CHICAGO, ILLINOIS • APRIL 27, 1950 • RECORD CD 1412

Mrs. G.W. Ballard: As our Beloved Daddy speaks His Heart to us, we ask our “Mighty I AM Presence” to bless Him as never before; and we thank Him in the name of all mankind for all the Service to the Light He has rendered and all the Blessings He has given us through the centuries. Now may our “Presence” assist to fulfill every Desire of His Heart—and that of our Blessed Saint Germain and the Great Ones—until America is Immortally Free.

**BELOVED GODFRÉ**

ear Hearts of the Light, may We have a few moments of real enjoyment as you lift your attention to the Heights of Perfection and send your Love to your “Mighty I AM Presence” and *ask for the Cosmic Power of the Great Central Sun Magnet to flood into your feeling world and make you feel Its Power from Our Great Octave of Life.* Then with your Love to your “Presence,” as you make the Call for whatever you require in the outer, and all the Love at your command, *call forth all the Immortal Perfection of the Universe, if need be, to flood to you by the Power of the Great Central Sun Magnet and give you Its unconditional Blessing in your world and enable you to flood It out as the “Presence” floods It to you.*

Form the habit, Precious Ones, when you seem to require things in the physical, just stop a moment. Say: “My ‘Beloved I AM Presence,’ *make me the Great Central Sun Magnet, and draw all the Perfection of the Universe into my outer use; and now let the Manifestation appear!*” And then send

your Love again to your “Presence.” You begin to build this Momentum of calling all the Perfection in Creation to assist you by the Power of the Central Sun Magnet. I want this to become active for all of you—if you will do It, if it’s only once a day. Or if you say at night before you go to sleep: *“Set into action the Immortal Power of the Great Central Sun Magnet, and draw all the Perfection that Cosmic Love can bestow into me and make my world Its Flame before I return to the body in the morning.”*

I want you to gain a Momentum of this, My Precious Ones, because it takes the Love to your “Presence” and the Call for Perfection in this Acknowledgement to bring the Supply into your outer use that holds you Invincible against the outer world’s fear and constant clawing upon anything it can get to sustain itself. We want to bring you to the place whereby the very natural, attracting Power of the Love you send to your “Presence,” Its Hand reaches out and draws Perfection to you that even you do not yet know exists—Perfection that abides within the Great Cosmic Love of Creation that has never come out into dynamic Action before. It lies quiescent, My Dear Ones, in the upper atmosphere of Earth; and by Love does your “Presence” reach there and lower that Perfection into your outer use. By Love, if it be something already created in the physical octave, does your “Presence”—by the Love of Its own Heart—draw that to you into your outer use.

So I want you to form the habit of opening the Door through the Love to your “Presence.” And then by the Acknowledgement of the Cosmic Christ Power of the Great Central Sun Magnet, draw and demand all the Perfection of the Universe to flood to you, because you can have all, and you can’t take anything from anyone else, and you can have

“all,” also. Everyone else can have all, also. Do you know why? Because there is only One Life everywhere, and you are all that Life. So all can have “all of all” and nothing depletes. Isn’t that wonderful? Life within Itself is self-sustained, so whatever your Love to Life reaches up and draws into your outer use, the very Life within it sustains it in ever-expanding Perfection. All you have to do is, by Love, reach into the Power that makes It dynamically active in your Service. It always lies there, Precious Ones, already in manifestation at the Inner Level, because the moment you think of a thing, the very thought form you send forth simply goes this way and, as it were, cuts into the Universal Substance that Love provides—and the Love makes that draw into outer manifestation what you desire in Its Fulfillment.

People don’t know the Power of Our Love, Precious Ones. They don’t even know the Power of their own Love. Why, *the intense Love of the outer self to that “Presence”—with the Call for all Perfection, if need be, in the Universe to flood into your beings and worlds and keep surging out Its Blessings to all the rest of Life—why, It will lift you to the Heights, My Dear Ones, and will give you a sense of Freedom that nothing else can convey. You open the Door from the Love of your own Heart to the Heart of your “Presence”; and your “Presence,” abiding within the great Treasure House of Life, selects those things that It loves to give you because It knows they will bring Happiness to you.*

And It loves to pour those things into your outer use by Love. It loves to give you, Precious Ones, everything that makes you happy. Don’t you love to give your children that which makes them happy? Well, your “Presence”—may I say, you are the child to your “Presence”—It loves to give you the things that make you happy. So when you, by Love, reach

to It and *ask all the Perfection of the Universe to come into your outer expression to make the world around you happy*, why wouldn't It do it? That is done by the Action of the Great Central Sun Magnet, and that Magnet is Immortal Love. Isn't it your Love to Me that draws My Answer back to you to fulfill your Calls? Well then, surely your "Presence" will behave like I do. *(laughter)* It's quite natural, I assure you. O Dear Hearts, please, go into the Heart of Our Love. *Demand that your "Mighty I AM Presence" take you into the Heart of Its Love, and that rules all for you in the future.* Just experiment with It. Try It out again and again and again in order to keep yourselves disconnected from the problems or the discord of the physical world.

