

I DEMAND GOD JUDGMENT NOW DESCEND!

I DEMAND GOD JUDGMENT NOW DESCEND!

(alternate line)

And take Its Cosmic Toll!
And hold here God Control!
And blast the human now!
And compel all here to bow!

And make all wrong here cease!
And compel Eternal Peace!
And blast each human plan!
And hold here God Command!

And make all here do God's Will!
Make all God's Plans fulfill!
And rule forevermore!
And all God's Victory pour!

And all God's Freedom give!
So Perfection can here live!
God's Protection here command!
In God's Heart's Flame we stand!

And blaze here all not God's Love!
Flood God's Power from above!
And make all know God's Might!
And flood all with God's Light!

In Cosmic "I AM" Power!
And take Its Toll this hour!
And blast all that is of war! (3)
And Freedom rule forevermore! (3)
"ALMIGHTY I AM"! (3)
