

### **Beloved Cosmos**

If you were to say to your “Presence,” *“My ‘Beloved I AM Presence,’ Your Heart’s Flame is my Pathway today. Let me abide within the House of Your Heart.”*—you know, your Heart sometimes has been called the Throne Room of your Being; and so It is, because that—that Heart Flame—as It expands and reaches out into the world around you and you move within It, there comes within you the Power of Mastery, the Peace, the Poise, the Love you should have always given to the outer world. And there will scarcely be any sense of effort about what you do. Love from your “Presence” will take Command of your world and provide the way ahead of you, and keep it harmonious, that you may accomplish the most in the shortest time and be the greatest assistance to the Life around you wherever your “Mighty I AM Presence” wishes to bring forth Assistance.

And there in the Silence of Eternal Love, *demand the Will of God the “Mighty I AM*

*Presence” in the Great Central Sun, done in the physical problem as It is done there. And demand the Fulfillment of the Ascended Masters’ Divine Plan in the Service of your Mighty Saint Germain for the Freedom of your America, for the Purification of the Earth, for Eternal Peace to all Life. ### **Beloved Godfré**

You produce a problem by the use of your own life. Then you must produce its solution by the use of your own life. And the easiest way to do that is to enter into the Throne Room of your Being, be clothed with the Flame—now mark you, the Honor Flame of your “Beloved I AM Presence’ ” own Heart. And within the Honor Flame of Its own Love, you *issue the Command for the Victory over the problem to be charged into your feeling world.* And then as your Life goes into the problem, you will find It yielding you the Blessing and the Victory that brings you Eternal Freedom and Eternal Happiness.

### **Beloved Godfré**

When you put the body to rest, give the Acknowledgment to the “Presence,” because It can draw the Power of the Great Great Silence around the physical flesh. Place the body on the Altar of the Flame of Immortal Purity and let It work for you all night while your waking faculties go forth and do, I hope, something constructive. (*laughter*) And then when you say, “ ‘I AM’ come into the Throne Room of my Being, and I kneel at the Altar of the Sacred Fire—and there in the Temple of Life am I at peace in my own Heart’s Flame. ‘Beloved I AM Presence,’ make me the Victory of Your Heart, and see all else vanishes from my world forever!” Talk about a Prayer at night before you go to sleep!

Some of these magnificent Statements that have been given contain more Power than all the prayers that have ever been prayed on the planet through all centuries past. Any one of these magnificent Commands that We have given you in the recognition of the Sacred Fire—if used systematically with feeling and love and determination—would perfect these bodies of yours; and when you would return to them in the morning, you surely would look like Angel people.
