THE VOICE OF THE "I AM"

BY THE ASCENDED MASTERS AND THEIR
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

BELOVED SAINT GERMAIN SAYS: "These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters' Words in those Books always carry Ascended Masters' Radiation from the Ascended Masters' Consciousness and the Ascended Masters' Octave of Perfection. . . .

"And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the 'I AM'* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters' Radiation is *not* in those books and will *not* be!

"So I say that for everybody's Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any, that you find in the Saint Germain Series or The Voice of the "I AM" or in the Dictations! . . .*"

BELOVED ELOHIM OF PEACE

Shasta Springs, California • September 15, 1957
Record CD 361; Compact Disc 00361

Beloved Ones who journey through this world in your attainment of the Ascension, tonight you may enter in, if you will, to the world-enfolding Sun Presence of the Peace of My Heart. May you understand how deeply can that Love enter into your Life and hold Control of all things about you as you move into outer world activities, and yet be untouched by their discord.

The Peace which “I AM” to Life is not just stillness and relaxation. The Peace which the Sun Presence of the Sacred Fire manifests to Life is Wondrous, Masterful Activity, consciously creating Perfection to glorify with Happiness all that It contacts. And I assure you, if you want Peace, then the Purity for which you have called and the Balancing Presence of Its Harmony are absolutely imperative if you are going to manifest Peace and hold Its Sun Presence around you to hold Control of all outer world conditions, until that which is of evil is completely consumed. The Peace of Our Cosmic Activity is Balanced Action; Calm, Cosmic Christ Love; and Invincible Purity. You can't have Peace without Purity and without Balance in the feeling world.

When you understand that a Sun Presence of the Cosmic Sacred Fire's Peace can be concentrated and enfolded around you to join the Unfed Flame in your own Hearts and become a world of manifestation around you, when you understand that, My Loved Ones, nothing in all creation will disturb you; for within comes the Great, Calm Power of Mastery, the Harmonious Control of all you contact, and the Sacred Fire Presence of Our Great Peace from the Heart of Creation. The Heart of the Great Central Sun floods forth Its continual, ever-expanding River of the Sacred Fire's Perfection into all action.

No matter where energy is, when that River of Sacred Fire Peace enters into any amount of energy—Peace, Balance, Purity, and Control manifest the Perfection of the Divine Plan's Fulfillment. So in entering into the use of the Powerhouse of the Universe—which, I assure you, the Great Sun Presence of My Peace is to Life—you may use Power without limit; for Power, qualified with the Sacred Fire of Our Cosmic Peace from the Great Central Sun, is the All-controlling, Master Christ Authority in this world and every other one.

Try to realize that from the Heart of the Central Sun comes forth Sun after Sun after Sun of the Sacred Fire's various Activities—All-constructive, All-powerful, ever expanding Their Blessings and Control of Life. No matter whose Life or what Life is manifesting in any System of Worlds, the Cosmic Sun Presence of the Sacred Fire of Our Peace controls all Life in manifestation. And you may enter into that, if you will, and have the World of Its Perfection in and around you—a World so Invincible against the discord of mankind's creation that once you

enter into this World and abide within It, you become unaware of the disturbance of human creation. You may know it exists in the outer, but it never can touch you within and never can disturb your affairs that are held within the Sun Presence of Our Cosmic Peace.

The world's chaos today, in its expanding viciousness, must, I assure you, be stilled by an onrush of Our Sacred Fire that is All-Authority everywhere to stop turmoil. And so tonight We open the Door and invite you into Our World, the Sun Presence of Cosmic Peace. May It enter into you and you enter into It, until Its Ever-commanding Sacred Fire, joining the Unfed Flame in your Hearts and the Outpouring from your Higher Mental Bodies into the outer self, become one Commanding Presence of Eternal Peace. And I assure you, if you want Healing of mind, body, or affairs, the Cosmic Sun Presence of Our Love and Peace to Life heals all conditions because It purifies all conditions and balances the flow of energy in the outer self of mankind, of individuals, of the Powers of Nature, the Forces of the Elements, even to the planet itself.

So, Blessed Ones, the Mastery of Life is the Sun Presence of the Sacred Fire of Its Love and Peace, which are synonymous and are one with the "Mighty I AM Presence" of every Life Stream. And since, My Loved Ones, your "Beloved I AM Presence" and Higher Mental Body of each of you is the Sun Presence and Sacred Fire of Eternal Peace, I plead with you, let the other third of your Life Stream, which the outer self is, become a Sun Presence of the Peace and the Love of My Heart.

In the Fullness of Its Great, Almighty Control of all things you may abide; and as you let this fill your feeling

world and It dwells within you and you dwell within Its Enfolding Sun Presence, the very Power you feel will be proof of My Presence with you and the Outpouring of My Sacred Fire Sun Presence of Peace. If you will feel Me, I will dwell within you. If you will dwell within My Sun Presence of Peace, you will find your world and My World become one Manifestation of all that the Sacred Fire from the Central Sun holds within It to produce the Magnificent Manifestations that glorify the Great Central Sun Presence of Eternal Life. You may dwell in My World from tonight if you will. (*applause—audience rising*) Thank you, Precious Ones. Won't you be seated, please, and just remain so.

You do not quite understand, My Loved Ones, how imperative is the Sun Presence of Eternal Peace to all Life. Now, when there is pain in the body, you're in distress. You want Peace, do you not? You want release from that pain. So you see, the natural desire within Life is for Peace, is to be free from that which is not Peace. Therefore, if you choose to make yourselves, each one, a Sun Presence of the Victory of My World of Cosmic Peace, that can draw Power in and around you of such tremendous Cosmic Action as you can scarcely comprehend until you feel It and watch It act in conditions around you. And then you realize something has changed the relationship of yourselves to the conditions of the outer world.

Wherever I appear, wherever I pour My Love, turmoil must cease as that Sacred Fire is released into outer action. And if you will feel My Cosmic Sun Presence of Eternal Peace come into your bodies, like heat from a radiator comes into you when you stand near it, you

may absorb all of the Power of My Cosmic Peace that you can possibly use in anything you desire to do, until you come to Us in the Ascension for Eternity.

If you can only make the outer self realize that when you turn your attention to a Cosmic Being or Activity of the Sacred Fire, you are in touch with that Presence and Sacred Fire by your own consciousness, your own desire, your own feeling. Therefore, if you let your attention come to Me when distress seems to whirl about you, and let My Sun Presence of Cosmic Peace—now this is different from what you would call personal peace—let Cosmic Peace come into you, the outer personal self, and feel the outer self enfolded in the Sun Presence of this Sacred Fire, you will begin to feel My Power of Peace. It will begin to fill your Life. It will begin to fill your emotional world. It will begin to fill your affairs.

Therefore, you can, just as certainly as you can breathe air into the body, you can draw into yourselves the Cosmic Sun of My Sacred Fire Peace, into yourselves, until you become all one with Its Victorious, Enfolding, Cosmic Action. And then as you take your stand that your world, too, shall be the Sun Presence of My Cosmic, Sacred Fire Peace, that Sacred Fire enters into your affairs, becomes the atmosphere about you, and as you accept and love and dwell within It, you will find It controlling outer world conditions about you, and controlling them silently.

