

Angels of Peace!

ANGELS OF PEACE!

(alternate line)

Descend! 'Round us stand!
Give Thy Great Command!
Compel all to bow!
Take possession right now!

Compel Victory here!
Sweep our way clear!
Protect all we hold dear!
Annihilate all fear!

Blaze the Light from Thy Crown!
Make Thy Light astound!
Perfect all today!
Forever hold sway!

Compel all Thy Peace!
Make all else now cease!
Make us blazing like Thee!
Compel us all Free!

Make Thy Light rule all!
Answer our every Call!
Make us all Thy Light, too!
Charge Thy Power clear through!

Seal us in Thy Heart!
Make all discord depart!
Consume all not like Thee!
Perfect all that we see!
