

THE LAW IN ACTION

Miracles

Beloved Goddess of Liberty

Miracles are the order of the day! You should be Beloved Saint Germain's Miracle Family. If He hasn't christened you that yet, I will! (*applause*) Thank you so much. You might be His Family of Violet Flame Freedom, but you can be My Miracle Family of Liberation to Life! And the first place that should begin is within yourselves. So from now on, how many Miracles do you want? You should be able to use a lot, a great number! But since Miracles are the natural, perfect way of Life, uninterfered with by mankind's discord, I think if you are going to have the Divine Plan fulfilled down here, that every day should be charged as a Miracle Day and your "Beloved I AM Presence" and the Ascended Host flood in, through, and around and to you the Miracles from the Ascended Masters' Octave.

Beloved Saint Germain

We have come to mankind, individually, and produced many Miracle Manifestations thousands and millions

of times down through the ages. Now there must come the Manifestation to all mankind of Our Presence, Our Miracles, Our Activities of the Sacred Fire, in order to awaken mankind

Beloved Jesus

I had to use this Sacred Fire in the Retreats of the world previous to My Ministry, and I had to love It enough to concentrate Its Flame in and around Me in order to perform the Miracles which I produced.

The "I AM" Discourses, v. 17: 173

Beloved Godfré

The Unfed Flame in the Heart can never argue! It knows! And if you will enter into the Understanding of all that It knows, It will bless you with Its Powers. Then you will realize that in order to do these greater things that the world calls Miracles, you have but to hold control of the energy of the feeling world and be still; and then ask your "Mighty I AM Presence" through the Unfed Flame in your Heart to do that which you cannot do otherwise.

When you call for the Divine Plan fulfilled, know always you need the Miracle Courage and the Miracle Feelings which We have, in order to produce the Fulfillment of that Divine Plan in your own physical octave. Our Miracle Courage and Our Miracle Feelings contain a Thrill of Happiness and a Consciousness of Mastery not contained in any other Call. When you call forth Our Miracle Feeling, It releases the Fire into your own feelings which consumes any uncertainty or discouragement.

Your "Beloved Mighty I AM Presence" is the Great Miracle of Life from the Great Central Sun. Record CD 1827

If you will form the habit of recognizing all light as the Miracle Gift of Love from Life—the Life in the Physical Sun, the Life in the Great Central Sun—you will come into an understanding of what Love can do and the Power that

you have to wield Its Magnificent Activities and draw them into the physical world to produce what the outer world calls Miracles.

Beloved Ones, the very design of the physical body itself is a Miracle! It's a Miracle of Life that enables the consciousness of the Higher Mental Body to come into outer action and manifest the greater Expanding Perfection from the Inner Realms of Life and from the Ascended Masters' Octave.

The body itself is a Miracle of mechanical action! The mind is a Miracle of Consciousness. When you call forth the Invincible, Illumining Miracle Mind of your "Blessed I AM Presence," you set those Qualities into dynamic action through the outer self and, of necessity, They will have to fill your world.

Beloved Lord Maha Chohan

Life is the greatest Miracle of all! And the Miracle, Magic Power of Life from your own "Mighty I AM Presence" is this Great Love of the Sacred Fire that has the Power to purify all the Beings of all the Elements, has the Power to dissolve and consume all that has caused distress. Isn't it a Miracle? Isn't it a Miracle that Life provides a way and means in this use of the Violet Consuming Flame of dissolving the distress and closing the door against its destructive reaction? I think Life is very wonderful, Life is very marvelous and very kind and very wise in Its Great, Great Laws of Action.