So the Power of the Great Great Silence has many wondrous Blessings that can enter into you, as the air you breathe enters into the lungs of the physical body. Just so does Life contain within It through the desire in the Heart Flame, the desire in the emotional world of the individual

holding the attention upon the Cosmic Sun Presence of My Sacred Fire Peace—draw It into yourselves, enfold you in Its World of Action, and you become Its Victory forever.

If you want Power over the destructive conditions of this world, the Cosmic Sun Presence of My Sacred Fire Peace has more Power, actual Energy, than the whole world and everybody on it and everything on it. So if you choose to draw this into yourselves and make your world My World of the Cosmic Sun of My Sacred Fire Peace, you shall not know distress again. You shall not know limitation again. You shall not know struggle again, for they are all the lack of the Sacred Fire of Eternal Peace.

Blessed Ones, this is the Powerhouse that holds Control of all in the physical world, compels Purification and Balance, and reveals the Blessings and the ever-expanding Creative Powers of the Heart of the “Mighty I AM Presence” in the Great Central Sun.

Those of you who were present when I first came, in Chicago some years ago, remember the Feeling that came into the room. That was the Sun Presence and is the Sun Presence of My Sacred Fire Peace which entered into you at that time and has abided within you since. Now We are increasing the Outpouring of that Sacred Fire Power to you all, that your individual worlds may become that Sun Presence of Cosmic Peace to hold a certain Balance within this Nation that is a Protection of that which is constructive.

So if you care to give Me your attention and this Call, it is not just for your greater Peace and Harmony that I come, I assure you. I come that the Sun Presence of My Sacred Fire Peace may spread over the Nation and

over the world. Because of what the world requires, We are releasing this for the Blessing of the world. You, individually, may have Our World and Cosmic Power of that Blessing in yourselves and in your affairs as you give this recognition and demand that It fills the Nation that is the Heart of the World, so the Cosmic Sun Presence of Sacred Fire Peace may enter into the structure of Earth and control the forces that are rioting with discord.

If each of you will choose to make yourselves a Powerhouse of My Sun Presence of Sacred Fire Peace, you shall never regret it in all Eternity. And as you become more and more aware of all that is within It and your world becomes Its Presence also, wherever you abide that which you contact shall be purified and balanced and be raised into the Freedom which the Sacred Fire is. If you make yourselves a Sun Presence of My Sacred Fire Peace and then your Love goes out to your loved ones, My Sun Presence can also enfold them until, entering into their Life Streams, they too feel Its All-controlling, Cosmic Action that raises them into Peace also.

So It is very far-reaching, My Loved Ones, in that which comes to Earth tonight through Our Cosmic Outpouring. As you individually understand and accept It and enter into Its World of Action, that which you love will be drawn into Its World of Action also; and that goes on and on until the Earth and all upon it are also drawn into the Everlasting Peace of the Cosmic, Sacred Fire's Love.

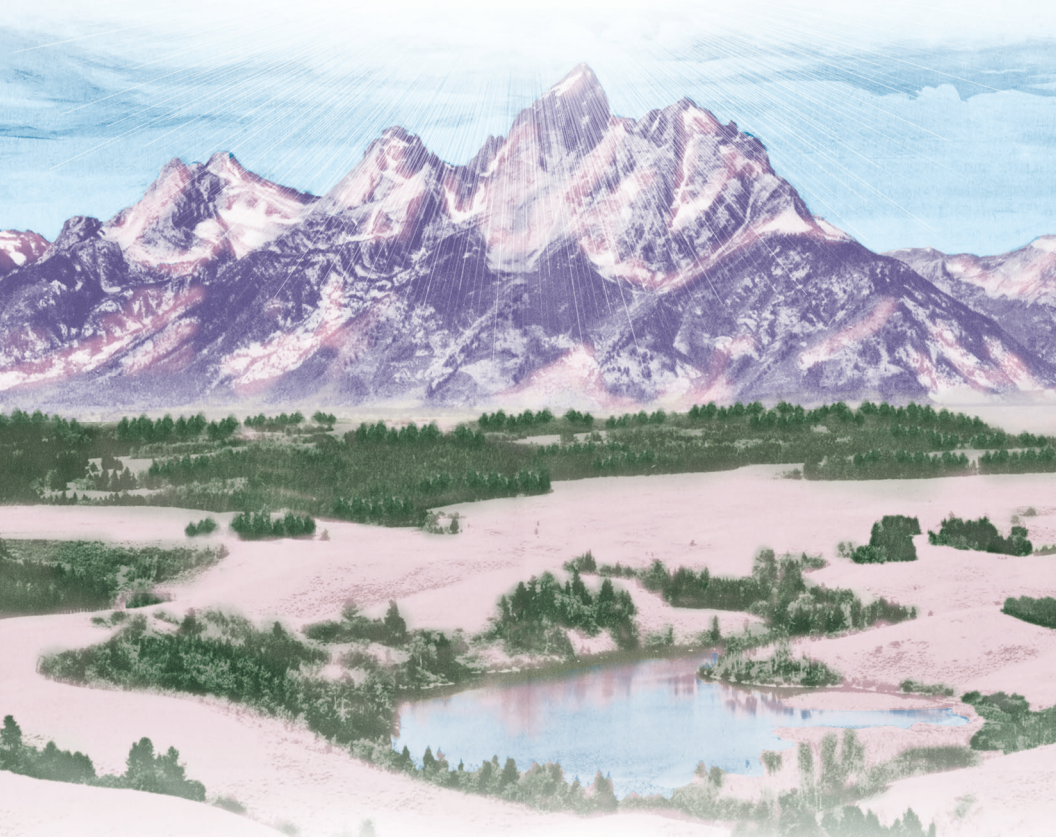

The Beloved Master Jesus said to those who were with Him, "My Peace I give unto you. Not as the world giveth, give I unto you." And I, too, say tonight, My Peace from the Heart of Creation, the Cosmic Sun of

Sacred Fire's Love and Peace I give to you tonight, that you may give It to your loved ones, your loved ones give It to those they love, until all love the Earth enough to give it Everlasting Peace—which comes only from the Heart of Creation. Only from within the Love of the Sacred Fire, only from within the Heart of Perfection does Peace Eternal come to Life.

Enter into Its Powerhouse tonight and become a Sun Presence also of Its Sacred Fire Peace, and give It to the world like the Sun gives Light to the Earth. Let Its Enfolding Sacred Fire Presence enter into your feeling and make you know the Mastery which It is. Then, as you enter into constructive activity, will there come such Joy in outer action as shall be positive ecstasy compared to the conditions of mankind in the outer world.

As you bring this greater Perfection into outer physical conditions, that Sacred Fire Peace—with the Great Central Sun's Cosmic Power Presence—enters in and becomes the Power throughout the world to control all life and set it again on the Pathway of Light, to go forward to Its Victorious Attainment in the Ascension. You can't have the Ascension without the Purity and the Peace of My Love. That's why I come to Earth—to strengthen and protect and raise all that is constructive, and to seal all that is constructive in the Cosmic Sun Presence and Power without limit of My Sacred Fire Peace.

May you spread Its Love. May you use Its Power. May you be Its Victory! May you give Its Freedom everywhere, until Divine Justice has once again balanced all things in this world and Love has taken Possession of Its own. I commend you to the Peace of Eternity.

