

I ENTER THE GREAT GREAT SILENCE!

I ENTER THE GREAT GREAT SILENCE!

(alternate line)

To dwell in the Peace of God's Heart!
"I AM" of Its Presence a part!
I feel all Its Purity, too!
I send all Its Love to you!

I learn all Its Secrets of Light!
I behold Its Cosmic Christ Might!
God's Freedom forever there sings!
I know all the Victory It brings!

There, all is so peaceful and still!
To do all I know is God's Will!
To fulfill God's Great Divine Plan!
By Its Heart Flame, I know I can!

Its Wisdom, I must ever learn!
Where God's Sacred Fire does burn!
The "Mighty I AM," God of all!
I listen and hear Its Heart Call!

Its Music Celestial I hear!
God's Miracle Heart is so near!
God's Power to help all, I feel!
There the Love of God's Heart does heal!

I ENTER THE GREAT GREAT SILENCE!

(alternate line)

And ask to do all just God's Way!
Where God—only Good—does hold sway!
There, Power Eternal does reign!
Life's Mastery, I do now attain!

Where Life's Unfed Flame does abide!
With Angels, I stand side by side!
Where only God's Great Voice is heard!
As all speak God's Great Holy Word!

I see and feel God's Great Control!
Whose Love all God's Secrets there hold!
I hear God's Great Holy Command!
I see my Loved "Presence," "I AM"!
