that you love to use It with such intensity, that It gives you the Victory of your Mastery over this world, and you feel your Freedom more and more in all your outer activities—because that's where you require It. When you come into your Higher Mental Body, you are already Free; but you need to draw the Power of the Violet Consuming Flame into physical conditions with the Demand for such Miracles and Victories of Its Action in physical conditions that none can deny or oppose It, and none dare disobey. Then they will understand more of what It means to Life!

We have offered Our Love through the centuries! We have produced phenomena indescribable! It has gone on—for thousands and thousands of years there have been these Manifestations of the Heavenly Powers of God released into this world. Therefore there's no excuse for the denial of God! There is no excuse for communism or atheism or anything that denies or defies or opposes God, that "Mighty I AM Presence"! Since you have been so richly blessed by the Outpouring of Its Miracle Powers and Blessings upon

you, now as you move into action you will feel Its Presence within you doing for you things that will amaze the world. If you choose to call forth—you demand in your Decree *God revealed Master in you!* You can just as well demand the Violet Consuming Flame revealed Master in you that compels mankind to see Its Power and the Miracles It produces. Every one of you, Dear Hearts, has been blessed by It, and you've all had the Miracles of Its Wondrous Love. Every time you have sent forth your Violet Flame Decrees, more and more of Its Blessings have come forth within and around you.

Let Me tell you a secret! It isn't nearly so difficult for mankind to see that Violet Consuming Flame as you might think. There are many individuals who are not "I AM" Students who can be made to see that Violet Consuming Flame just as easily as you can see anything as you walk along the street. There are millions that We can make see that Violet Flame. When enough of It fills the atmosphere, the lower atmosphere of Earth, they'll see It, mark My Words! (*applause*) Thank you, Precious Ones.

So don't hesitate to call all the Power you want of that Violet Consuming Flame! Demand all the Miracles you want of that Violet Consuming Flame! Demand all the Manifestations you want of that Violet Consuming Flame, and compel Its Victory revealed to mankind through yourselves, through your affairs, through all your outer activities, till mankind understand It and know Its Reality and bow to Its Power and Authority. It must come! We do Our part from Our Octave; and therefore if you demand the Presence of that Violet Consuming Flame made visible to everything that lives, mankind will awaken and learn what they need to know! That Violet Consuming Flame

can compel mankind to awaken from their human desires and make them know they must go Godward at this time, because there is a Consciousness within that Violet Consuming Flame that will compel mankind to understand; and that's what they require. The intellect has become so clouded with human concepts due to the discord in the feelings of the emotional body that it has lost the understanding of that Violet Consuming Flame which mankind had long centuries ago. Now with your Demand for the Power of that Violet Consuming Flame to compel mankind to behold Its Miracles and Its Manifestations, It will force them to understand, and the misconcepts of human creation will have to let go.

May I tell you a secret tonight—another one? (*applause*) Thank you, Precious Ones. They don't quite know this in the outer intellect yet, but shortly they will. The scientific world is going to be compelled through their own channels to see and know something of this Inner Violet Consuming Flame. They won't want to reveal It at first, but It will force them to understand Itself until they do. (*applause*) Thank you, Precious Ones. They have chosen to pry from the Powers of Nature the atomic energy, and they don't understand that in the Powers of Nature are certain Actions of the Violet Consuming Flame which are going to force them to understand It by their own experiments. (*applause*) Thank you, Precious Ones. When they begin to deal with atomic energy for motive power and commercial purposes, there is going to come a forced purification of both their mentality and their feeling world. When they begin to deal with that, they are going to deal with the Vibratory Action from the Great Central Sun that is the Greater Master over this world than they are!

When they think to use the Electronic Force of the Universe just for their own gratification, there will come a tremendous Illumination—which they need much! They have sought to use the Powers of the Universe for their diabolical ends, and they are going to have to face their own creation. As it comes back, they will be compelled to understand certain things, and the Violet Consuming Flame is one of them! I am Master of that! That's part of My Service to the Earth, and I shall see they do understand with no uncertainty! (*applause*) Thank you, Precious Ones.