ROYAL TETON

June 30th

BELOVED LANTO

Beloved Ones of the Heart of the World, tonight in the Outpouring that goes forth from the Royal Teton, it would be well if you could remind the outer self that the Sacred Fire and Cosmic Light Rays that are going to be poured forth there, are the Concentration of Our Love from the Ascended Masters' Octave, from the Temples of the Sacred Fire, and from the Great Central Sun, as well as the Physical Sun.

The Light Rays that are drawn forth, the Radiation that goes forth from those who are coming from Venus to pour Their Cosmic Light to this Earth—try to remind yourself, everything that goes forth from there tonight, every bit of Energy, every bit of Consciousness, every bit of Power that goes forth from that Royal Teton tonight is the Concentration of the Sacred Fire Love from the Ascended Masters' Octave and the Great Central Sun.

Therefore, as It is poured forth into the Nation to strengthen and protect all that is constructive, to hold steady the Flow of the Powers of Nature and Forces of the Elements, that Love must consume a certain proportion of mankind's discord within the Nation; and It will consume a certain proportion of the discord mankind has generated in the atmosphere over the Nation.

BELOVED LANTO!

I DEMAND whatever Fiery Christ Blue-Lightning Power from the Great Central Sun, through the Outpouring from the Royal Teton, prevents the human creation that has been imposed upon this Nation from being allowed to any longer touch the consciousness of the people or their feeling world, or being allowed to come into the atmosphere over this Nation!

Talk

Mrs. G.W. Ballard

April 10, 1959

Precious Ones, if everybody in this Country would make this Call and qualify all the water and food of our Land, all the Powers of Nature and Forces of the Elements, with the Unconquerable Christ and the Invincible Purity of the Unconquerable Christ, do you know what would happen? No matter what impurity has now already been imposed upon those channels, the demand of the people, at least most of the people, would cause a Dispensation to be given—a Dispensation by which the Ascended Ones could project the Sacred Fire into those channels and compel their Purification, if we could get enough people to make this Call.

Now in India, for centuries they have always called the Ganges River “Ganga Mata,” which is “Mother Ganges”; and they always qualified it as a Sacred River. People go down there for healing. They throw the corpses

in and the sewage and everything else; and two miles below the bathing ghats of Benares, the water is so absolutely chemically pure and the world doesn't know why. Scientists have never been able to find out why the water is so absolutely pure two miles below those bathing ghats. They go in there, all kinds of cripples, and they're healed. I asked Beloved Saint Germain once and He said they have qualified that as a Sacred River so long, that it forces some action of the Cosmic Law to be given them by which that becomes a Sacred River. He said the Ascended Masters for centuries volatilized gold and passed it through it to purify it, to keep it purified; but He said since about the beginning of the century They used Electronic Force to purify it, chemically speaking.

Now these things are taking place all over the world, and Miracles are God's Way of Life uninterfered with by mankind's cussedness. So let's have a few Miracles for a change! We can take our government. Now let's take the Powers of Nature, all the water and food of our Land, and the Forces of the Elements, because we will take the impurity off of those channels. They will give us their blessing. And we will not be subject to the epidemics and plagues and everything else that is the aftermath of a war, especially the aftermath of these atomic explosions, hydrogen bombs, and what have you.

Happy Birthday, Beloved Mama!

“I AM” MUSIC OF THE SPHERES

BELOVED GODDESS OF MUSIC

January 16, 1944

Do you know that there could be released throughout the atmosphere of Earth certain Transcendent Melodies by enough Beings—I am speaking of those above the physical octave—who, charging Their Joyous Song into the atmosphere which you breathe, could put to sleep every destructive force, until it could be dissolved!

Now these Activities are in the Universe; and these Great Beings, with your Call to Them, can and will establish permanent Outpourings of Their Powers of Music through your Music, through your Records, and through your own individual Light Rays if you will so call Them forth.

Do you know you can call to your “Mighty I AM Presence” and ask the God of Music, Myself, and the Angels of Music to charge the Music of the Spheres forth

on the Light Rays from your “Presence,” that It may go forth to bless, heal, and protect your loved ones? . . .

Do you know, if you were to call the Celestial Choir and the Angelic Host of Music to your assistance, to charge the air around you with Their Music of the Spheres, that They could set up a Current of Force or Vibratory Action to flood the energy around you in the atmosphere which would deflect all that is not Their Harmony and Purity of Life?

You have never quite understood what tremendous Power and Service can be released through Music. Yet your Beloved Saint Germain said to you in one of the very earliest Dictations: “Music is the thing most useful to Us because it is energy already harmoniously qualified, which We can use to pour forth what is required.”

Now, Precious Ones, if you will charge your hands, your feet, your voice, your consciousness, your mind, and your feeling with the Mighty Healing Power of the Music of the Spheres, It could flood through you all night long if you would let It, if you would make the Call! I am tipping you off tonight, so to speak—because when your body is asleep, your feelings do not doubt, resist, fight, nor repel the Light that is seeking to bless you.

So, if you will get out of those bodies and go about your business at night, make your Call to Us to fill them with a River of the Music of the Spheres while you are away, We will help you repair those temples. I am trying so intensely to get your temples to the place where you can be as beautiful, young, and joyful as you should be.

You have not been very comfortable under the pressure of this outer world’s distress; but, Precious Ones, call forth the dynamic Healing Power of the Music of the Spheres!

