

# THE WINGS OF THE ELOHIM OPEN!

The Wings of the Elohim open!  
And Its Great Love Flame flows free!  
The Wings of the Elohim open!  
And with God's All-Seeing Eye, I now see!  
The Wings of the Elohim open!  
And God's Love flows through me from above!  
The Wings of the Elohim open!  
And "I AM" all God's Victory of Love!