You could say to your "Beloved Mighty I AM Presence," *"O Beloved Mighty I AM Presence," while my body sleeps tonight, take me into the Heart of Your Love and there make me know all the Perfection in the Universe and let me love It into outer existence.*" Think of It! If you enter into the Heart of Love in your "Presence" and you *ask It to make you know all the Love in the Universe and draw all Its Perfection into your outer use*, you will complete the great Circuit of Energy that flows just naturally up into the Heart of your "Presence." And the "Presence," sending It out to bless the Universe, draws Its Perfection back into your outer use. Oh! if you could see this once, My Dear Ones, in animation, or from the Inner Level—to see how the Energy acts—could you see this just once, you would know that the Power of that Love is absolute in Its Mastery and is invincibly Supreme in Its Cosmic Power to enter the Heights of Creation and draw that Perfection here.

You can't have Perfection in this world except through the Love that comes from the outer self to the "Presence."

And the “Presence,” being One with all the Perfection of the Universe, automatically through Love lowers that Perfection into your outer use. We want you to feel this so deeply that at any moment you can just be quiet for a moment, and entering into the Feeling of the Love in the Heart of your “Presence,” begin to see and to know all the Perfection that you can draw forth into outer manifestation. It can be done! It must be done! It has been done through many centuries. We who have gone the Pathway before now are watching to assist you in every way to help you form the habit of going into that which is limitless, that you may have unconditional Freedom in the physical octave while you still remain here in your service to the Nation.

Just know and *demand that the outer self be now such a Focus of the Power of the Great Central Sun Magnet to draw all Perfection here by Its Love*, that you have but to be quiet, send your Love to the “Presence,” and there awaiting Its Release, you stand within Its own Heart’s Flame; and Its own Great, Cosmic Magnetic Attraction—while you abide within Its Heart’s Love—draws to you that which satisfies your Heart. We’ll get this thing through pretty soon, don’t worry! (*applause—audience rising*) Thank you, Precious Ones. Won’t you be seated, please.

Do you not see, every night when you have sent forth these terrific Decrees that carry such Power into outer action—that every night Someone has come and turned your attention to Love and poured Love back to you, that He or She might anchor Perfection for you to use the next day? This has been rather systematic from Our Standpoint; (*laughter*) and It has been from yours, but just know that every time you expand that Great Flame of Immortal Love, there must come more and more Happiness in and around

you. And every time you rise in the vibratory action of the outer self until, you will know with every fiber of your being the full Authority and the Feeling and the Power of that Love that commands all.

We want you to enter into that tonight because It will recharge your bodies with a very, very great deal of Its limitless Energy—and in a very short time. And the recharging of that energy into you is a very natural, easy, relaxed, joyous feeling within you. You know, when you stretch out in bed and you say, “Oh! it feels so good to lie down,” *(laughter)* you’re pouring your love to the bed about that time, *(laughter)* and so it makes you feel good. *(laughter)* Now if you’ll pour It to the “Presence,” It will make you feel, “Oh! so good.” *(laughter)* And when you ask your Love to draw to you all the Perfection of the Universe, that Perfection will make you feel “Oh! so good,” *(laughter)* just like when you stretch out at night. And even in the morning you feel, “Oh! this feels so good!” *(laughter)* It shows you what Love will do for you! *(laughter)*

Well, Our Perfection and Our Love can make you feel just as good as that bed. *(laughter)* I think a little more so. *(applause—audience rising)* Thank you so much; and while you are standing a moment, may I remind you that when you want to feel, “Oh! so good,” *(laughter)* call the Love—*first of all, send your Love to your “Presence.” Then call Its Love and that Great Cosmic Christ Love from the Great Central Sun to draw all the Perfection of Its Heart in and around you and make you feel “Oh! so good.” (laughter)* You can! Just form the habit.

When you love a thing, you feel very good; and if you loved it enough, you’d feel very good all the time. So if you don’t feel very good, then you must get busy and love

something of that “Presence”! Oh, don’t go loving some troubles and problems out here. (*laughter*) You just keep your attention to the “Presence” until it makes you feel “Oh! so good.” Won’t you be seated, please. When that Flame of Love wraps Itself around you, My Dear Ones, It charges you with Its own Power to be the Magnet that draws to yourself the Perfection that is everywhere. Even though to some appearance it apparently seems not to be, yet within the Heart of the Energy—the Pure Electronic Force of the Universal Light of which everything is composed—is that Love of Immortal Perfection. We want you to draw that forth into outer action so not only you’d feel good, but you make others feel good.