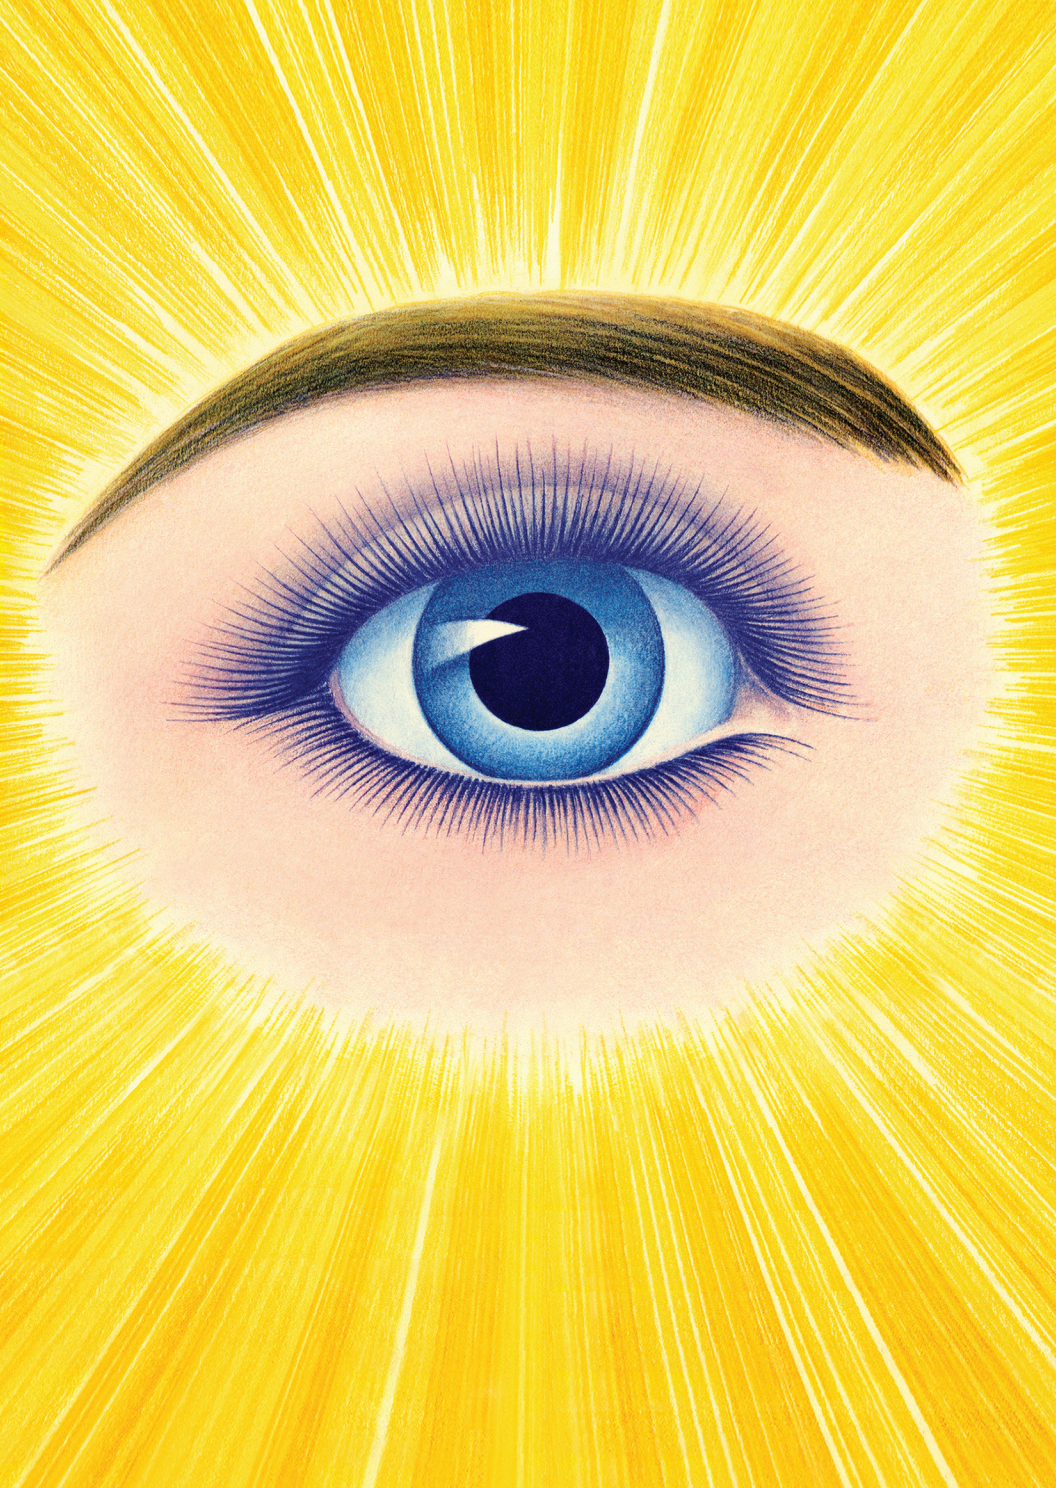

Just experiment with your bodies. Do not dislike them! Do not criticize, do not blame, and do not condemn them! You changed their appearance—they did not. They merely obeyed you, so don't feel hard about it! After all, they are really to be assisted and not condemned for giving you your own way.

We are ready, if you are, to concentrate Dynamic Power through your Music. You have occasionally touched, through your Adoration of the Elohim, Tremendous Heights of Power. Every one of your bodies felt better after you sang. Well, you know if you would sing enough, you would feel better all the time; and nobody could quarrel with you while you were singing. Of course they might not like the way you did it, but still you would be releasing your happiness; and you might not like someone else's singing, but you try to help the other person. Just make the Call to Us to cut away all substance that obstructs the full Perfection of the Higher Mental Bodies singing through you, because almost everybody hears correctly inside themselves; but it is such a struggle to get that outside.

The Voice of the "I AM," 1944.3:6-8

“BELOVED MIGHTY I AM PRESENCE”!

CHARGE my hands, my feet, my voice, my consciousness, my mind, and my feeling with the Mighty Healing Power of the “I AM” Music of the Spheres!

BELOVED CYCLOPEA

Chicago, Illinois • April 21, 1966
Record CD 1220

Beloved Defenders of the Light, We come again to give every Assistance possible that you may be strengthened, protected, and illumined, to enable you to give all that is required at this time in whatever assistance this Nation requires in the Fulfillment of the Great Divine Plan. Tonight I wish to speak of the correlation and cooperation of the Powers of your own Life Streams, both through the intellect and through the emotional bodies.

The powers of the mind must be kept in perfect balance and must be illumined by the constructive Pictures from the Ascended Masters' Octave, because when mankind looks so constantly into the conditions of this world, there is being photographed continuously onto the inner bodies the discord and conditions of the outer world from which you wish to be free. Therefore, the mind must be kept purified. The mind must have the Violet Consuming Flame pass through it frequently in order to consume what you take into the body through the sight.

Remember this: Everything your eyes gaze upon definitely affects the emotional body and photographs into your feeling world the qualities that are within that which you see. Therefore, when it comes to the handling

of the Greater Powers of the Higher Mental Body which you need to direct into outer physical conditions to produce Perfection and fulfill the Divine Plan, there must come Purification of the intellect.

Now, the sinister force does not want that and is doing every conceivable thing to confuse mankind, to place destructive pictures in the brain structure, to disturb the feeling, and to charge the atmosphere with anything and everything that will desecrate and destroy. We, on the other side, must call forth more of the Sacred Fire's Indestructible Perfection and Constructive Action into the sight and into the emotional body and into the atmosphere of the individual, in order to neutralize and repel what the destructive forces are constantly imposing upon you in the outer world activities in which you move.

So when you call to the Seven Mighty Elohim to fill you with Our Cosmic, Illuminating Consciousness and Our Sacred Fire, Purifying Force and Love that controls the energy of the emotional body, ask always for the Indestructible Mastery of the Seven Mighty Elohim of Creation to blaze the Heart Flame into the outer self and fill the emotional body with It, and then blaze through It whatever consumes human creation in the world around you that is the constant disturbing element.

