

## LOUISA BELOVED

Louisa Beloved, God's Darling of Light!  
    Enfold us forever in all of God's Might  
Ascended in Glory from Thy Realm above,  
    Stand Guard and protect us by Thy Cosmic Love.  
In Power Victorious, clothe all that we do  
    Till Saint Germain, Jesus, and Daddy come through!  
Sing through us God's Praises and Freedom's own Song,  
    Light's Peace without limit forever prolong!

Stand with us and by us, release all Thy Light;  
    Show us God's Perfect Plan in Victory's Might!  
Compel God's Authority to rule and bless all;  
    The "I AM" Perfection for which our Hearts call!  
Expand God's Light through us, Thy Victory is ours;  
    Blaze through us forever God's Great Cosmic Powers!  
Flood over America the Help all require;  
    Her Freedom and Victory—"I AM" raising higher!

Louisa Beloved, we call to Thee now,  
    Reveal Thy Ascension to which we all bow!  
Seal us deep in Thy Heart—the "I AM" all Free,  
    From Earth's limitations, made Perfect like Thee.  
Still all that is human, dissolve it by Light;  
    And hold us abiding in God's Mantle Bright.  
Let us hear Thy Sweet Voice with Daddy's in song  
    Pouring forth Light's Music, Its Peace now prolong!

*(continued)*

Louisa Beloved, our youth now enfold,  
Till their "I AM" Presence They feel and behold.  
Thy Light Ray now clothe us, as Thee we adore.  
And Great Host of Masters, we love evermore.  
They blaze forth Their Victory of Light over all;  
Every Heart here on Earth receives Thy Great Call.  
Beholding Thy Radiance, we see Life's Great Goal:  
Make us Perfect like Thee! Light's Glory untold!
