

Beloved Elohim of Purity

Beloved Ones of Saint Germain's Family, thank you for your presence here tonight. I bear you Greetings of Love and Gratitude from the Host of the Sacred Fire who are grateful to you for your Calls. May the Power of Their Love through those great

Flames of Creation come to assist you now—to remain as your Ascended Master Friends of the Sacred Fire until Purity is automatic, everywhere you move.

The great Invincible, Purifying Power of Life, My Dear Ones, is the Sacred Fire in Its many, many Manifestations, Inner and outer. Since the Nation and the World must be purified from the present discord, then those who of their own Free Will have sought to give Obedience to the Law of Purity are naturally cared for in a way that is extremely powerful.

I shall remind you of something that Beloved Saint Germain said to the Messengers in the beginning. A service given when asked is one thing, but a service given when unasked is a far greater thing. And since you have offered your help, and your Calls through your Decrees have drawn forth the response of those who direct the Sacred Fire to the Earth, you will find one day that your willingness to stand by at this time and give these Decrees for the correction of conditions within your Nation will bring to you, individually, a very wonderful Blessing. Because as you become more and more accustomed to using the Immortal Powers of the Sacred Fire, and as you visualize those Flames more and more about yourselves and about others, more of the Inner Action of the Fire Element from Our Octave can come into your outer use in the physical world; and that will much more easily control conditions of the outer activity.

Now, Dear Ones, you all enjoy Miracles, I am quite sure; and We do, too. Since They are God's Ways uninterrupted by mankind's discord, then I think it is time for you to demand that there come into outer action the Immortal Miracles of Our Cosmic Purity. And if you will demand Them in and around yourselves, and you demand the Cosmic Christ Legions of Immortal Purity to charge and surround you and

your homes and your affairs, We can send an individualized group, so to speak, of both the Angelic Host and those of the Ascended Ones who offer Their Assistance to draw those Flames of Immortal Purity in and around you all. You will find many things just automatically disappearing because of the intensity of the Fire Element that is drawn.

Dear Hearts, you may just as well have Miracles—which are God’s Ways—as mankind’s ways. You know there can no unhappiness come to you from God. Therefore, God’s Ways, or the Ways of Miracles, must come into your outer use; and your ways and means of doing things must become more and more God’s Way of producing manifestation.

So, as you move forward to produce conditions in the physical world that fulfill the Divine Plan, then it is more necessary to demand the Miracle Powers of Life in Their Immortal Purity come now into your outer use. The world might call them Miracles or Miracle Powers, but They are just the natural use of this Activity of the Sacred Fire. And it is the natural way to live Life when you pour intense Love to your “Presence” and to those who have gone the pathway before you and have learned where the pitfalls are and learned what to do to avoid them. Therefore, the Immortal Purity that you demand into outer physical action becomes a safeguard for you as you move among the conditions of the outer world.

Many times people who keep their attention upon the “Presence” and these wonderful Inner Activities of Life can go through conditions and be totally oblivious to the destructive things that another person would automatically tune into, as any individual passes through some of the conditions of the outer world. So when you call forth Our Immortal Purity around you, or Our Great Cosmic Christ Flame of that Immortal Purity, It is a powerful Insulation

and a powerful Protection to your own affairs, just as well as to your physical selves or your loved ones. This Power of Purity can protect your business and the things you do in the physical octave, quite as well as to draw forth these Inner Powers that you should be using.

Tonight, if you care to make the experiment with Me and draw forth the Miracle Flame of Immortal Purity in and around yourselves, I shall leave you free to examine the experiences you have, and see what the Joy is and what the wonderful Powers are that are contained within these Miracle Flames to which I turn your attention. The Miracle Flames of Immortal Purity you can command to flood your world until you live in the World of the Sacred Fire.

Now your Violet Consuming Flame is the Master Flame, so to speak, of Immortal Purity; but It has within It such intense Love and such Immortal Power that as you begin to qualify It as a Miracle Flame of Immortal Purity wherever you direct It, don't be surprised if you have Miracles, because Its natural Radiation is to bring about the Divine Ways of doing things that were the original actions and activities of mankind, but which have been forgotten because of the long centuries of discord.

I want to bear to you, tonight, the Love of the Mighty Sanat Kumara. For He gives Me this assurance that, since many times in the past when the entire safety of the Earth was threatened, He intensified His Miracle Flame of Love to consume a certain proportion of the destructive forces in order to save the Earth—He assures Me He is quite capable of doing It again. (*applause—audience rising*) Thank you, Precious Ones, for that. Won't you be seated, please.

I assure you, My Dear Ones, there is no greater Miracle that has ever come to this Earth in any age than the Love

the Mighty Sanat Kumara has poured at intervals through the centuries, and also that from the Mighty Cyclopea. These Great Beings who, in every cycle every so many years, come forth and flood throughout the atmosphere of Earth Their Great Flames of Love in Their Purifying Power, have saved the Earth thus far, My Dear Ones, by Love.