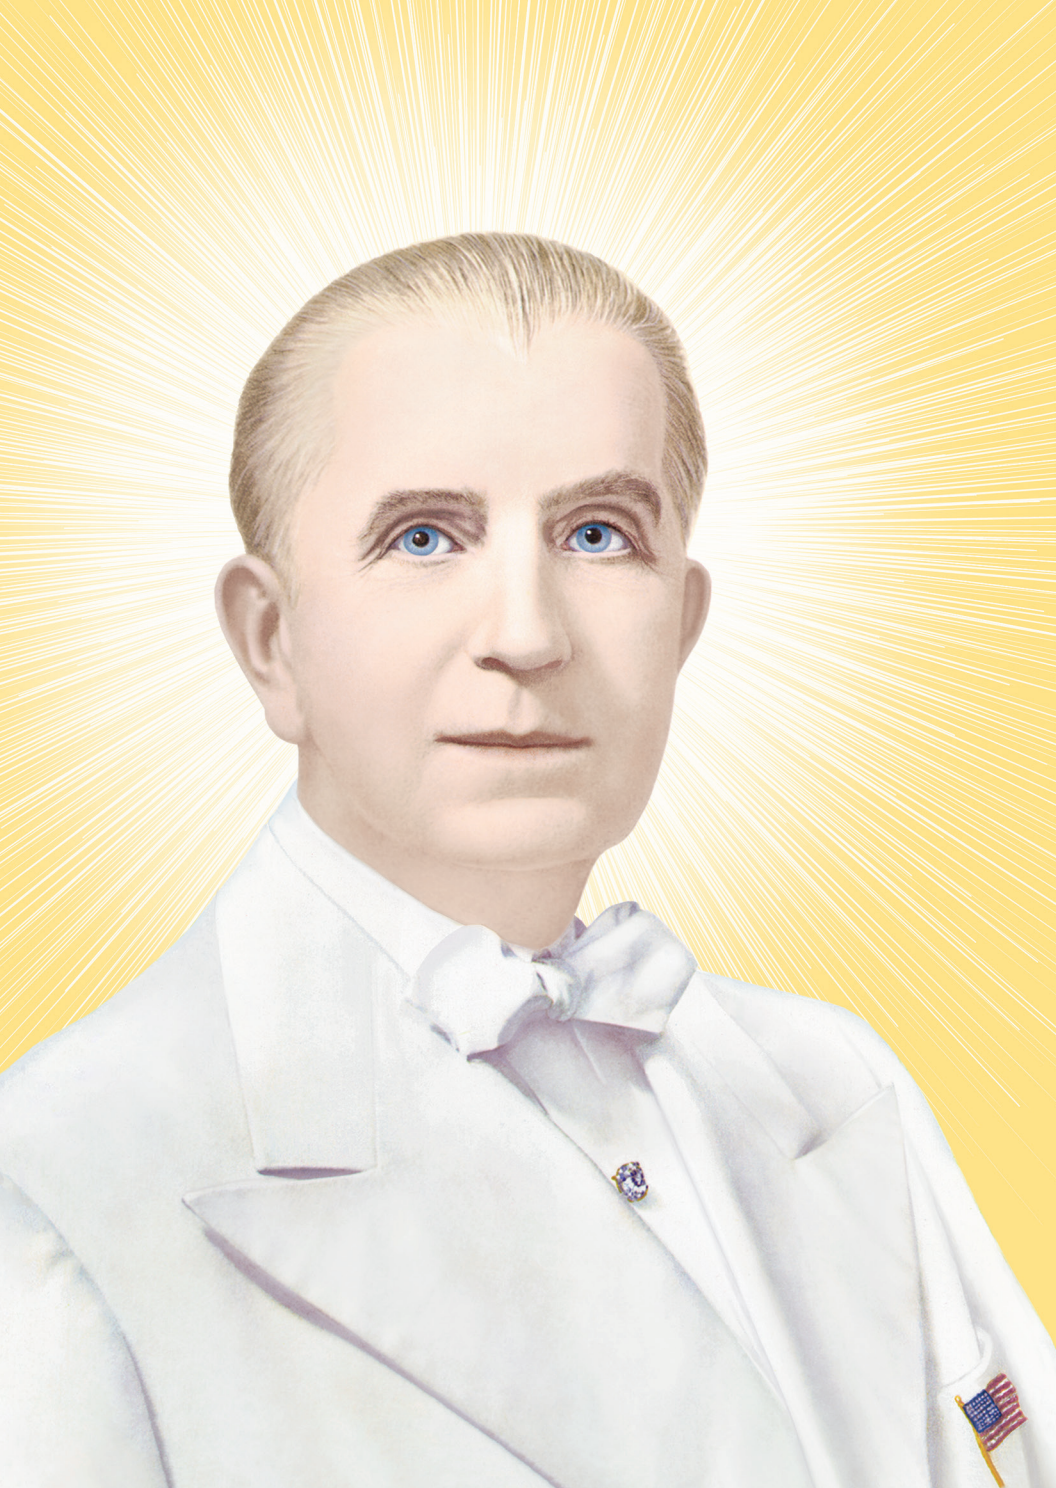

The outer world is so filled with disturbance and impurity that unless you repel it, you absorb it. And if you are going to repel it, you can only repel it by the Sacred Fire from the Heart Flame of your "Mighty I AM Presence" or one or more of the Ascended Host. Mankind in the unascended state cannot and does not

