Mrs. G. W. Ballard: As the Mighty Beloved Polaris speaks His Heart to us, we ask our "Mighty I AM Presence" to bless Him, and we pour all the Love we know how to send forth—and gratitude to Him—for all that He means to our Life Streams and to the Life in this System of Worlds.

THE MIGHTY BELOVED POLARIS

eloved Ones of God's Heart, as We come into the atmosphere of Earth tonight to release again the Cosmic Love from the Heart of Creation, We thank you for the Light about you. We thank you for the Love that has held you to the Light. And now may We return a thousandfold all the Love you have given by Our Protection and Love to you; for there comes from out the Heart of the Great Great Silence that ever-increasing Release of the Sacred Fire which, after all, is the Guarding Presence to that which is constructive.

In the Light which We give to this System of Worlds, there flows constantly a Power of Love from the Heart of the Universe that sustains the Activity of Perfection in the Manifestation of this System of Worlds as the Life from your "Mighty I AM Presence" sustains your body through the spinal cord. The Cosmic Pole to the Earth—the Celestial Pole to what you call your Universe—contains within It the Will and the Love and the Focus of Power from the Central Sun that is the magnetic attraction that holds a System of Worlds together and holds them in their orbit as they travel throughout space.

And so it is with you, but in a lesser degree—there is constantly coming to the people of Earth who will accept the Blessing that Life is constantly surging to bestow from the great Powers of Perfection of the Heart Activity of the Love of Creation. As Our Life is given to this System of Worlds through the various channels that dispense It, Our Life, being the greater Power in the Universe, comes forth to enfold all that is given to the outer personal self by the Higher Mental Body of each Life Stream.

Our Life guards your life by the greater enfolding Power of Our Love. And so, Beloved Ones, in understanding something of the magnificent Blessings Life has provided for mankind, you enter into the deeper, not only realization and understanding of that Life, but you enter into the deeper use of Its Boundless Powers that surge everywhere in this System of Worlds.

Ever there is a Guarding Presence, My Loved Ones, to all who sincerely want that which is right. To those who are determined to hold to that which is right, there comes Help you know not of; and all that is greater than the life of this world is ever willing to give you that which is greater for your Protection, your Illumination, and the Victory of your accomplishment to the attainment of the Ascension.

So, Beloved Ones, those who are trying to hold to what is right will ever have greater and greater Power to assist them to do right. But I sound the warning today that: to those—knowing what is right to do but deliberately defying the Law of the Universe by not doing it—are in serious distress, and will be more so. When individuals deliberately choose that which is opposed to the great Love and Blessings and Boundless Gifts from the “Beloved I AM Presence” and the Cosmic Beings who control whole Systems of Worlds, what think you can be the result of the defiance of that which is so wonderful in Its Perfection and Love to Life?

It is not well to defy the Powers of Right. It is not well to oppose that which is good; and when mankind will not obey the Heart Command of God, tragedy and distress are the only things that lie ahead for the defiance to that which is so wonderful, so All-powerful, so Beautiful in Its Glorifying Happiness to Life. All the Life that is greater than

the life in this world is ever seeking to glorify you with Happiness and lift you to greater Happiness and greater Glory and greater Creative Activity that blesses and raises all Life to greater and greater Manifestations and the Victory of Perfection always.

And I would sound the warning to the young people: tarry no longer in your experiments with your own ideas! Unless they raise you to the greater Perfection of the Ascended Host, there is no happiness ahead of you. I know things that ye know not of. I know forces that are acting in this world of which you know nothing. I have handled forces of defiance to the Perfection of God and the Love of God's Great Mercy down through the cycles of time, and I sometimes think it might be well that those who are defiant to the Law of Purity and Love and Beauty and Perfection and Justice to life were compelled once in awhile to gaze upon the forces that are waiting to strike at them.

It is not well to defy Perfection nor the Source of Love that gives It. There is no Wisdom in rebellion against the good that Love alone can bestow. So, Beloved Ones, no one has to remain in hypnotic conditions of the human creation of human desire when We stand ready with uncountable Legions of the Sacred Fire of the Angelic Host of Power indescribable—Power your intellect never understood, has never even contemplated—Power to undo mankind's frightful dishonor to God by their filth and defiance of the Purity of Our Love. What think you is the experience of mankind when mountains rise and none can stop them? I trust you will understand Me tonight. I trust I may take the rebellion out of every human being that lives—and their fierce determination to experiment with their own feelings—when this which

is but the accumulation of mankind's selfishness and filth of the past is ready to bury its opponent.

