Charge! Charge everywhere within and around (city), in, through, and around every person, place, condition, and thing under this Radiation! And send forth that Power and Light as of a Thousand Suns until It dissolves all shadows!

Make this Blessed “I AM” Sanctuary (*or: Temple*) a gigantic Pillar of Thy Mighty Light Rays, Thy Threefold Action of Violet Consuming Flame, the full Power of the

Unfed Flame, and those Mighty Currents of Intelligent Energy, those Healing Rays that release constantly from the Heart of the Great Central Sun Their Mighty Blessings to the people of (city).

These Blessed Ones of Light—we call forth to the “Mighty I AM” and Higher Mental Body of each one to loose all the Power, Glory, and Victory of your Life Streams to charge forth such Almighty Perfection, such Invincible Protection, such full Illumination, and such overwhelming Supply of every good thing to these, the Beloved of the Light, that the Fullest Power possible may be held here for the Freedom of all mankind.

We reach our hands across the ocean. We give you our Hearts in the fullness of that Mighty Light of our own "I AM Presence," and call to It and the Ascended Masters to give you every good thing, to hold you so sealed within the full Power of Their Blazing Victory that only the most amazing Harmony, Peace, Miracles, and Perfection of this Mighty "Light of God that Never Fails" may at all times fill and surround everyone within     (country)     who faces this Light of his or her own "I AM Presence" and the Great Host of Ascended Masters, and releases that Love unto the Source of Life that enables the fullness of Its Power to flow forth and set each one Free.

The Beloved Students of the "I AM" throughout the United States of America and the Americas pour to you constantly, in every Class, the fullness of our Love and Blessing, and with the full Power of our Hearts' Love

and Sanat Kumara's Mighty, Blazing Victory of that Love, Light, Wisdom, and Power of a Thousand Suns, we give unto you everything the "Mighty I AM" and the Ascended Masters have given unto us. May It at all times be a Mighty, Blazing Sun of Glory to raise you out of every distressing condition, to charge you with Herculean Strength and Energy, Courage and Power, Indestructible Health; everlasting, overflowing Wealth of every good thing in your hands and use at all times; ten times more than you require of all good things, including money, for your perfect upkeep, the perfect expansion of this Light, Its Invincible Protection, Its Victorious Defense, and Its Overwhelming, Blazing Glory that makes the very earth tremble with Its Almighty Perfection, Victory, and Power of the Ascended Masters' Release, until the fullness of Its Blazing Power and Presence fills all with that Freedom which raises each one into the Victory of the Ascension as soon as possible.

We now call to the Mighty Lords of the Flame from Venus to clothe everyone in that Mighty Mantle of the Unfed Flame. Let the Flame within expand to meet the Flame without; and cutting each one free from all discord of the outer world, let all move in the outer

world but not of it. And pouring into it that Mighty Blaze of Victory, of Victory's Glorious Light as of a Thousand Suns, release His Miracles and be the fullness of the Garden of His Heart.
