### **BELOVED LANTO**

**B**eloved Ones of the Heart of the World, tonight in the Outpouring that goes forth from the Royal Teton, it would be well if you could remind the outer self that the Sacred Fire and Cosmic Light Rays that are going to be poured forth there, are the Concentration of Our Love from the Ascended Masters' Octave, from the Temples of the Sacred Fire, and from the Great Central Sun, as well as the Physical Sun.

The Light Rays that are drawn forth, the Radiation that goes forth from those who are coming from Venus to pour Their Cosmic Light to this Earth—try to remind yourself, everything that goes forth from there tonight, every bit of Energy, every bit of Consciousness, every bit of Power that goes forth from that Royal Teton tonight is the Concentration of the Sacred Fire Love from the Ascended Masters' Octave and the Great Central Sun.

Therefore, as It is poured forth into the Nation to strengthen and protect all that is constructive, to hold steady the Flow of the Powers of Nature and Forces of the Elements, that Love must consume a certain proportion of mankind's discord within the Nation; and It will consume a certain proportion of the discord mankind has generated in the atmosphere over the Nation.

**BELOVED LANTO!**

I DEMAND whatever Fiery Christ Blue-Lightning Power from the Great Central Sun, through the Outpouring from the Royal Teton, prevents the human creation that has been imposed upon this Nation from being allowed to any longer touch the consciousness of the people or their feeling world, or being allowed to come into the atmosphere over this Nation!