I would not, if I were you, ever defy the Purity of Life nor the Love that gives Perfection and Freedom and Release from mankind's own experiments with misery. When terror strikes, your own ideas will mean nothing; and I would rather you would not experience that terror. I would bring My Love to protect you from it if you will lift your Hearts and open them to the Mercy and the Forgiveness and the Purity of Life. It is not wise to ridicule Purity. Sooner would I pass out of a thousand embodiments, if I were an unascended being, than to even once for an instant ridicule or defy Purity; for I tell you, there is no happiness in impurity, and it demands payment. It takes its toll in suffering that is inescapable.

You cannot use this Law for the gratification of human desire and imagine you can escape its penalty. Such a thing is not possible in the Universe. Life makes restitution to Life for every bit of disobedience to the Law of Energy and Vibration, to the Law of Cause and Effect. And since it is the Light and the Cosmic Power of the Sacred Fire from Our great Realm of Existence that forms the Magnetic Pole of your Earth, We do have something to say about the Forces that act through the structure of the Earth—as well as the Life that acts through the spinal cord of every individual.

Our Love, My Dear Ones, is a Haven of Safety and Security. It is the Heart of Power more than you can ever require all the rest of Eternity. The Heart Flame of Our Love is the Victory and Power that not only creates and sustains a System of Worlds, but galaxies of Systems. And that is what the Celestial Pole to your Heavens means to Life. It is the

Magnetic Center of everything in your Universe. You wonder how I should come and reveal this to you? By projection through the channel that will let My Life and My Love and My Light flow by opening the Door through Purity, Love and Obedience. (applause—audience rising) Thank you, Precious Ones of God’s Heart. Won’t you be seated, please, and just remain so.

Try to think deeply tonight on what I am about to say; and if you care to experiment with Its use, you will find My Words true: There is nothing in this Universe that you cannot understand if you will but call forth and make the outer self the Love, the Purity, and the Obedience that lets the Light through. That is all it requires. The Call from your Heart and the Love, the Purity, and the Obedience of the outer self will clear the way for the Light from the Heart of Creation to reach through to you and reveal Itself, and reveal to you anything and everything you want to know from within the Heart of Life. There’s no place in the Universe you may not go and understand what Life is producing there when your motive is love, your energy and substance are pure, and you are Obedient to your “Blessed I AM Presence” and Us.

And there isn’t a Being of Perfection in the Universe that won’t tell you the Truth if you will provide those three conditions upon which the Light comes through untouched by the shadows of human consciousness. We are ready to tell you the greater Secrets of the Universe! We are ready to give you more Light and explain the various Activities of Life that are producing Perfection and Happiness and glorifying the Universe. We are ready to tell you, and there are infinite other Beings who are just as ready as We.

There isn't a limitation of life anywhere that can exist so long as Love and Purity and Obedience are within the feeling and the consciousness of the outer self. Life is so wonderful and so infinite. Your "Mighty I AM Presence" is so All-powerful and All-commanding that It will not withhold one thing from you if these three conditions are maintained in the outer self. And what is worth the sacrifice of contact with this Infinite All-powerful Perfection of Life to which you are entitled if you want It? What is worth the sacrifice of that—that you have in the outer world?

To use these magnificent Powers of the Sacred Fire to bring forth the Beauty and the Happiness and the Glory of the great Manifestations of the Universe is your Divine Birthright. Your powers are within Life! Your consciousness can encompass anything and everything it loves; and if the outer self is purified, that consciousness will come back and bless you with that which you love.

So, Beloved Ones, since this Magnificent Love is the Hub of the Universe, since It is Life Itself, and Life is the only way and means to produce manifestation anywhere in all Infinity, and you are Life—Life is all around you! Life acts under Law, and the Law of Life is the Law of Love at the Heart of Creation. And if the Purity is maintained in the outer self, Love will never tell you a falsehood. And that Love from the Heart of Creation is the Light that can illumine all, and it but takes your obedience to the Law of Purity to bring that Love and Its Boundless Blessings into your use while yet unascended.

