Beloved Ones of My Heart, you who are the Family of the Violet Consuming Flame, I am very grateful tonight for the privilege of speaking My Heart to you and pouring again the Sacred Fire of My Love and the Victory of Its Balancing Power to you all. And tonight, in the use of this Great Cosmic Sacred Fire that not only purifies and brings Balance in and around and to you all for your own Great Victory over all in this world, tonight I want you to understand what some of My Power and Service to Life is to strengthen and protect you by the Sacred Fire of My Victory that helps to hold the Balance, not only within and around you, but helps to hold the Balance against the hordes of evil that seek to destroy you.

In balancing the activity of energy, in holding Protection for that which is constructive, there must always come the Release of whatever Force of the Sacred Fire is necessary to hold against destructive activities a pressure far greater than their own. And since that is again part of My Service to Life, then in your daily activities of the outer world, as you can feel more powerfully and more frequently the Sphere of the Flame of My Victory enfolding you, within which is the Pressure of Cosmic Action, you will always find that

is an Invincible Guard about you and is at all times repelling as well as consuming destructive forces that seek to disturb you.

Now in your use of the Violet Consuming Flame in Its Cosmic Action, whatever Power you draw of that in and around yourselves becomes part of your own Life Flame. And it is My Privilege to help add to that the Cosmic Pressure of the Sacred Fire that continually presses back the hordes of evil; and as they are repelled, your own Violet Consuming Flame goes forth and consumes them. So there must come, in order to hold balance, a Pressure of the Sacred Fire within yourselves and around you, and filling and surrounding your affairs as well, in order to keep destructive forces from pressing in upon you and throwing your world out of balance.

Divine Justice, My Dear Ones, has many, many, many channels in which It acts to bless Life—and to bring about the Perfection that is the only Divine Justice that you can give back to your “Mighty I AM Presence” and the Ascended Host for your use of Life which you have been given from the Great Central Sun.

When the “Great Presence” of the “Mighty I AM” in the Great Central Sun gives you Its Life and use of Its Energy, Its Powers, Its Faculties, and Its Substance all through the centuries, It expects, under the Law of Perfection, you to give back a balance for that which you have used. And so, when you use constructively everything that you have been given and allow It to bring Its Happiness and Divine Plan’s Fulfillment to all the Life around you, then greater and greater comes

the Cosmic Release of that Sacred Fire in and around yourselves for your outer use and outer direction. But, My Dear Ones, after all the Blessings you have had all down the centuries, all the opportunities you've had to produce the Happiness and Perfection which Life intends, Life expects a Divine Balance to be maintained, that your world may have greater Power released into it to serve greater Activities of Perfection in the universe around you.

So, if you will remember that Divine Balance is the Open Door through which every good thing can come to you, you will enter deep into the understanding of what Divine Justice means to Life, what the Purpose is that It serves in the Universe, how you may become the Victory of Its Blazing Flame, and wherever you abide all things are purified and brought into Divine Order and balanced wherever you pass by. This is the Regulating Activity of the Sacred Fire provided by the Cosmic Law of Life by which you may at all times bring Divine Order out of chaos. You may at all times compel the Purification that sets things into Divine Order, and through that you become the Master Hand that controls manifestation everywhere in the Universe.

Now, as you face your problems or struggle or limitations of the outer world today, those problems exist in you or your world because something is out of balance; for when there is Perfect Purity, perfect flow of the Sacred Fire from your "Mighty I AM Presence" through you to your outer self, through the outer self to your affairs, everything is regulated in Divine Order. There is no struggle. There are no problems. So, problems

and limitations are continual reminders that something is out of balance in the energy of your world. And since the Action of My Love always brings Victory wherever I abide, tonight I ask you to accept It; and if you will accept enough of It, your problems and struggle will disappear. That's why I am here! (*applause*) Thank you so much, Precious Ones.

So, as you move forward in the use of more Power of the Sacred Fire, you will find automatically coming into you and your affairs this Balancing Power of the Ascended Masters' Love, which is the Violet Consuming Flame's Purifying, Balancing Gift of Its Love to you. In your use of these Magnificent, Cosmic Activities of the Sacred Fire, as you call Them into the outer world's conditions They must of necessity enter into you and into your individual activities, and bring the same Blessing to you that They bring to the outer world through your Call.

So, Beloved Ones, from tonight, when struggle or problems seem to appear, stop for just a moment and demand whatever Violet Consuming Flame is necessary to purify and balance everything in your world, that you may go forward in the World of the Violet Consuming Flame in which no problem can ever live; and then your way is clear. As you dwell within that, you may have Unlimited Power to use to do anything that needs to be done, so long as your world is the World of the Violet Consuming Flame's Purity, Divine Love and Balance. That becomes the Authority of your "Mighty I AM Presence" to produce any kind of manifestation you desire, so long as it be constructive and blesses Life wherever you abide.

This enters into the Powers of Nature and the Forces of the Elements wherever you dwell, quite as well as within yourselves.

Blessed Ones, whenever problems seem to weigh heavily upon you, demand whatever Intensity and Cosmic Action of the Violet Consuming Flame are necessary to bring your world into Divine Balance, because the moment the energy in your world is balanced in its pressure against conditions of the outer world, those conditions cannot come in to disturb you. So, as your attention is held upon your “Mighty I AM Presence” and the Violet Consuming Flame and you demand It be your world of Life, automatically will there flow into your affairs the Purifying Love of that Violet Consuming Flame that gives Unlimited Power to produce Perfection, to close out the distress, to hold you Invincible then against conditions of the outer world’s turmoil.

Will you try to dwell within My World of the Violet Consuming Flame’s Eternal Purity, Eternal Divine Order, Eternal Balance to Life—first of all to your “Mighty I AM Presence” who has given you Its Life, then to the Life in the atmosphere about you and your affairs, then to the Life of the world, the Life in Nature, the Life in the Elements, Life everywhere. Then you become the Sun Presence that is the Balancing Power of the Violet Consuming Flame; and then you become the Peace-commanding Presence, because where that Violet Flame goes, turmoil and discord cannot live.

So you become the Authority to compel Purification, Divine Order, and hold the Balance, that your beings and worlds may never again experience the discord and the

struggle and the limitations and problems of the past. I want you to be sealed within this, to hold you Invincible now against the turmoil that is surging everywhere in the rest of the world.

So, I become your Guardian quite as well as the Beloved Saint Germain, to hold about you enough Violet Consuming Flame to keep your world balanced. Then you will have the supply of what you require. This has a great bearing on the supply to you of that which you're going to require. So if you will dwell with Me, I will dwell with you. (*applause—audience rising*) Thank you so much, Precious Ones.

While you're standing for just a moment, if you will accept My Mantle about you of Violet Consuming Flame also, and then within that the Unfed Flame of Perfect Balance, My Love shall draw in and around you every Activity to serve you and strengthen you and protect you as you go forward and render this service to the rest of Life, until the Earth and all upon it has become purified and once again set into Divine Order to glorify the "Mighty I AM Presence" and all Life Streams who come here in the future. Go forward to the Fulfillment of the Divine Plan, and the Victory of the Ascension forever raises all to Eternal Safety.

My Love becomes a Mantle about you; and may It ever draw to you, all the Divine Justice that forever keeps you Free. Thank you, and won't you be seated.