Tonight, while I am speaking these Words to you through the Messenger, there is going forth throughout your city and throughout the Nation—again—the *Purifying Flames of Our Love*, because the Immortal Purity that holds Control of the energy or purifies a certain proportion of the energy of a planet, that Control has to be held by the Love of some individual Being, or several of Them, because the great Streams of that Energy have to go forth qualified with the Love of some individual Life Stream.

Well, since We act in that capacity for the whole planet, you can act in a similar capacity in your own affairs, in your homes, in your business, and in your association with each other, and in your city. Each of you can call forth within the city from whence you come the individual Miracle Flames of Our Immortal Purity. And as that Call comes up to Us, We not only answer the Call and send that Flame throughout the city, but do you think We would forget you who made the Call? Wouldn't Our Love pass through you? It surely would! And if you call It the Miracle Flame of Our Immortal Purity, you may have many, many Miracles that automatically come forth because the condition of Purity has been provided to anchor those manifestations into the physical octave, to later on become the perfectly natural way of Life in the activities of those who are to follow on.

So these Flames that you call forth now, of Our Great Love of Immortal Purity, become, as it were, Way Stations

for those who are following on, and even for yourselves, to enter in and feel the greater Power of Our Love to produce the Miracles you desire to manifest in your outer life. Now these Activities are as natural as breathing. Why? Because, isn't Love natural? Of course it might not seem so in your outer world tonight; but after all, It is! Love is the only natural way of Life. Hatred and viciousness and selfishness are the unnatural way of existence.

When you turn to Us and call forth Our Miracle Love into outer conditions, and you demand the Immortal Purity of that Miracle Love to charge in and around you, that you may do all things more quickly and perfectly, well, it is a great Joy to Us to have a chance to expand that into the physical world. Naturally, if you give Us the opening whereby that Flame goes forth to thousands of people, It would include you; and It would include the conditions in the world about you with which you have to deal. So It has a double purpose of harmonizing in the physical octave both yourselves and your affairs, and those which affect the Nation and then the World.

So it is not by idle chance, I assure you, that I have come tonight or that I am turning your attention to the use of one of the most Miraculous Powers in the Universe—that of Immortal Purity and Immortal Love. They are One, always; but, Dear Ones, when you want one special Quality intensified, you must specialize in your Decree. Therefore, if you want to call forth the Miracle Purity of My Love, or you want to call the Miracle Love of My Purity, either way you want it, whichever Quality is most desired shall be charged with that dynamic Action for you. Purity and Love, My Dear Ones, are your only Insulation against fear. They are the only Power that dissolves fear.

You have not always understood that the Violet Consuming Flame is a very intense Cosmic Action of Love. We have told you many times that It is the Balance of Love and Forgiveness and Purity. It is the Great Mercy to Life, but you do not all have that in your feeling world as your concept. The Violet Flame to you has seemed most of all a way and means of dissolving something unpleasant, but you have not qualified It with the Miracle Love which the “Mighty I AM Presence” in the Great Central Sun is when It gave that Violet Flame to the Earth. Therefore, It has given the Miracle Power of Its own Love and Its own Purity into your outer use to govern conditions harmoniously.

So as We move forward using some of these greater Inner Powers of Life, and as they reveal to you Their Wondrous, Wondrous Action, you will begin to see how near God’s Miracles are to you and your world. And if you contemplate Miracles enough, you become Miracles, don’t you? What you contemplate, you become. Supposing you want a Miracle, oh, just a Happy Miracle of Perfection. Well, if you want It to manifest, you must first of all think It—think that you want It, and visualize the picture. Then if you will send your Love to that with the intense feeling of drawing It into outer manifestation, you will soon produce It. Then if you want It in yourselves, contemplate It until your atomic structure has become the Flame of the Miracle you desire.

Oh, it’s as simple as breathing, just like *a-b-c* to you. It’s the *a-b-c* of the Universe. Only, you know, We had the Wisdom to go to school when most of you ran away. (*laughter*) Hence, We are calling you back again. We are showing you where you must go to learn the lessons you require that give you the Power that you need in the outer world to undo the discord of the mistakes of the past.

Now supposing you have made mistakes, and who hasn't? Wouldn't you like a Miracle Way of getting rid of them? Wouldn't you like the Miracle of Forgiveness, the Miracle of Love, the Miracle of Transmutation, the Miracle of Purity to remove those mistakes, take them out of your memory, and replace them with that which you have longed to do that produces Perfection? Why, surely you do. We all do. We want that for you, and I am sure you want it for all. Well then, let Us have the Miracle Way of correcting mistakes, consuming their reaction, and replacing them by the Perfection that is the Miracle Happiness of all Eternity.

You have been taught recently to use the Word *Immortal* before the things you want to be sustained in action. You can just as well have Immortal Miracles. And I am quite sure you will begin to realize how you may transcend time and space and the limitation that in the past you have accepted.

So tonight I give you another one of Our Wonderful Secrets, another Secret of Our Immortal Love. May the Miracle Love release to you Its Miracle Secrets and show you the Ways and Means that the Great God Presence of Life has of doing all things in the most joyous way, which is always that which produces the most Perfection and the most Happiness out of everything you attempt to do.