I am the Authority for the incoming Civilization. I have planned that, and since much of its manifestation depends on that Violet Consuming Flame, everybody is going to learn something about It. You can help Me by the more you use It and demand Its Power into physical conditions, and Its Miracles and Manifestations to come before mankind that force them to learn Its Authority and Its Dominion over this world. You will do mankind a very great favor as you've helped to bring them to the point where the very magnetic pull of their attention upon that Violet Consuming Flame will force some of their human desires and selfishness to let go. That Violet Consuming Flame has to come, My Dear Ones, to consume the selfishness that mankind have generated through the centuries. It's the Way the Cosmic Law provides to consume mankind's human creation. Therefore if they are forced to see Its Power in Action that produces Miracles and Manifestations from which they cannot escape, I assure you, they will learn something about It! We've tolerated their nonsense long enough, and certain groups of mankind on this Earth are riding to their annihilation.

Your war makers of the world have for century upon century upon century tried to destroy the Handiwork of God, and now they must reap the results. The nation that wants to destroy America, be it individual, groups, or all the nations, must face the recoil of their own intent against the Nation of My Heart, against the Nation of the Light, against the Heart of the World—which America is! (*long applause*) Thank you, Precious Hearts, with all My Love, for that response. It shall go on with a Blaze of Violet Consuming Flame to forever expand and fulfill your Calls. Won't you be seated, please.

Now I have tried century after century to bring this Knowledge of this “Mighty I AM Presence” to one nation after another; and since the United States of America is the only Nation that responded to Me, then I will respond to Her! (*applause*) Thank you, Precious Hearts, with all My Love. Since She is the Violet Flame Nation of the Earth, then as you demand the Power of the Violet Consuming Flame and the Miracles and Manifestations of Its Freedom to the Nation, then there will come the Response to your Calls that will force the people to see It, to understand It, and to be held by It until their attention no longer goes to that which seeks to destroy them.

The hordes of evil throughout the world have gotten one nation after another into their clutches because of human desire alone. Therefore since there were enough people in the United States of America to turn to Me when I offered this Light of the “Mighty I AM Presence” and the use of the Violet Consuming Flame, then the Light in those people is the Cup of Light that is the Light of the world. I tell you, because of human selfishness and frightful destructive human desire, mankind throughout the Earth

are caught in a seething blackness, that unless you could see it from the Inner Level, you would scarcely realize how terrifying it is. You stand here tonight in the Radiance of this room, and from the Inner level sealed in *a Pillar of that Sacred Fire* from Our Octave that is a Dazzling Light. Each of you can go forth the Sun Presence of My Violet Consuming Flame. It is not idly that I clothed you in My Violet Mantle the other night. I have done that with very definite intent because of the requirement of your Service in the future. That is a Gift for Eternity in Recognition for your Service to the Light of My Heart. Fail not! (*applause*) Thank you, My Loved Ones, with all My Heart. As you stand for just a moment, won't you continue to give that Violet Cape recognition and feel Its Presence about you; for It is a Focus of this very Power of the Violet Consuming Flame which I have called to your attention, and contains within It the Miracles that I ask you to call forth, and the Manifestations that you can have as that becomes an awareness about you of My Power—of My Love to give you the Freedom that you crave. I say with the Beloved Master Jesus, *charge yourselves with the continuous awareness of Its Presence, and Its Use and Its Power about you!* Won't you be seated, please.

This has a Mighty Action, Beloved Ones, to hold a certain Purification around you that will be an incentive to mankind in the outer world that you meet—to want to rise out of the impurity that has been imposed upon them; for I assure you, at least seventy-five percent of the filth and the impurity that has come within the United States of America over the last thirty years has been imposed upon your Nation and was not generated by

the people themselves since the first World War. That has been imposed upon your people by deliberate, consciously projected intents of the sinister force.

The forces that made the first world war in Europe are the forces that have imposed that upon your Nation. The original native people of this Land did not generate the filth that has been imposed upon you over the last forty years! That is why I ask you; demand the Power of this Violet Consuming Flame that compels the Miracles and the Manifestations to come forth around you and through you that forces mankind's attention upon the "Mighty I AM Presence" and this Violet Consuming Flame until they no longer want to look to the hordes of the shadows!

