

GEMS OF LIGHT

GODDESS OF LIBERTY

It is not by accident, I assure you, that the Symbol of Myself stands in New York Harbor with the Flame of Liberation. (*applause*) Thank you so much, Blessed Ones. And just as that Sacred Fire stands there for the Liberation of the Nation, do I stand as your Cosmic Mother—with that same Flame—ready to liberate you from the human problems and conditions in the world around you. Tonight I offer this with all the Power of My Love, My Authority, and My Liberation to Life as you call the Sacred Fire's Ascended Master Dominion over human creation in and around yourselves for your Freedom and the Freedom of all you contact, all you love, all you have the opportunity to assist.

There are uncountable Legions of the Sacred Fire that can surround a locality or an activity or an individual on the instant with such Sacred Fire as to make everything of human creation tremble before the Power of Its Mighty All-authority and Cosmic Control. This is offered to you for your Protection, your use, and your Service to your Nation, to save and protect that which is of God within your borders—and has been given to you as God's Trust of Life to protect and assist the rest of the Life within the Nation that wants the constructive way of Life. (*applause*) Thank you so much.