And this world needs it so much, Precious Ones. After there goes forth through your Calls the Energy that starts into action to dissolve viciousness, then turn and fill up the cup of your outer self with those great Flames of Our Love that draw to you the Perfection of the Universe and make you feel that closeness with your “Presence” and feel the Power of Our Mastery. And then even though turmoil takes place around you, you will not lose that great inner, wonderful Feeling that Perfection and Love alone can bestow. *Just be sure to draw It with all the Love at your Command. Draw It into yourselves and around yourselves each day; and command It to produce the Beauty and the Perfection that fulfills the Divine Plan* that—in the great Perfecting Process that makes you feel so good—your general Radiation to the rest of those you contact will make them feel happy and good also. And then you become the “Radiating Presence,” the “Joyous Presence” whose Love works Miracles on the moment.

You could say to your “Presence”: “O ‘Mighty I AM Presence,’ flood me with Your Love, that I may be a Magnet

*of such Miracles of the Perfection of the Universe that not one problem or discord can even find me!”* Abide within the Immortal Love of your “Presence,” and call Its Happiness in and around you until It makes you the Magnet of Itself to draw all the Perfection in Creation if need be—into your point of the Universe. Make It dynamically active. Send It forth to make others happy and feel good; and you will go on your way like the wind, reaching your destination and spreading joy wherever you go. And the world needs it. This will be a powerful, strengthening Activity to you all. It will be the Magnet that draws Supply to you. It will be the Love that keeps you happy; and in Its great, Intelligent Use and Direction of these great Inner Powers of Life’s greater Perfection, you will feel your own mastery growing stronger and stronger and stronger in the outer activities of your daily lives. And then when you really feel that you are a Magnet for all that Perfection from the Ascended Masters’ Octave, then your real Happiness will begin to come into outer, daily use.

Oh! don’t be afraid! Dear Ones, whenever anything seems to be a problem, just, may I say, escape from the problem a few moments. *Enter into the Secret Place of the Most High; and there, asking your “Mighty I AM Presence” in the Throne Room of your Being to make you feel the Perfection of Its Love and make you Its Immortal Happiness and Masterful Power in all you do in your outer affairs. Just call It forth, set It into dynamic action, command It to bring Happiness everywhere;* and then watch the Miracles that will soon begin to flood your outer activities until you just live God’s Way without interference day after day, and like the sunshine, you are able to spread Its Healing Presence to all you contact.

Just try It for tomorrow—sending your Love to your “Presence” and then saying to It: *“By the Mightiest Love in the Throne Room of my Being, draw to me all the Perfection of the Universe; and let me be Its Masterful Presence and Its Immortal Victory by the Love of Your Heart. Make me Your Heart in outer action, and compel the Joy that I desire to bring Perfection everywhere!”* And the Great Central Sun Magnet’s Great Power of Love becomes for you the Directing Intelligence of all in your world that brings Divine Order and Joy and Immortal Freedom, because you can’t have Freedom until that Love comes into you; and the Great Central Sun Magnet, in Dynamic Service, draws to you the Perfection that is everywhere—and that you make your own by use in the physical octave.

So if you care to use My Love to make you feel, “Oh! so good,” we’ll have a very delightful time. And the Great Central Sun Magnet, once you begin to feel Its Power of Love, will become a very Real, Tangible, Close Presence to you. And then you will realize, by that Love alone can you be Free, because by Its Magnetic Power It will draw to you all the Perfection of the Universe. Then the struggle is gone, the mistakes are forgiven; and the problems and the limitations that once were, will be forgotten very easily as you enter into the Activity of the Great Central Sun Magnet that keeps you so occupied with bringing the Perfection of the Universe by Its own Love into outer action, that you will have forgotten how to produce limitation and problems. And you will not even look back to see what happened to them. *(laughter)*

So, Beloved Ones, tonight I wrap you in the Love—all the Love of My Heart, all the Love at My Command. May I charge your feelings with that Drawing Power of the

Great Central Sun Magnet, that like a great, Loving Hand reaches out everywhere; and from day to day, from hour to hour, from moment to moment, draws Its Perfection to you and makes you the Mastery of Its own Happiness. May I commend you to Its Loving Presence tonight; and as you enter sleep, may you enter into the Throne Room of the Universe—the Love in the Heart of your “Presence” that sustains all Perfection and draws It into dynamic Action to bring you Its choicest Blessings and Its Immortal Happiness. And then Mastery becomes a Reality for you in your outer, daily activities until wherever you move, by that recognition of the Love in your “Presence” and the Power of the Central Sun Magnet, you will draw to yourselves your Own; and wherever you go, all will bless you. You will be a Blessing to the Universe, and you will be the Dispenser of Joy that is immortal through that Love that is Life Itself.

Thank you with all My Heart for your presence here; and may from tonight, My Love make you feel “Oh! so good!” with all of Its Perfection. Thank you.

Mrs. G.W. Ballard: Beloved Daddy, thank You for Your Love. Thank You for the Happiness You have brought us tonight. Stand our Guard and draw the Perfection of the Universe, but see that we abide in the Throne Room of Your Love to Life.
