

BELOVED GODFRÉ

**November 26, 1959
Santa Fe, New Mexico**

Blessed Ones, if you will take time to read Beloved Mighty Victory's Book of Victory's Dictations [Volume 9], if you will take time to live within Them, if you will take time to use those Decrees, if you will take time to feel His Love, you will be His Victory just as certain as you exist. Now, if you will TRY THAT DURING THE SEVEN SACRED WEEKS, it will give Beloved Jesus an opportunity to draw forth the Power of the Great Central Sun Magnet. And that Cosmic Flame of Cosmic Power is needed now to be the Magnetic Pull upon the attention of the people to the "Great God Presence" of Life, that enough of the American people may turn Godward, in order for the Light to come in and be the Strength in the people to stand against the pressure of the surrounding discord in the rest of the World.

May you go forward and realize this is a National Duty that you owe to your Country, as well as your obligation to your “Beloved I AM Presence” and the Ascended Host who have loved you so greatly and so long. And now We want to pour Our Love through you to the Nation, that the Nation may be the Heart of Hope and Love and Light to draw the rest of the world out of the shadows of the hatred of human creation.

So, Blessed Ones, go forward and use this! Enjoy It! Don't feel that It's an effort—just rather feel the Raising Power of It every time you use It. Wherever you go you will be like a light in the darkness, and mankind will look to you because you bring hope to those caught in the shadows who do not know where the Pathway of Light is.
