

# **Beloved Orion and Legions of Light!**

Beloved Orion, Thou “Mighty I AM,”  
Make us like Thee—all Power Divine!  
In Thy Great Realm, we hold Thy Hand;  
Through Thy Great Love, we hold Command!

Send Legions of Thy Angels Now!  
Thy Love we call to flood the Earth!  
To Thy Heart’s Flame all here shall bow;  
Thy Light and Peace give all new birth!

Thy Cosmic Power must control,  
Illumine all we ever do;  
Thy Blazing Presence we behold,  
Come! Stand beside us! Love pour through!

Enfold us in Thy Mantle bright,  
And Victory everywhere command;  
Protect us by Thy Cosmic Might,  
Come! Love and save our Blessed Land!

Thy Elohim Flame enfolds us all  
As we receive Thy Blessings here;  
Blaze all Thy Power, Thy Love we call!  
Consume all mankind’s doubt and fear!

Come! Flood the Earth, and Peace compel!  
Thy Mighty Law we all obey;  
Within Thy Mighty Love we dwell!  
Expand Light through us Thy Heart's Way!

Thy Diamond-Shining Light descends  
And sweeps the Earth forevermore;  
Thy Mighty Life all Good defends,  
Thy Presence here all shall adore!

All Thy "I AM" Legions come,  
Make all behold Thy Angels' Love;  
Thy Purity makes this Earth a Sun,  
As all behold Thy Hosts above!