And you may draw It to any Power—whatever you will—to any intensity, to produce any manifestation of Perfection so long as you want It to bless Life and lift all Life to the greater Love that releases greater Happiness and manifests

greater Perfection for all Life. And if mankind doesn't awaken soon to Obedience to the Law of Love, then there shall have to be a forced awakening. We are trusting that the intensifying Cosmic Light may interpenetrate everything fast enough and with pressure enough to awaken great numbers of mankind quickly to the acceptance of this Light, that they may cooperate with It to their own greater Freedom and Peace and Protection.

When you're asking for Freedom for your Nation, remember it depends on Purity. When you ask for Peace to the world, it depends on Purity. When you ask for boundless supply, it depends on Purity and Obedience. You can't change the Law of the Universe, Beloved Ones. It isn't possible. The great scheme of creation is based on immutable Law. You cannot take that out of existence. You cannot change that, and selfishness is but defiance to it; and all discord is some form of selfishness. All discord is based on impurity. Selfishness and impurity are both disobedience to the Law of Love, the Law of Life, the Law of Perfect Manifestation.

So as you continue in your use of the Great Forgiving Flame in the Heart of the Great Great Silence, there will come to you from time to time Wondrous Beings—wondrous beyond words to describe—who will answer your Call for Love and Mercy, who will answer your Call for Purity and Obedience, and who will help you to be strong in your outer activities, that that Light of your Strength may awaken others to the Love and Purity and Obedience that must come to bring Peace to the Earth.

So tonight there are Legions of the Sacred Fire of Our Love, Legions of the Angelic Host, Legions of Cosmic Powers and Cosmic Action that can come to your Assistance. And if

you make your decision tonight to be no part of anything in this world except the Love, the Obedience, and the Purity that keeps you ever aware of Our Presence, and ever an open channel for Our Powers to flow through you, you will have great cause for rejoicing, and you will be the outpicturing yourselves of the greater Perfection which We can bestow.

So let Us go forward, Beloved Ones of God's Heart. I have so called you tonight. I have so qualified your Love for the Light and your Service to the Light. And now may the Light in God's Heart, the "Mighty I AM Presence" of each one—of the Physical Sun and the Great Central Sun and the Great Sun Polaris—may the Light in that Heart illumine your way, enfold you, teach you all of Itself, reveal Its Truth, and be the Power by which you go forward without obstruction, without delay, and with the Power of Victorious Accomplishment that you have never felt up to this hour.

It is My Privilege to clothe you in this, that you may give your Beloved Saint Germain greater assistance in His gigantic Task of cleansing the Earth, and you may feel yourselves at one with the Beloved Master Jesus in the Authority which is His to command life to raise into His Perfection. May the Fullness of the Victory and Power of the Love, Purity, and Victory from the Great Sun Polaris shed Its Radiance around you and be a Magnet of such Power that It disconnects you from tonight from everything that is of struggle or of the shadows.

May My Heart's Love pull upon the Heart String of your own Life, and I shall tug away until I get you Free. I will draw the Heart Flame of your Life unto the Life that holds for you the Freedom that is your Destiny and the Victory that is your Power to give Peace. And so with your Heart's

Flame and My Heart's Flame, you are the Family of God's Heart. And since you are abiding within the Heart of the World, it is the Raising Action that compels the Heart of Life to expand, and raise out of the shadows of the past, and shed the Radiance that consumes the shadows of the present.

So let Us go forward to Our appointed Tasks, knowing that the Power of Our Victory is Invincible as We clothe you in the Heart Flame of Our Purity and Peace from Polaris. May It shed the Radiance of Its Sunshine Presence and make you the Glory of Its Mastery here as quickly as possible, and those under this Radiation never again know distress in mind, body, or affairs; for I assure you, within the Heart Flame of My Love there abides the Peace of Eternity and the ease of Our Mastery.

May It clothe you in your Eternal Dominion, that you may give It to others and release all from that which is not the Mercy and the Love and the Forgiveness of the Sacred Fire. I commend you to the Heart Flame of Its Eternal Glory and the Victorious Accomplishment of your Ascension as you have called. Thank you with all My Heart tonight.

Mrs. G. W. Ballard: Thank you, Beloved Polaris. And thank you Mighty Beings of the Seven Mighty Elohim for Your Love to us all, Your Willingness to give us Your Victory. And Beloved Polaris and the Angelic Host that come under Your Direction, accept our Love, our Gratitude, and our Obedience for all that you can do for us. We thank You in the name of all mankind for all you have given to us through the centuries. Now may we prove our gratitude by the love and the obedience we give to You.