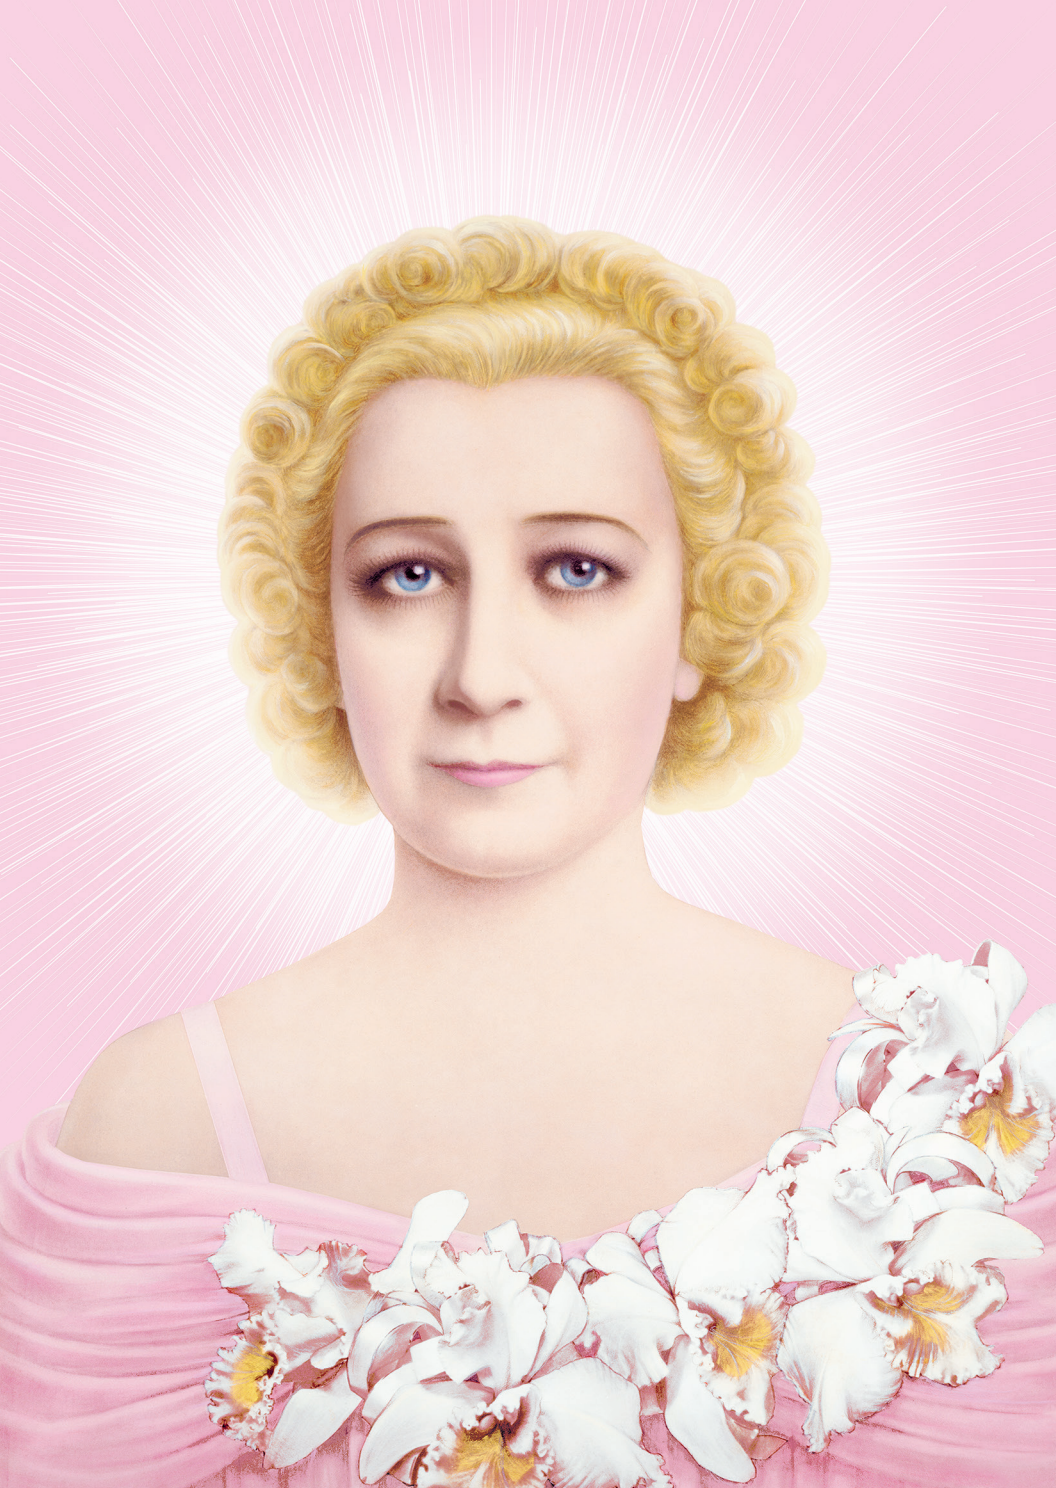

protect itself against destructive forces without the Sacred Fire Power and Guard of the Seven Mighty Elohim, as well as others of the Ascended Host and the Cosmic Beings.

This is the arrangement of the Great Divine Plan for Protection of the Master Powers that must come and be used through the intellect if the Divine Plan is to be fulfilled; but more than that, the Master Powers of the Sacred Fire and Its Indestructible Purity must come into the emotional body and purify and control conditions around you, in order for you to hold enough Purity within the emotional body to create something constructive in the outer world.

So, no matter what you want to build or create, no matter what you want to do that is constructive, some Activity of the Sacred Fire must come from your Higher Mental Body and from the Seven Mighty Elohim of Creation. That is why We are called the Seven Mighty Builders. And when mankind has so forgotten Us as to not even know the Name of the Powers of the Sacred Fire that guard the Life Stream's constructive activities and abilities to produce the Fulfillment of the Divine Plan, you can see why mankind is so confused. You can see why conditions of the outer world are so destructive and why mankind cannot become Free without this Knowledge of the "Mighty I AM Presence" and the Ascended Host and the Knowledge of the Sacred Fire.

Mankind, I tell you, is helpless before the discord individuals have generated, because the mass accumulation is almost smothering the constructive impulses in the emotional bodies and in the minds of the masses of

the people. Therefore, the continual charging forth of the Sacred Fire's Purifying Force of Our Purifying Love must come into you all. It must blaze around you. It must go into your affairs if constructive activities are to survive!

We have begged and pled and offered and given and done everything to try to keep people awake to the necessity of doing this in order to protect themselves. And only when they are in conditions that they can't control are they even temporarily turning the attention back to the God Presence of Life, as they understand It, and asking for Help. Here every human being in existence has had placed in the brain structure the Sevenfold Flame of the Seven Mighty Elohim in order to be the Guard of the Powers, the Master Powers of Life that are the Great Creative Activities of Perfection. This Guard has been placed here. We are waiting. And unless mankind understands Our Reality and how to call to Us and call Our Sacred Fire into the physical conditions, there is no constructive activity created in the physical world, nor sustained. Therefore, We are necessary if mankind is to rise out of this present destruction. (*applause—audience rising*) Thank you so much. Won't you be seated, please, and just remain so.

Now, the Mighty Arcturus in His Use of the Violet Consuming Flame is the Power of Purification of the Seven Mighty Elohim. Each one uses all Activities of the Sacred Fire, but predominantly one is the main momentum that each one gives into the use of the outer self to hold constructive action, and to protect whatever is constructive the individual is trying to bring

into manifestation; but the masses of the people are helpless before the discord which they have created, not understanding that the mind should be guarded.

The powers of the mind should be guarded by the Sacred Fire from the Ascended Masters' Octave. Mankind's intellect is the playground of every destructive force. And the emotional body is even worse, because people do not understand that unless the feeling is kept purified and controlled by that which is constructive, there is nothing but disaster and chaos and destruction can ever be created or manifest in the physical world.

Mankind needs this Understanding of the "Mighty I AM Presence" and the Ascended Host more than people need food to eat. But those of you who know of Our Presence, don't fail to keep calling all the Sacred Fire Activities of Indestructible Victory and Indestructible Perfection into yourselves first, and then into everything you do, to give Us a chance to protect you. That's why the Mighty Saint Germain gave you the use of the Tube of Light, so that Substance can be drawn around you to protect the physical body and the atmosphere about you. But when you start into conditions of the outer world, into building that which is constructive—before you start, the Protecting Sacred Fire of the Seven Mighty Elohim of Creation should be called into existence in and around whatever you are going to do, before you expect to design or create or even gather together from the physical world the things you need to produce the Fulfillment of the Divine Plan, or do whatever is necessary to enable you to go on with your daily activities in the outer world and have them constructive.

When the Mighty Saint Germain gave you the Statement, “ ‘I AM’ the Ascended Masters’ Law of Forgiveness and Consuming Flame of all inharmonious action and human consciousness,” it was the use of the Violet Consuming Flame. And the Mighty Arcturus who directs that in, through, and around the individual by Conscious Call, is the Guarding, Purifying Activity of the Sacred Fire from the Seven Mighty Elohim that Life has established to protect the individual’s Life Stream from mistakes and from destructive conditions in the outer world which have been generated for centuries.

Mankind is at the mercy of destructive forces today because individuals are not taught how to protect themselves, how to protect the Purity that is necessary for constructive activities to be brought into physical conditions to fulfill the Divine Plan. And it matters not whether it’s the individual’s own Life Stream, or it’s the individual’s mind and body and personal affairs, or whether it’s in a city or a nation or a civilization or the world. It matters not. That which is constructive must come forth from the Sacred Fire, be guarded by the Sacred Fire, and the Sacred Fire brought into existence first before the physical things are gathered together to produce what fulfills the Divine Plan. And, therefore, the intellect must be guarded by the Purifying Sacred Fire of the Seven Mighty Elohim. The energy in the emotional body must be guarded by the Purifying Sacred Fire of the Seven Mighty Elohim, which the Violet Consuming Flame is—one action of It is that.

