

**GOD'S  
INVINCIBLE WEALTH  
IS FLOODING!**

**GOD'S INVINCIBLE WEALTH IS FLOODING!**  
(alternate line)

**On the Sound of Freedom's Bells!  
As each in God's Love dwells!  
In Victory o'er this world!  
With Freedom's Flag unfurled!**

**In Cosmic Full Command!  
It is God's Fiery Hand!  
All else must cease to be!  
All mankind shall be Free!**

**God's Love commands all here!  
God rules all far and near!  
For Vict'ry now commands!  
And God now holds our hands!**

**While men and Angels sing!  
Earth's Perfection now we bring!  
And all before God bow!  
We are Victorious now!**

**As Saint Germain's Bells ring!  
For Justice and Freedom sing!  
In God's Eternal Peace!  
"I AM" bringing God's Release!**

GOD'S INVINCIBLE WEALTH IS FLOODING!

(alternate line)

“I AM” the Great “I AM”!  
God's Power is at hand!  
God is controlling all!  
In Answer to our Call!

From God's Great Great Love Star!  
Blessing all near and far!  
In Oceans of Unfed Flame!  
In Sanat Kumara's Name!

For God's own New Day has come!  
The Victory of Ages is won!  
All are compelled to see!  
All must God's Light now be!

For all must now awake!  
God blesses and none forsakes!  
God floods God's Vict'ry too!  
All see It now come through!