The nations that have sought to deprave and enslave and destroy America are going to meet the retribution of their filth just as surely as they exist, and you don't have to be any part of that! That same group of individuals over the last fifty years, since this century began, have been responsible for the same destruction all over the world. It is a handful of individuals whose human accumulation through the centuries has been diabolical, and if it were not that you have entered into the Age of the Violet Consuming Flame, and the black magicians were taken, they would become black magicians. But since the cycle has closed for that to occur, when those individual leave those bodies, they will face the Purification where It will compel them to bow to that which is of the Light. I have for a long time watched their depredations upon mankind, and every time they have done those diabolical things, with the Master Jesus I have stood and made a Vow to the annihilation of their filth! Therefore I am the Authority, and I have the responsibility of the removal of their frightful crime against

Life. And I shall remove It! (*applause*) Thank you, Beloved Ones. May your Power go forth tonight of that Violet Consuming Flame in Cosmic Action that shall shatter for Eternity the grip of the hordes of darkness upon the Life of this world. May all the Power necessary clothe you tonight with every Miracle your Hearts could desire, and with all the Manifestations necessary that will compel mankind to understand this Gift which I have brought, and the use of the Violet Consuming Flame that must take Its Dominion. Thank you. Won't you be seated, please.

I will not hold you longer, but I want you to feel encouraged. The more the evil of the outer world comes to your attention, be more determined to draw and demand the Cosmic Power of the Violet Consuming Flame that wipes that evil out of existence before it can accomplish its purpose. I am not to be mocked! All the Ascended Host and the Cosmic Beings stand with Me! Others beside Myself have taken the Vow to cleanse the Earth. There are hundreds who are All-powerful that stand with Me to fulfill My Command to free the Earth from that which dishonors God. The more you demand the Cosmic Power of the Violet Consuming Flame, the more you demand the Miracles of Its Victorious Presence, the more you demand the Manifestation of Its Overwhelming Victory, the greater will be your Service to Life, and you—automatically—yourselves must be Free!

So go forward, for long ago I clothed you in the Crystal Cap, the Crystal Armor and Crystal Cross as of a Thousand Suns, and that was to protect your mentality and your feeling world against the danger of this outer filth. You have responded to My Gift, and therefore as My Violet Mantle unfolds you in the Cosmic Power to fulfill your Calls will

those Calls come into the physical conditions of this world to render their Service and reveal the Victory of My Light and My Freedom and My Love to the people of the Land of My Heart.

I have loved the other nations of the world, but they would not respond! I did get some response out of America, and therefore America is sealed in My Heart. You will find as you demand the Power of the Violet Consuming Flame come forth through yourselves and manifest the Miracles you desire, It will answer you, till you stand before the world and bear witness to Its Reality, Its Authority, and Its Power. I will stand beside you, and mankind will be compelled to understand this Gift I have given of that “Mighty I AM Presence” and the Law of the Violet Consuming Flame that is the only Power to purify the Earth. The Beloved Master Jesus and others of the Ascended Host have Their own Mighty Gifts along with that, and They all use the Violet Consuming Flame when it’s necessary to purify mankind’s creation.

So go forth! Know that you are clothed in the Luminous Presence of any one or all of the Ascended Host—to bring that Victory to Earth, to reveal that “Presence” in yourselves, to stand Master over the hordes of darkness until they are compelled to be purified. Know that Our Love, Eternal in Its Great Master Command of Life, ever abides about you as Invincible Protection. Go forward and be the Freedom that is your Destiny, and command with the Authority and Power of that Violet Consuming Flame that all must one day understand and use before they can ever be Free. Fill your Nation with the Glory of Its Presence, and demand that It holds Command where the hordes of darkness heretofore have been! Demand

that Violet Flame Government of your Nation! Demand the Violet Flame Desires fill the people of the Land and consume that which has no right to be! Know always that those Blessed Angels of the Violet Consuming Flame, as you call these Powers into the physical world, will come in Legions to fulfill the Great Divine Plan. They bring the Love that forever annihilates the frightful conditions of the hordes of darkness. Your Power is without limit! Go forth and use It! There is nothing to fear in the use of that Violet Flame Power! Use It, and reveal Its Master Authority and Love and Freedom to Life. I clothe you in all that you can ever use. Go forth and know that your Freedom is assured. Thank you with all My Heart!

Mrs. G. W. Ballard: Beloved Saint Germain, thank you, Precious Heart, for Your Love and Blessings to us through the ages. Now may we repay that by our Service to the Land of Your Heart and the Freedom which You are to the Earth. May the Power of that Violet Consuming Flame, without any limit whatsoever, surge in, through, and around us all, and reveal Itself to mankind until Its Miracles and Victories speak for themselves and bear witness to Your Love of the ages.