May I say to you, you don't realize yet what a Miracle you are; but We see what a Miracle it is under the Action of the Cosmic Law that there should be this many people on the Earth at this time who want Purity enough to strive for It, when the rest of the world isn't looking for Miracles or Purity, either one. So after all, you are a Miracle!

If you want more Miracles, who is there to say you shouldn't have Them? There's no Law in Heaven or Earth to prevent you having all the Miracles you want. You can fill today with Them,

and you may fill tomorrow with Them, and you may fill the rest of Eternity with the Immortal Miracles of Our Love. They contain Happiness that you have never yet explored. Oh yes, Our Realm of Happiness is a place well worth exploring. It is Our Treasure House. It is the Book of Life. It is the record of the past of all that produced Happiness, and I think it would be well to explore some of that. You've been exploring so long in other directions. I hope you become curious about exploring in Our Realm of Happiness. (*applause—audience rising*)

So tonight—thank you, Precious Ones—will you please don your Garment of the Miracle Happiness of Immortality, the Miracle Happiness of Purity, Immortal Purity, the Miracle Happiness of Immortal Supply, the Miracle Happiness of the Immortal Powers that your Blessed Higher Mental Body uses all the time. And may We be privileged to reveal to you ahead of time some of the Magnificent, Miracle Beauty and Perfection and the Plan that We would like to discuss with you to bring into outer manifestation that which is to last throughout Eternity. You are about to see the opening of the Activities of the Incoming Golden Age wherein all that you build must come into line with the Beauty that is to be the immortal condition of the future, and with the Purity that is the ways and means of manifesting.

When you enter into the use of the Great Miracle Powers of your own “Blessed I AM Presence,” command the Perfection you bring forth be charged with Immortality and stand a living Blessing to all the Universe by the Miracle Love of Our Immortal Purity. And then you shall become that in yourselves. You shall have the Power to bring It to others; and you shall enjoy the use of that, until you will remember My Words when I say you yourselves are a Miracle. Won't you be seated, please.

Your Eternal Identity is the Way of God uninterfered with by the human discord. And that means your Eternal Identity is the Flame in your Heart, the Higher Mental Body, and the “Electronic Presence,” uninterfered with by the discord of the outer world. So when you call forth to the “Presence” and you say, “ ‘Mighty I AM Presence’ in me, come forth the Miracle-producing, the Miracle-manifesting Presence of Immortal Joy,” oh, you can just as well charge your daily actions with joy as with struggle. It is only a matter of remembering to do it. You become enmeshed sometimes in the pull of the outer world, and you simply forget It—because there isn’t a person sitting here in this room tonight who couldn’t charge forth the Miracle of Immortal Joy into everything you do, and It would come! Everything that you did would bring you Happiness, the Miracle Joy of Immortal Purity, Immortal Love, the Miracle Love of the Great Central Sun that always produces Joy. But you just forget. That is all. Doesn’t that seem simple? Well, you have an Eternal Memory that you could call forth if you want to put It to work. You might call your Miracle Memory forth and see what you could do with yourselves. (*applause—audience rising*) Thank you, Precious Ones.

Your Miracle Memory would contain the Perfection you once were and will become again, and must become again. So if you demand the Miracle Memory of the Great Love that you once were in the Great Central Sun, it won’t be so difficult to charge that Flame into conditions until they come back to you as a Miracle of Happiness.

The Love in the Great Central Sun is the greatest Miracle of the Universe, My Dear Ones. And if you draw forth Its Miracle Powers, or you demand the Miracle Love of the Great Central Sun come forth through you and compel

outer conditions to become Itself, you will feel the Master Power of the Control of conditions in the outer world. And may you feel that tonight with very, very great intensity and very great Joy; for It is Real, It is All-powerful, and It is awaiting an opportunity to anchor permanently in the outer world through your Command.

So as I leave you enfolded in Its Miracle Happiness of that Miracle Love from the Great Central Sun, may Its Flame show you tonight some of Its Master Powers and clear the outer mind and show you the easy, perfect, permanent way to do everything your Hearts desire to do. Regardless of time, place, or space, you will be able to produce the Perfection you have desired. And when you call It Miracle Perfection, It shall be that—and Immortal, if you so command It.

I wrap you in the Flame of My Miracle Love, and Its Miracle Happiness shall attend you and just kind of remind you of Itself when the outer world would try to make you believe that there's only discord around you. Great is the Blessing of the Miracle Love from the Great Central Sun. And the Miracle Happiness you desire, I say *charge* into your outer activities and command all else to step aside, until you go forth to the Blazing Victory that is before you and that you are commanded to expand, to fulfill the Divine Plan and fill this world with the great Happiness that is Immortal in the Divine Plan's Fulfillment.

Thank you for your Immortal Presence with Us tonight, and for the Miracle Opportunity of clothing you in the Power of My Love to prove Myself, and to prove to you how much Happiness you may have when you call forth the Miracle Love of the “Mighty I AM Presence” to rule all with full Power. And now, give It Conscious Command. Thank you and good night.
