

THE “CRYSTAL CUP”

The “Crystal Cup” of God’s Supply
God’s Hand holds here each day!
God’s Mighty Heart is offering all
To help all live God’s Way.

The “Mighty I AM Presence’ ” Heart
Is pouring Love to all;
Its “Blazing Presence” is our Way,
Its Voice to us does call!

Its Song of Life, Perfection’s Peace
Each one on Earth can hear;
Its Light and Blessing never cease—
They’re flooding far and near.

The “Crystal Cup” is Life’s great Gift
Of Blessings from above;
It does all in this world now lift
By Cosmic, Limitless Love.

Each one must raise that “Cup” to Life
And offer all God gives;

It holds the Flame of God's own Heart
And Light by which each lives.

The "I AM Presence" holds that "Cup"
From which each one may drink;
It pours forever from above;
It gives us Life to think.

That "Crystal Cup's" Eternal Flame
Is Sacred Fire, too—
Forevermore accepts Its Gifts,
"I AM"! God's Wealth come through!