So, Blessed Ones, no matter what you do in the physical world, if you forget Us, if you forget Our Gift, if you forget Our Instruction, if you forget to do these things

which We have offered by Our Love to protect you and help you stand against the destructive forces of the outer world, how can We help you?

Now then, the memory is the power of the intellect. So if you want to remember Us, charge Our Sacred Fire Memory into your intellect to be the Reminder to call to Us for the Release of the Sacred Fire that protects what you are going to do. And more than that, the Sacred Fire which We draw in and around you, and which is Our Love, is the part of the Activity of the Great Central Sun Magnet that provides an Insulation first of all, and then a place where the Power can be concentrated enough to enable you to have the constructive use of anything in the physical world. It is the Guarding Presence of that which you are going to require to produce what fulfills the Divine Plan.

I trust from tonight that you will call the Master Presence of the Purifying Force of the Sacred Fire of the Seven Mighty Elohim into your brain structure, into your emotional bodies, into the atmosphere about you, to keep purified anything and everything that you want to use to fulfill the Divine Plan in your outer world conditions—no matter what you are doing. In business or anything that you do in the outer world, this should be called forth in and around you in order for you to avoid mistakes, and in order for you to keep out of the clutches of destructive forces who will use you if you don't protect yourselves.

So We are part of the Protection for which you have called. You called for the Guard of the Fiery Christ Beings. We are part of Them. So, your Decrees have

gone to the Heart of Creation—these new Rhythmic Decrees. And as you understand what it means to call these Activities of the Sacred Fire into yourselves first, and then into outer world conditions, it gives Us a chance to protect your minds against the suggestions of destructive forces; and it enables Us to help you protect the energy of your feeling world against the continual pressure of discord and hate and irritation and impurity of the world around you.

There is one thing: The television has done more damage than it has done good, since it has absorbed mankind's attention and is drawing the energy of the Life Streams who are absorbed in watching destructive conditions—it has pulled those Life Streams right into the same destruction.

Now We are offering the Sacred Fire from the Ascended Masters' Octave to pull you into Our Eternal Perfection of the Divine Plan fulfilled. We are trying to pull you into Mastery. And that is why it is imperative that you use Our Sacred Fire Master Powers of the Seven Mighty Elohim of Creation into yourselves first. Acknowledge It! Ask to be filled with this Sacred Fire Mastery and Perfection of Life; and then go into outer world conditions, and you won't have failure. This is a Protection that everyone must have as you live in the outer world today.

Blessed Ones, if you gave one-half of the time—I am speaking now of the general public, not just you; but if they gave one-half the time and attention to drawing into themselves the Sacred Fire of the Seven Mighty Elohim of Creation, destructive forces could not enslave individuals and could not make a civilization die.

Therefore, you who know of Our Existence, if you keep calling this Sacred Fire within yourself, It can become an Eternal part of your Life Stream that will control everything all the time—and automatically, eventually when you gain a momentum, control everything around you. And It is the most practical way to live Life, because It is the Way provided by the Great Cosmic Law of Embodiment for you to use the Master Powers of Life and go forward harmoniously and fulfill the Divine Plan without ever experiencing the discord and destruction the rest of mankind has experienced.

So, It is the Ascended Masters' Sacred Fire, Protecting Way to fulfill the Great Divine Plan and take you through this world to the Victory of your Ascension, without the interference of the human creation that has destroyed one civilization after another, and will not do anything for anybody except to take you to the second death if you do not rise into the Master Presence of the Sacred Fire of the Seven Mighty Elohim, which the Cosmic Law has provided to keep you Victorious until you gain the Ascension. (*applause*) Thank you so much. So from tonight, I trust that We will hear from you more frequently. (*applause*) Thank you so much.

It is the Sevenfold Flame of the Seven Mighty Elohim that governs and protects your sight, your hearing, your speech, and your lungs of the physical flesh body. Now you understand how much you need Us, because if you do not have Perfection in those activities of your own Life, certainly you need the Sacred Fire to produce Perfection because nothing else does. The outer world doesn't produce Perfection for you.

Blessed Ones, from tonight I trust you'll be very practical and fill yourselves with the Sevenfold Flame of the Seven Mighty Elohim's Unconquerable, Purifying Force of whatever is necessary within yourselves to produce the Perfection you desire, to fill you with the Victory over everything that is of human creation, and to clothe you in the Eternal Armor of such Indestructible Protection that no matter where you go the hordes of evil cannot touch you. I think that's very practical and, I can assure you, very much more comfortable than the general way mankind lives life.

So, may We be of Service to you? May We be a Reminder to you? And We will—if you charge yourselves with the Eternal Divine Memory, the Sacred Fire Memory of the Seven Mighty Elohim. You will be surprised how your mind will work; and if We can pour in, through, and around you the Purifying Activities of the Seven Mighty Elohim, My Dear Ones, just as natural and much more comfortable than your ordinary breathing will there come into your emotional bodies and the atmosphere about you everything that gives you peace and everything that makes you happy and everything that makes your limitations let go. And therefore, I assure you, it's much more comfortable to live in Our World of the Sacred Fire's Control of everything you desire to do, than the human method of the outer world that is ultimately failure because it is not permanent.

No matter what you accomplish temporarily in producing constructive activity, if you do not sustain it and it does not fulfill the Divine Plan, then one day it dissolves and is not in your world anymore. So, I

assure you, since We are the Seven Builders that create Worlds and Systems of Worlds, if you want Our World of Perfection, call the Sevenfold Flame of the Seven Mighty Elohim's Invincible Victory of Eternal Perfection into yourselves—and Eternal, Sacred Fire Control of your mind, your feeling, the flesh body, the atmosphere about you, everything in your beings and worlds; and live in Our Heart World of Life. If you will make the Call and accept Us, just as certainly as you do, will you find your world and Our World both filled with the Perfection of the Divine Plan that is the Power and Mastery over all in this world and that takes all through to the Victory of the Ascension.

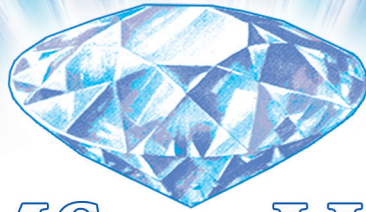

So, when We clothe you in Our Elohim, Miracle Mantle of the Sacred Fire's Heart Control of everything in your beings and worlds, you can come to a place of rest and Peace and Mastery; and this We can make Eternal in and around you. And the things that have disturbed you before, you'll find either do not even register or they will not appear. To live at this time of the world's activities, to live in Our Heart World of the Sacred Fire's Victory over the hordes of evil, I assure you, is permanent Peace. So, We enfold you now tonight, if you desire It, in Our Sacred Fire, Miracle Mantle of Eternal Peace and Our Heart Flame Victory. Our Heart Flame World is Indestructible; and therefore, wherever you abide, you do have Protection that only the Sacred Fire can provide.

