

“I AM” THE HEALING FEELING OF THE GREAT GREAT SILENCE!

**“I AM” THE HEALING FEELING OF THE GREAT
GREAT SILENCE!** *(alternate line)*

From Its Heart’s Cosmic Flame!
In Jesus Christ’s Great Name!
By all Its Cosmic Power!
Each instant of each hour!

Compelling Victory here!
That keeps our way God clear!
By Cosmic Christ Command!
Control all by Its Hand!

It holds here God Control!
Protection for us hold!
All-Christ Miracles, reveal!
In Its Heart, all here seal!

Perfection now compel!
In Its Love Flame we dwell!
It takes possession now!
To Its Love, all must bow!