We offer you this Miracle Mantle tonight. And We hope you will love to live in the World of Our Heart, so Our Heart Flame of the Seven Mighty Elohim can wrap you

in Its Glorifying Presence and help you to stay at Peace, and then be strong enough to wrap your loved ones in that same Flame. Ask Us and We will do! Your loved ones need It, and especially the younger generation; and those in the National Defense, My Dear Ones, need every wave of Love you can send them for their Protection. So if you care to accept this tonight, We will be happy to wrap them in Our Heart World of Our Heart Flame's Indestructible Victory over the hordes of evil, because Our Heart Flame burns that evil up. And you build the momentum of the constructive activities and become a Sun Presence that lifts the rest of mankind onto the Pathway of Victory.

If you love to live in Our World from tonight, Love will claim Its own; and We will show you what the Sacred Fire Love of the Great Creative Activities of the Universe can produce in this world that nothing else can ever manifest. It is this Mantle of Mastery of Our Heart World's Love to Life We offer, to enfold you until you come into Our Octave for Eternity. Thank you with all My Heart.

GEMS OF LIGHT

Beloved Great Divine Director

The control of the energy in the feeling world is the way you attain your Mastery. And the only thing that will control the feeling in the outer self is Our Ascended Master Sacred Fire Feeling of Our Indestructible Purity.

When We offered you Our Ascended Master Consciousness, We offered you Our Indestructible Purity, Our Cosmic Light-Substance of Indestructible Purity that is whiter than snow and as sparkling as diamonds. You can have this in your outer use if you will remember to call for It; and there isn't a human being on the Earth that cannot have It! The moment the desire comes forth through the outer self, and the Higher Mental Body allows that Expansion of the Light to reach up to Us, Our Answer is Instantaneous in the flood that comes forth—in and around the physical body—of Our Feeling of Love and Our Peace and Our Cosmic Light-Substance of Indestructible Purity. This is the Protection you have to have in order to keep yourselves insulated long enough to let your Higher Mental Body have Command of the outer self.

VOICE OF THE PRESENCE

May Da Camera 1938

BELOVED GOD HARMONY

If you will call Our Miracle Ways of living Life each day into everything you do, into all your energy, into all your consciousness, into your feeling world, and into the world around you, then We have a free hand to flood you and all your activities with the Miracles and the Perfection of Our Octave. But so long as your attention is fastened to the ways and means of doing things that mankind use that are so full of discord and struggle and effort, well, We can't impose Our Perfection upon you. The Law doesn't permit it; but if you want Our Miracle Ways, I'll show you a lot of Them. And the first one I'm concerned with is the Miracle Music of Our Octave because It contains Happiness in the Melody alone that almost lifts you out of these chairs.

So far as the Power released in the Rhythm and the Power of those Great Harmonies of Our Octave, My Dear Ones, We can make you float in the air with the enjoyment of that Beauty and Perfection. And for those who care to sing, why not call forth Our Miracle Voices? You say, "Oh well, I'm so old. I can't sing now. My voice is all gone." Well, that's what the world says about you. That's not the truth about the Flame in your Heart; and if you didn't have the Flame in your Heart, you wouldn't make a sound through your voice. It's the Flame in you that sings.

HARMONY

THE EMOTIONAL BODY

BELOVED ELOHIM OF PURITY

May I liken the Activity of your “Mighty I AM Presence” within your physical bodies to that of an orange. The Light, the Flame, the Energy and Light-Substance flowing through your nerves belong to your “Mighty I AM Presence” and are the Action of the Fire Element which radiates through your flesh forms, just the same as the liquid within the cells of an orange radiates, to some degree, through all the rest of its structure; and yet the conditions in the skin or outside of the skin and the white part next to it are an entirely different quality from the liquid within the cells.

It is analogous to the use of your bodies. Your Etheric Bodies hold the records of whatever your feelings have sent forth—be they constructive or destructive. That is represented by the tiny, fibrous condition forming the cells. Your emotional body is made up of substance which

corresponds to the liquid within the cells, and within that is the Action of the White Fire Substance from your Higher Mental Bodies. The atomic structure of the flesh and the action of the organs of the body correspond to the skin and the white substance next to it. While they are all three connected and the watery element radiates some of itself through the entire orange, yet it is held under control within its own substance and activity.

Just so does the Purity from your “Beloved Mighty I AM Presence” radiate through your nerves out through the atomic structure of your flesh bodies, as more and more Intensity of that Light-Substance is drawn into you, whether It be from within your “Presence” or Power added to your “Presence” by the Ascended Masters.

The Voice of the “I AM,” 1978.8:7-8

BELOVED LADY MASTER NADA

Down through the ages mankind has been told, “All is mind.” All is not mind! All is consciousness! All is life, but the life in the emotional body has three times more energy than the intellectual consciousness. That is why the sinister force can brainwash people and the individual doesn’t even know he’s being brainwashed, and the whole thing of hypnotic domination is done through the emotional body.

Record CD 1161; Cassette 6 0119-2

BELOVED GODFRÉ

Everything destructive that you did, unless the Divine Director took it away from you and consumed it or you have dissolved it by the Violet Consuming Flame, still

stands around your physical body and inside of your physical body, because those records are still in the Etheric Body. They are in the emotional body, unless they have been purified completely and your body becomes as beautiful as the Higher Mental Body.

The Voice of the "I AM," 1945.7:21

BELOVED GODFRÉ

We have to go to work now on these destructive etheric records in the emotional body and Etheric Body. We have to go to work on the seat of habit, which is the accumulation of energy, discordantly qualified, but whirling in the energy of the emotional body and anchored upon a destructive etheric record in the Etheric Body.

Now, your "Beloved I AM Presence" doesn't want one bit of impurity in you or your world. It doesn't want one problem in you or your world. It doesn't want any distress or struggle in your feeling, because It wants your feeling Purified and Luminous enough to let Its own Almighty Perfection create in the world around you the Greater Perfection that blesses all, and enables It to lift all Life Streams that you contact into Greater Freedom.

Record CD 840

BELOVED ASTREA

The Hope of the world now is for as many Life Streams as possible who can be awakened, to call to God as they understand It—whether they are "I AM" Students or not—simply call to God as they understand It, to withdraw from all Life in this world the destructive use of the Free

Will. This takes out the desire in the emotional body and the Etheric Body to do destructive things; and it is in the destructive etheric records that the energy accumulates, as well as in the emotional body, that creates constantly mankind's terrific hatred, selfishness, and the creations of destruction that have brought one war after another, have brought poverty upon race after race after race, embodiment after embodiment.

Record CD 1628

BELOVED GOD HARMONY

So, part of the healing of the people of this world means the Purification of the emotional body; and it means more than that. It means the Illumination of the substance in the emotional body, the Illumination of the flesh, the emotional body, and the atmosphere about the physical body.

The Illumination must come into the mind through the brain structure—must come into the feeling; and the Illumination must come within the Etheric Body. And then, as the Light blends and grows brighter and brighter, the flesh itself begins to radiate that Light. Then that Light becomes the atmosphere about you and illumines the atmosphere about you.

The Voice of the "I AM," 2007.9:6

BELOVED SAINT GERMAIN

May the Jeweled Girdle, which it is your right to wear, enfold you now with Its Protecting Radiance and hold about your emotional body the Ascended Master Control with a great Calm, Masterful Power that never allows any destructive feeling to touch you again!

The Voice of the "I AM," 1950.10:24

VIOLET FLAME GROUP MEETINGS

Our Beloved Ascended Master Saint Germain has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees, or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.

Lovingly, “I AM,”
MRS. G.W. BALLARD
